## SENATE ENROLLED ACT No. 1

---

AN ACT to amend the Indiana Code concerning taxation and to make an appropriation.

*Be it enacted by the General Assembly of the State of Indiana:*

SECTION 1. IC 3-10-9-3, AS AMENDED BY P.L.225-2011, SECTION 49, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 3. **(a) Except as provided in subsection (b),** if a local public question must be certified to an election board by law, that certification must occur no later than noon:

- (1) seventy-four (74) days before a primary election if the public question is to be placed on the primary or municipal primary election ballot; or
- (2) August 1 if the public question is to be placed on the general or municipal election ballot.

**(b) A referendum or local public question:**

- (1) under IC 20-46-1;**
- (2) under IC 20-46-9; or**
- (3) under IC 6-1.1-20 for controlled projects;**

**may be placed on the ballot only at a general election. Certification of a local public question under this subsection must occur not later than noon August 1.**

SECTION 2. IC 5-1-14-14, AS AMENDED BY P.L.197-2016, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 14. (a) Notwithstanding any other law, a municipality may sell the municipality's interest in any notes payable to the municipality at a negotiated sale.

SEA 1 — Concur

(b) A county or municipality may establish a revolving fund from grants, the revenue received by the county or municipality under IC 6-3.6-9 and allocated for economic development purposes, ~~under IC 6-3.6-9~~, the proceeds of the sale of notes, or the proceeds of bonds issued under this section and IC 36-9-32. The county or municipality may loan the money in the revolving fund to any borrower if the county or municipal fiscal body finds that the loan will be used by the borrower for one (1) or more of the following economic development purposes:

- (1) Promoting significant opportunities for the gainful employment of the county's or municipality's residents.
- (2) Attracting a major new business enterprise to the county or municipality.
- (3) Retaining or expanding a significant business enterprise in the county or municipality.

(c) Activities that may be undertaken by the borrower in carrying out an economic development purpose include expenditures for any of the following:

- (1) Acquisition of land.
- (2) Acquisition of property interests.
- (3) Site improvements.
- (4) Infrastructure improvements.
- (5) Buildings.
- (6) Structures.
- (7) Rehabilitation, renovation, or enlargement of buildings or structures.
- (8) Machinery.
- (9) Equipment.
- (10) Furnishings.

(d) Local governmental entities may borrow under subsection (b) if the local governmental entity's jurisdiction includes the geographic area within the boundaries of the county or municipality that established the revolving fund. Notwithstanding any other law, the following provisions apply to the borrowing:

- (1) The county or municipality that established the revolving fund and the local governmental entity borrower may each authorize the loan from the revolving fund and the issuance of notes evidencing the loan by resolution. In each case, the resolution shall be adopted by the body with control over fiscal matters.
- (2) A resolution adopted under subdivision (1) must approve:
  - (A) the term of the loan;
  - (B) the interest rate;

- (C) the form of the note or notes;
- (D) the medium of payment;
- (E) the place and manner of payment;
- (F) the manner of execution of the note or notes;
- (G) the terms of redemption;
- (H) the funds or sources of funds from which the note or notes are payable, which may be any funds and sources of funds available to the borrower; and
- (I) any other provisions not inconsistent with this section.

(3) The notes and the authorization, issuance, sale, and delivery of the notes are not subject to any general statute concerning obligations issued by the local governmental entity borrower. This section contains full and complete authority for the making of the loan, the authorization, issuance, sale, and delivery of the notes, and the repayment of the loan by the borrower, and no law, procedure, proceedings, publications, notices, consents, approvals, orders, or acts by any officer, department, agency, or instrument of the state or of any political subdivision is required to make the loan, issue the notes, or repay the loan except as prescribed in this section.

(4) The notes issued by a local governmental entity borrower are exempt from taxation for all purposes and are exempt from any security registration requirements provided for in Indiana statutes.

(5) Notes issued by a local governmental entity borrower under this section are obligations for all purposes of this chapter.

(e) A municipality may issue bonds under IC 36-9-32-7(b) through IC 36-9-32-7(j) for the economic development purposes listed in subsection (c) and may repay the indebtedness solely from revenues derived from the repayment of any notes, including notes evidencing loans made under subsection (b).

(f) To the extent a revolving fund under subsection (b) is funded from:

- (1) revenues received by the county under IC 6-3.6-9 and allocated for economic development purposes; ~~under IC 6-3.6-6-9;~~ or
- (2) repayments of principal and interest on loans from the revolving fund that were funded with revenues described in subdivision (1);

money in the revolving fund may at any time be transferred in whole or in part to the unit's economic development income tax fund, as determined by ordinance of the unit's fiscal body.

(g) The general assembly finds that counties and municipalities in

Indiana have a need to foster economic development and industrial and commercial growth. The general assembly finds that it is necessary and proper to provide an alternative method for municipalities to foster the following:

- (1) Economic development.
- (2) Industrial and commercial growth.
- (3) Employment opportunities.
- (4) Diversification of industry and commerce.

It is declared that the fostering of economic development under this section for the benefit of the general public, including industrial and commercial enterprises, is a public purpose.

SECTION 3. IC 5-1-14-17 IS ADDED TO THE INDIANA CODE AS A **NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 17. (a) This section applies to a qualified political subdivision.**

**(b) As used this section, "general obligation bond" means a bond issued for a short term period of not more than five (5) years and payable from property taxes for a purpose or project that is not a controlled project (as defined in IC 6-1.1-20-1.1) for which the bond is not required to be issued using the procedures in IC 6-1.1-20.**

**(c) As used in this section, "qualified political subdivision" means a county, city, town, township, or school corporation.**

**(d) Notwithstanding any other law, and except as provided in subsection (e), if a qualified political subdivision issues new general obligation bonds, or has issued general obligation bonds before May 1, 2025, for a period of two (2) years or less, then at the expiration of those general obligation bonds, the qualified political subdivision must wait one (1) year from that date before the qualified political subdivision may issue general obligation bonds.**

**(e) Subsection (d) shall not apply to a qualified political subdivision in the case of a natural disaster, an accident, or another unanticipated emergency as determined by the department of local government finance.**

SECTION 4. IC 5-16-9-3, AS AMENDED BY P.L.197-2016, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 3. (a) If a public agency has no parking facility under its jurisdiction or control available to private persons who desire to conduct business with the public agency, the public agency shall direct the local authority having jurisdiction over the portion of the streets which are adjacent to the facilities of the public agency to reserve parking spaces for the use of persons with physical disabilities.

(b) If a retail shopping mall is constructed in whole or in part with revenue derived from a local income tax imposed under IC 6-3.6-6 and allocated for economic development purposes, ~~under IC 6-3.6-6-9~~; the local authority having jurisdiction over the portion of the streets adjacent to the retail shopping mall shall reserve parking spaces for the use of persons with physical disabilities.

SECTION 5. IC 6-1.1-2-11 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 11. (a) As used in this section, "tax increment financing allocation area" means any area authorized by statute in which ad valorem property taxes are allocated, including the following:**

- (1) IC 6-1.1-39 (economic development districts).**
- (2) IC 8-22-3.5 (airport development zones).**
- (3) IC 36-7-14 (redevelopment of areas needing redevelopment generally).**
- (4) IC 36-7-15.1 (redevelopment of areas in Marion County).**
- (5) IC 36-7-30 (reuse of federal military bases).**
- (6) IC 36-7-30.5 (development of multicounty federal military bases).**
- (7) IC 36-7-32 (certified technology parks).**
- (8) IC 36-7-32.5 (innovation development districts).**
- (9) IC 36-7.5-4.5 (rail transit development districts).**

**(b) The department shall, in each year beginning after December 31, 2025, and ending before January 1, 2034, adjust the base assessed value of each tax increment financing allocation area to neutralize the effect of the changing tax rates resulting year to year from the homestead deduction under IC 6-1.1-12-37(c)(2) and IC 6-1.1-12-37.5(c) and the deduction for eligible property under IC 6-1.1-12-47. It is the intent of the general assembly that an increase in revenue from a change in tax rates resulting from these statutes accrue only to the base assessed value and not to the tax increment financing allocation area. However, in the case of a decrease in revenue from a change in tax rates resulting from these statutes, the department may neutralize the change under this subsection in a positive manner with regard to the tax increment financing allocation area to protect the ability to pay bonds based on incremental revenue, if the tax increment financing allocation area demonstrates to the department that an adjustment is needed before the department calculates a positive neutralization adjustment.**

SECTION 6. IC 6-1.1-3-7.2, AS AMENDED BY P.L.137-2022,

SECTION 11, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 7.2. (a) This section applies to assessment dates occurring after December 31, 2015.

(b) As used in this section, "affiliate" means an entity that effectively controls or is controlled by a taxpayer or is associated with a taxpayer under common ownership or control, whether by shareholdings or other means.

(c) As used in this section, "business personal property" means personal property that:

- (1) is otherwise subject to assessment and taxation under this article;
- (2) is used in a trade or business or otherwise held, used, or consumed in connection with the production of income; and
- (3) was:
  - (A) acquired by the taxpayer in an arms length transaction from an entity that is not an affiliate of the taxpayer, if the personal property has been previously used in Indiana before being placed in service in the county; or
  - (B) acquired in any manner, if the personal property has never been previously used in Indiana before being placed in service in the county.

The term does not include mobile homes assessed under IC 6-1.1-7, personal property held as an investment, or personal property that is assessed under IC 6-1.1-8 and is owned by a public utility subject to regulation by the Indiana utility regulatory commission. However, the term does include the personal property of a telephone company or a communications service provider if that personal property meets the requirements of subdivisions (1) through (3), regardless of whether that personal property is assessed under IC 6-1.1-8 and regardless of whether the telephone company or communications service provider is subject to regulation by the Indiana utility regulatory commission.

(d) Notwithstanding section 7 of this chapter, if the acquisition cost of a taxpayer's total business personal property in a county is less than:

- (1) eighty thousand dollars (\$80,000) for ~~that assessment date;~~  
**assessment dates before 2025;**
- (2) **one million dollars (\$1,000,000) for the 2025 assessment date; and**
- (3) **two million dollars (\$2,000,000) for the 2026 assessment date, and each assessment date thereafter;**

the taxpayer's business personal property in the county for that assessment date is exempt from taxation.

(e) Subject to subsection (f), a taxpayer that is eligible for the

exemption under this section for an assessment date shall include the following information on the taxpayer's personal property tax return:

- (1) A declaration that the taxpayer's business personal property in the county is exempt from property taxation.
- (2) Whether the taxpayer's business personal property within the county is in one (1) location or multiple locations.
- (3) An address for the location of the property.

If the business personal property is in multiple locations within a county, the taxpayer shall provide an address for the location where the sum of acquisition costs for business personal property is greatest. If two (2) or more addresses contain the greatest equivalent sum of acquisition costs for business personal property within a given county, the taxpayer shall choose only one (1) address to list on the return.

(f) Beginning after December 31, 2022, a taxpayer that has included the information required under subsection (e) on the taxpayer's personal property tax return to claim the exemption under this section is not required to file a personal property return for the taxpayer's business personal property for an assessment date that occurs after the assessment date for which the information is first provided under subsection (e), unless or until the taxpayer no longer qualifies for the exemption under subsection (d) for a subsequent assessment date.

SECTION 7. IC 6-1.1-3-22, AS AMENDED BY P.L.159-2020, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 22. (a) Except to the extent that it conflicts with a statute and subject to subsection (f), 50 IAC 4.2 (as in effect January 1, 2001), which was formerly incorporated by reference into this section, is reinstated as a rule.

(b) Tangible personal property within the scope of 50 IAC 4.2 (as in effect January 1, 2001) shall be assessed on the assessment dates in calendar years 2003 and thereafter in conformity with 50 IAC 4.2 (as in effect January 1, 2001).

(c) The publisher of the Indiana Administrative Code shall publish 50 IAC 4.2 (as in effect January 1, 2001) in the Indiana Administrative Code.

(d) 50 IAC 4.3 and any other rule to the extent that it conflicts with this section is void.

(e) A reference in 50 IAC 4.2 to a governmental entity that has been terminated or a statute that has been repealed or amended shall be treated as a reference to its successor.

(f) The department of local government finance may not amend or repeal the following (all as in effect January 1, 2001):

- (1) 50 IAC 4.2-4-3(f).

**SEA 1 — Concur**

- (2) 50 IAC 4.2-4-7.
- (3) 50 IAC 4.2-4-9.
- (4) 50 IAC 4.2-5-7.
- (5) 50 IAC 4.2-5-13.
- (6) 50 IAC 4.2-6-1.
- (7) 50 IAC 4.2-6-2.
- (8) 50 IAC 4.2-8-9.

However, the department of local government finance may amend these rules to conform with statutory changes.

(g) Notwithstanding any other provision of this section, 50 IAC 4.2-4-6(c) is void effective July 1, 2015. The publisher of the Indiana Administrative Code and the Indiana Register shall remove this provision from the Indiana Administrative Code.

**(h) Notwithstanding any other provision of this section, the department of local government finance shall adopt rules amending 50 IAC 4.2 to reflect the enactment of section 29 of this chapter.**

SECTION 8. IC 6-1.1-3-23, AS AMENDED BY P.L.220-2011, SECTION 119, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 23. (a) In enacting this section, the general assembly finds the following:

- (1) The economy of northern Indiana has historically been heavily dependent upon:
  - (A) the domestic steel industry, particularly the integrated steel mill business, which produces steel from basic raw materials through blast furnace and related operations; and
  - (B) the oil refining and petrochemical industry.
- (2) Northern Indiana is the only area of Indiana with integrated steelmaking facilities.
- (3) During the last thirty (30) years, the domestic steel industry has experienced significant financial difficulties. More than one-half (1/2) of the integrated steel mills in the United States were shut down or deintegrated, with the remainder requiring significant investment and the addition of new processes to make the facilities economically competitive with newer foreign and domestic steelmaking facilities and processes.
- (4) The United States needs to protect the capacity of the oil refining and petrochemical industry. No oil refineries have been built in the United States since 1976.
- (5) Given the economic conditions affecting older integrated steelmaking facilities, integrated steel mills claimed abnormal obsolescence in reporting the assessed value of equipment located

at the integrated steelmaking facilities that began operations before 1970, thereby reporting the equipment's assessed value at far below thirty percent (30%) of the equipment's total cost (far below the "thirty percent (30%) floor" value generally applicable to equipment exhibiting only normal obsolescence under the current department of local government finance rules).

(6) Current law existing before January 1, 2003, obligates the taxpayers making abnormal obsolescence claims to pay personal property taxes based only on, and permits communities to determine property tax budgets and rates based only on, the reported personal property assessed values until the personal property appeals are resolved. Consequently, as a result of abnormal obsolescence claims, the property tax base of communities in northern Indiana is severely reduced for an indeterminate period (if not permanently). The prospect of future appeals and their attendant problems on an ongoing basis must be addressed.

(7) A new, optional method for valuing the equipment of integrated steel mills and entities that are at least fifty percent (50%) owned by an affiliate of an integrated steel mill ("related entities") and the oil refining and petrochemical industry in northern Indiana is needed. That optional method:

(A) recognizes the loss of value and difficulty in valuing equipment at integrated steelmaking facilities and facilities of the oil refining and petrochemical industry that commenced operations decades ago and at the facilities of related entities;

(B) recognizes that depreciable personal property used in integrated steelmaking and in oil refinery or petrochemical operations and by related entities is affected by different economic and market forces than depreciable personal property used in other industries and certain other segments of the steel industry and therefore experiences different amounts of obsolescence and depreciation; and

(C) can be used to simply and efficiently arrive at a value commensurate with that property's age, use, obsolescence, and market circumstances instead of the current method and its potentially contentious and lengthy appeals. Such an optional method would benefit the communities where these older facilities are located.

(8) Such an optional method would be to authorize a fifth pool in the depreciation schedule for valuing the equipment of integrated steel mills, related entities, and the oil refining and petrochemical

industry that reflects all adjustments to the value of that equipment for depreciation and obsolescence, including abnormal obsolescence, which precludes any taxpayer electing such a method from taking any other obsolescence adjustment for the equipment, and which applies only at the election of the taxpayer.

(9) The purpose for authorizing the Pool 5 method is to provide a more simplified and efficient method for valuing the equipment of integrated steel mills and the oil refining and petrochemical industry that recognizes the loss of value and unusual problems associated with the valuation of the equipment or facilities that began operations before 1970 in those industries in northern Indiana, as well as for valuing the equipment of related entities, to stabilize local property tax revenue by eliminating the need for abnormal obsolescence claims, and to encourage those industries to continue to invest in northern Indiana, thereby contributing to the economic life and well-being of communities in northern Indiana, the residents of northern Indiana, and Indiana generally.

(10) The specific circumstances described in this section do not exist throughout the rest of Indiana.

(b) For purposes of this section:

(1) "adjusted cost" refers to the adjusted cost established in 50 IAC 4.2-4-4 (as in effect on January 1, 2003);

(2) "depreciable personal property" has the meaning set forth in 50 IAC 4.2-4-1 (as in effect on January 1, 2003);

(3) "integrated steel mill" means a person, including a subsidiary of a corporation, that produces steel by processing iron ore and other raw materials in a blast furnace in Indiana;

(4) "oil refinery/petrochemical company" means a person that produces a variety of petroleum products by processing an annual average of at least one hundred thousand (100,000) barrels of crude oil per day;

(5) "permanently retired depreciable personal property" has the meaning set forth in 50 IAC 4.2-4-3 (as in effect on January 1, 2003);

(6) "pool" refers to a pool established in 50 IAC 4.2-4-5(a) (as in effect on January 1, 2003);

(7) "special integrated steel mill or oil refinery/petrochemical equipment" means depreciable personal property, other than special tools and permanently retired depreciable personal property:

(A) that:

(i) is owned, leased, or used by an integrated steel mill or an

entity that is at least fifty percent (50%) owned by an affiliate of an integrated steel mill; and

(ii) falls within Asset Class 33.4 as set forth in IRS Rev. Proc. 87-56, 1987-2, C.B. 647; or

(B) that:

(i) is owned, leased, or used as an integrated part of an oil refinery/petrochemical company or its affiliate; and

(ii) falls within Asset Class 13.3 or 28.0 as set forth in IRS Rev. Proc. 87-56, 1987-2, C.B. 647;

(8) "special tools" has the meaning set forth in 50 IAC 4.2-6-2 (as in effect on January 1, 2003); and

(9) "year of acquisition" refers to the year of acquisition determined under 50 IAC 4.2-4-6 (as in effect on January 1, 2003).

(c) Notwithstanding 50 IAC 4.2-4-4, 50 IAC 4.2-4-6, and 50 IAC 4.2-4-7, a taxpayer may elect to calculate the true tax value of the taxpayer's special integrated steel mill or oil refinery/petrochemical equipment by multiplying the adjusted cost of that equipment by the percentage set forth in the following table:

Year of Acquisition	Percentage
1	40%
2	56%
3	42%
4	32%
5	24%
6	18%
7	15%
8 and older	10%

(d) The department of local government finance shall designate the table under subsection (c) as "Pool No. 5" on the business personal property tax return.

(e) The percentage factors in the table under subsection (c) automatically reflect all adjustments for depreciation and obsolescence, including abnormal obsolescence, for special integrated steel mill or oil refinery/petrochemical equipment. The equipment is entitled to all exemptions, credits, and deductions for which it qualifies.

(f) The minimum valuation limitations under ~~50 IAC 4.2-4-9~~ **section 29 of this chapter** do not apply to special integrated steel mill or oil refinery/petrochemical equipment valued under this section. The value of the equipment is not included in the calculation of that minimum valuation limitation for the taxpayer's other assessable depreciable personal property in the taxing district.

(g) An election to value special integrated steel mill or oil refinery/petrochemical equipment under this section:

- (1) must be made by reporting the equipment under this section on a business personal property tax return;
- (2) applies to all of the taxpayer's special integrated steel mill or oil refinery/petrochemical equipment located in the state (whether owned or leased, or used as an integrated part of the equipment); and
- (3) is binding on the taxpayer for the assessment date for which the election is made.

The department of local government finance shall prescribe the forms to make the election beginning with the March 1, 2003, assessment date. Any special integrated steel mill or oil refinery/petrochemical equipment acquired by a taxpayer that has made an election under this section is valued under this section.

(h) If fifty percent (50%) or more of the adjusted cost of a taxpayer's property that would, notwithstanding this section, be reported in a pool other than Pool No. 5 is attributable to special integrated steel mill or oil refinery/petrochemical equipment, the taxpayer may elect to calculate the true tax value of all of that property as special integrated steel mill or oil refinery/petrochemical equipment. The true tax value of property for which an election is made under this subsection is calculated under subsections (c) through (g).

SECTION 9. IC 6-1.1-3-23.5, AS AMENDED BY P.L.236-2023, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 23.5. (a) For purposes of this section:

- (1) "adjusted cost" has the meaning set forth in section 23(b)(1) of this chapter;
- (2) "depreciable personal property" has the meaning set forth in section 23(b)(2) of this chapter;
- (3) "mini-mill" means a person, including a subsidiary of a corporation, that produces steel using an electric arc furnace in Indiana;
- (4) "permanently retired depreciable personal property" has the meaning set forth in section 23(b)(5) of this chapter;
- (5) "pool" has the meaning set forth in section 23(b)(6) of this chapter;
- (6) "mini-mill equipment" means depreciable personal property, other than special tools and permanently retired depreciable personal property, that is owned, leased, or used by a mini-mill or an entity that is at least fifty percent (50%) owned by an affiliate

of a mini-mill in the production of steel;

(7) "special tools" has the meaning set forth in section 23(b)(8) of this chapter; and

(8) "year of acquisition" for purposes of applying the table in section 23(c) of this chapter, has the meaning set forth in section 23(b)(9) of this chapter.

(b) Notwithstanding 50 IAC 4.2-4-4, 50 IAC 4.2-4-6, and 50 IAC 4.2-4-7, beginning with the January 1, 2023, assessment date, a taxpayer may elect to calculate the true tax value of the taxpayer's mini-mill equipment by multiplying the adjusted cost of that equipment by the applicable percentage set forth in the table designated as "Pool No. 5" under section 23(c) and 23(d) of this chapter.

(c) The percentage factors in the table under section 23(c) of this chapter automatically reflect all adjustments for depreciation and obsolescence, including abnormal obsolescence, for mini-mill equipment. The equipment is entitled to all exemptions, credits, and deductions for which it qualifies.

(d) The minimum valuation limitations under ~~50 IAC 4.2-4-9~~ **section 29 of this chapter** do not apply to mini-mill equipment valued under this section. The value of the equipment is not included in the calculation of that minimum valuation limitation for the taxpayer's other assessable depreciable personal property in the taxing district.

(e) An election to value mini-mill equipment under this section:

- (1) must be made by reporting the equipment under this section on a business personal property tax return;
- (2) applies to all of the taxpayer's mini-mill equipment located in the state (whether owned or leased, or used as an integrated part of the equipment); and
- (3) is binding on the taxpayer for the assessment date for which the election is made.

The department of local government finance shall prescribe the forms to make the election beginning with the January 1, 2023, assessment date. Any mini-mill equipment acquired by a taxpayer that has made an election under this section is valued under this section.

(f) If fifty percent (50%) or more of the adjusted cost of a taxpayer's property that would, notwithstanding this section, be reported in a pool other than "Pool No. 5" (as designated under section 23 of this chapter) is attributable to mini-mill equipment, the taxpayer may elect to calculate the true tax value of all of that property as mini-mill equipment. The true tax value of property for which an election is made under this subsection is calculated under subsections (b) through (e).

SECTION 10. IC 6-1.1-3-25, AS ADDED BY P.L.238-2017,

SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 25. (a) As used in this section, "district" refers to an entrepreneur and enterprise district designated under IC 5-28-15.5.

(b) Notwithstanding section 22(b) of this chapter and IC 6-1.1-8-44(b), assessable depreciable personal property that:

- (1) is located in a district;
- (2) is placed in service in the district by the owner of the property after the designation of the district under IC 5-28-15.5; and
- (3) is used within the district by one (1) or more employees who perform the majority of their service within the district;

is not subject to the valuation limitations in ~~50 IAC 4.2-4-9~~ **section 29 of this chapter** or ~~50 IAC 5.1-6-9~~ **IC 6-1.1-8-45**.

SECTION 11. IC 6-1.1-3-29 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: **Sec. 29. (a) This subsection applies only to a taxpayer's assessable depreciable personal property that is placed in service on or before January 1, 2025. Except as provided in subsections (b) and (c), for each assessment date, the total valuation of a taxpayer's assessable depreciable personal property in a single taxing district may not be less than thirty percent (30%) of the adjusted cost of all the taxpayer's assessable depreciable personal property in the taxing district.**

**(b) The limitation set forth in subsection (a) is to be applied before any special adjustment for abnormal obsolescence. The limitation does not apply to equipment not placed in service, special tooling, and permanently retired depreciable personal property.**

**(c) Depreciable personal property that is placed in service after January 1, 2025, is not subject to the minimum valuation limitation under this section. However, if depreciable personal property is placed in service after January 1, 2025, and:**

- (1) is located in an existing tax increment allocation area for which the base assessed value is determined before January 1, 2025; or**

SECTION 12. IC 6-1.1-4-4.5, AS AMENDED BY P.L.8-2022, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE

JANUARY 1, 2025 (RETROACTIVE)]: Sec. 4.5. (a) The department of local government finance shall adopt rules establishing a system for annually adjusting the assessed value of real property to account for changes in value in those years since a reassessment under section 4.2 of this chapter for the property last took effect.

(b) Subject to subsection (f), the system must be applied to adjust assessed values beginning with the 2006 assessment date and each year thereafter that is not a year in which a reassessment under section 4.2 of this chapter for the property becomes effective.

(c) The rules adopted under subsection (a) must include the following characteristics in the system:

- (1) Promote uniform and equal assessment of real property within and across classifications.
- (2) Require that assessing officials:
  - (A) reevaluate the factors that affect value;
  - (B) express the interactions of those factors mathematically;
  - (C) use mass appraisal techniques to estimate updated property values within statistical measures of accuracy; and
  - (D) provide notice to taxpayers of an assessment increase that results from the application of annual adjustments.
- (3) Prescribe procedures that permit the application of the adjustment percentages in an efficient manner by assessing officials.

(d) The department of local government finance must review and certify each annual adjustment determined under this section.

(e) For an assessment beginning after December 31, 2022, agricultural improvements such as but not limited to barns, grain bins, or silos on land assessed as agricultural shall not be adjusted using factors, such as neighborhood delineation, that are appropriate for use in adjusting residential, commercial, and industrial real property. Those portions of agricultural parcels that include land and buildings not used for an agricultural purpose, such as homes, homesites, and excess residential land and commercial or industrial land and buildings, shall be adjusted by the factor or factors developed for other similar property within the geographic stratification. The residential portion of agricultural properties shall be adjusted by the factors applied to similar residential purposes.

(f) In making the annual determination of the base rate to satisfy the requirement for an annual adjustment for each assessment date, the department of local government finance shall, not later than March 1 of each year, determine the base rate using the methodology reflected in Table 2-18 of Book 1, Chapter 2 of the department of local

government finance's Real Property Assessment Guidelines (as in effect on January 1, 2005), except that the department shall adjust the methodology as follows:

- (1) Use a six (6) year rolling average adjusted under subdivision (3) instead of a four (4) year rolling average.
- (2) Use the data from the six (6) most recent years preceding the year in which the assessment date occurs for which data is available, before one (1) of those six (6) years is eliminated under subdivision (3) when determining the rolling average.
- (3) Eliminate in the calculation of the rolling average the year among the six (6) years for which the highest market value in use of agricultural land is determined.
- (4) After determining a preliminary base rate that would apply for the assessment date without applying the adjustment under this subdivision, the department of local government finance shall adjust the preliminary base rate as follows:

(A) If the preliminary base rate for the assessment date would be at least ten percent (10%) greater than the final base rate determined for the preceding assessment date, a capitalization rate of:

**(i) for purposes of determining the preliminary base rate for the January 1, 2025, and the January 1, 2026, assessment dates, nine percent (9%); and**

**(ii) for purposes of determining the preliminary base rate for assessment dates before January 1, 2025, and for assessment dates after December 31, 2026, eight percent (8%);**

shall be used to determine the final base rate.

(B) If the preliminary base rate for the assessment date would be at least ten percent (10%) less than the final base rate determined for the preceding assessment date, a capitalization rate of six percent (6%) shall be used to determine the final base rate.

(C) If neither clause (A) nor clause (B) applies, a capitalization rate of seven percent (7%) shall be used to determine the final base rate.

(D) In the case of a market value in use for a year that is used in the calculation of the six (6) year rolling average under subdivision (1) for purposes of determining the base rate for the assessment date:

(i) that market value in use shall be recalculated by using the capitalization rate determined under clauses (A) through (C)

for the calculation of the base rate for the assessment date;  
and

(ii) the market value in use recalculated under item (i) shall be used in the calculation of the six (6) year rolling average under subdivision (1).

(g) For assessment dates after December 31, 2009, an adjustment in the assessed value of real property under this section shall be based on the estimated true tax value of the property on the assessment date that is the basis for taxes payable on that real property.

(h) The department shall release the department's annual determination of the base rate on or before March 1 of each year.

SECTION 13. IC 6-1.1-8-44, AS AMENDED BY P.L.38-2021, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 44. (b) Tangible personal property within the scope of 50 IAC 5.1 (as in effect January 1, 2001) shall be assessed on the assessment dates in calendar years 2003 and thereafter in conformity with 50 IAC 5.1 (as in effect January 1, 2001).

(c) The publisher of the Indiana Administrative Code shall publish 50 IAC 5.1 (as in effect January 1, 2001) in the Indiana Administrative Code.

(d) 50 IAC 5.2 and any other rule to the extent that it conflicts with this section is void.

(e) A reference in 50 IAC 5.1 to a governmental entity that has been terminated or a statute that has been repealed or amended shall be treated as a reference to its successor.

However, the department of local government finance may amend these rules to reflect statutory changes.

**(g) Notwithstanding any other provision of this section, the department of local government finance shall adopt rules**

**amending 50 IAC 5.1 to reflect the enactment of section 45 of this chapter.**

Except as provided in subsections (b) and (c), for each assessment date, the total valuation of a taxpayer's assessable depreciable personal property in a single taxing district may not be less than thirty percent (30%) of the adjusted cost of all the taxpayer's assessable depreciable property in the taxing district.**

**(b) The limitation set forth in subsection (a) is to be applied before any special adjustment for abnormal obsolescence. The limitation does not apply to equipment not placed in service, special tooling, and permanently retired depreciable personal property.**

**(c) Depreciable personal property that is placed in service after January 1, 2025, is not subject to the minimum valuation limitation under this section. However, if depreciable personal property is placed in service after January 1, 2025, and:**

**the depreciable personal property remains subject to the minimum valuation limitations under this section.**

SECTION 37. IC 6-1.1-12-28.5, AS AMENDED BY P.L.146-2008, SECTION 112, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 28.5. (a) For purposes of this section:

- (1) "Hazardous waste" has the meaning set forth in IC 13-11-2-99(a) and includes a waste determined to be a hazardous waste under IC 13-22-2-3(b).
- (2) "Resource recovery system" means tangible property directly used to dispose of solid waste or hazardous waste by converting it into energy or other useful products.
- (3) "Solid waste" has the meaning set forth in IC 13-11-2-205(a) but does not include dead animals or any animal solid or semisolid wastes.

(b) Except as provided in this section, the owner of a resource recovery system is entitled to an annual deduction in an amount equal to ninety-five percent (95%) of the assessed value of the system if:

- (1) the system was certified by the department of environmental management for the 1993 assessment year or a prior assessment year; and
- (2) the owner filed a timely application for the deduction for the 1993 assessment year.

For purposes of this section, a system includes tangible property that

replaced tangible property in the system after the certification by the department of environmental management.

(c) The owner of a resource recovery system that is directly used to dispose of hazardous waste is not entitled to the deduction provided by this section for a particular assessment year if during that assessment year the owner:

- (1) is convicted of any violation under IC 13-7-13-3 (repealed), IC 13-7-13-4 (repealed), or a criminal statute under IC 13; or
- (2) is subject to an order or a consent decree with respect to property located in Indiana based upon a violation of a federal or state rule, regulation, or statute governing the treatment, storage, or disposal of hazardous wastes that had a major or moderate potential for harm.

(d) The certification of a resource recovery system by the department of environmental management for the 1993 assessment year or a prior assessment year is valid through the 1997 assessment year so long as the property is used as a resource recovery system. If the property is no longer used for the purpose for which the property was used when the property was certified, the owner of the property shall notify the county auditor. However, the deduction from the assessed value of the system is:

- (1) ninety-five percent (95%) for the 1994 assessment year;
- (2) ninety percent (90%) for the 1995 assessment year;
- (3) seventy-five percent (75%) for the 1996 assessment year; and
- (4) sixty percent (60%) for the 1997 assessment year.

Notwithstanding this section as it existed before 1995, for the 1994 assessment year, the portion of any tangible property comprising a resource recovery system that was assessed and first deducted for the 1994 assessment year may not be deducted for property taxes first due and payable in 1995 or later.

(e) In order to qualify for a deduction under this section, the person who desires to claim the deduction must file an application with the county auditor after February 28 and before May 16 of the current assessment year. An application must be filed in each year for which the person desires to obtain the deduction. The application may be filed in person or by mail. If mailed, the mailing must be postmarked on or before the last day for filing. If the application is not filed before the applicable deadline under this subsection, the deduction is waived. The application must be filed on a form prescribed by the department of local government finance. The application for a resource recovery system deduction must include:

- (1) a certification by the department of environmental

management for the 1993 assessment year or a prior assessment year as described in subsection (d); or

(2) the certification by the department of environmental management for the 1993 assessment year as described in subsection (g).

Beginning with the 1995 assessment year a person must also file an itemized list of all property on which a deduction is claimed. The list must include the date of purchase of the property and the cost to acquire the property.

(f) Before July 1, 1995, the department of environmental management shall transfer all the applications, records, or other material the department has with respect to resource recovery system deductions under this section for the 1993 and 1994 assessment years. The township assessor, or the county assessor if there is no township assessor for the township, shall verify each deduction application filed under this section and the county auditor shall determine the deduction. The county auditor shall send to the department of local government finance a copy of each deduction application. The county auditor shall notify the county property tax assessment board of appeals of all deductions allowed under this section. A denial of a deduction claimed under this subsection may be appealed as provided in IC 6-1.1-15. The appeal is limited to a review of a determination made by the township assessor, the county assessor, or the county auditor.

(g) Notwithstanding subsection (d), the certification for the 1993 assessment year of a resource recovery system in regard to which a political subdivision is liable for the payment of the property taxes remains valid at the ninety-five percent (95%) deduction level allowed before 1994 as long as the political subdivision remains liable for the payment of the property taxes on the system.

**(h) This section applies only to property taxes imposed for an assessment date before January 1, 2025.**

**(i) This section expires January 1, 2027.**

**(E) in 2029, ten thousand dollars (\$10,000).**

**Beginning with the 2030 assessment date, and each assessment date thereafter, the deduction amount under this section is zero (0). Application of the phase down under this section for assessment dates after December 31, 2024, with regard to mobile homes that are not assessed as real property and manufactured homes not assessed as real property shall be construed and applied in the same manner in terms of timing and consistent with its application for real property.**

The statement may be filed in person or by mail. If the statement is mailed, the mailing must be postmarked on or before the last day for filing. The statement applies for that first year and any succeeding year for which the deduction is allowed. ~~To obtain the deduction for a desired calendar year in which property taxes are first due and payable, the statement must be completed and dated in the immediately preceding calendar year and filed with the county auditor on or before January 5 of the calendar year in which the property taxes are first due and payable.~~

(f) *To obtain the deduction for a desired calendar year under this section in which property taxes are first due and payable, the individual desiring to claim the deduction must do the following as applicable:*

(1) *Complete, date, and file the certified statement described in*

*subsection (e) on or before January 15 of the calendar year in which the property taxes are first due and payable.*

*(2) Satisfy any recording requirements on or before January 15 of the calendar year in which the property taxes are first due and payable for a homestead described in subsection (a)(2).*

~~(f)~~ (g) Except as provided in subsection ~~(f)~~, (l), if a person who is receiving, or seeks to receive, the deduction provided by this section in the person's name:

(1) changes the use of the individual's property so that part or all of the property no longer qualifies for the deduction under this section; or

(2) is not eligible for a deduction under this section because the person is already receiving:

(A) a deduction under this section in the person's name as an individual or a spouse; or

(B) a deduction under the law of another state that is equivalent to the deduction provided by this section;

the person must file a certified statement with the auditor of the county, notifying the auditor of the person's ineligibility, not more than sixty (60) days after the date of the change in eligibility. A person who fails to file the statement required by this subsection may, under IC 6-1.1-36-17, be liable for any additional taxes that would have been due on the property if the person had filed the statement as required by this subsection plus a civil penalty equal to ten percent (10%) of the additional taxes due. The civil penalty imposed under this subsection is in addition to any interest and penalties for a delinquent payment that might otherwise be due. One percent (1%) of the total civil penalty collected under this subsection shall be transferred by the county to the department of local government finance for use by the department in establishing and maintaining the homestead property data base under subsection ~~(f)~~ (j) and, to the extent there is money remaining, for any other purposes of the department. This amount becomes part of the property tax liability for purposes of this article.

~~(g)~~ (h) The department of local government finance may adopt rules or guidelines concerning the application for a deduction under this section.

~~(h)~~ (i) This subsection does not apply to property in the first year for which a deduction is claimed under this section if the sole reason that a deduction is claimed on other property is that the individual or married couple maintained a principal residence at the other property on the assessment date in the same year in which an application for a deduction is filed under this section or, if the application is for a

homestead that is assessed as personal property, on the assessment date in the immediately preceding year and the individual or married couple is moving the individual's or married couple's principal residence to the property that is the subject of the application. Except as provided in subsection ~~(k)~~ (l), the county auditor may not grant an individual or a married couple a deduction under this section if:

- (1) the individual or married couple, for the same year, claims the deduction on two (2) or more different applications for the deduction; and
- (2) the applications claim the deduction for different property.

~~(j)~~ (j) The department of local government finance shall provide secure access to county auditors to a homestead property data base that includes access to the homestead owner's name and the numbers required from the homestead owner under subsection (e)(4) for the sole purpose of verifying whether an owner is wrongly claiming a deduction under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or IC 6-3.6-5 ~~(after December 31, 2016):~~ **(before its expiration)**. Each county auditor shall submit data on deductions applicable to the current tax year on or before March 15 of each year in a manner prescribed by the department of local government finance.

~~(k)~~ (k) A county auditor may require an individual to provide evidence proving that the individual's residence is the individual's principal place of residence as claimed in the certified statement filed under subsection (e). The county auditor may limit the evidence that an individual is required to submit to a state income tax return, a valid driver's license, or a valid voter registration card showing that the residence for which the deduction is claimed is the individual's principal place of residence. The county auditor may not deny an application filed under section 44 of this chapter because the applicant does not have a valid driver's license or state identification card with the address of the homestead property. The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property owner's principal place of residence is outside Indiana.

~~(l)~~ (l) A county auditor shall grant an individual a deduction under this section regardless of whether the individual and the individual's spouse claim a deduction on two (2) different applications and each application claims a deduction for different property if the property owned by the individual's spouse is located outside Indiana and the individual files an affidavit with the county auditor containing the

following information:

- (1) The names of the county and state in which the individual's spouse claims a deduction substantially similar to the deduction allowed by this section.
- (2) A statement made under penalty of perjury that the following are true:
  - (A) That the individual and the individual's spouse maintain separate principal places of residence.
  - (B) That neither the individual nor the individual's spouse has an ownership interest in the other's principal place of residence.
  - (C) That neither the individual nor the individual's spouse has, for that same year, claimed a standard or substantially similar deduction for any property other than the property maintained as a principal place of residence by the respective individuals.

A county auditor may require an individual or an individual's spouse to provide evidence of the accuracy of the information contained in an affidavit submitted under this subsection. The evidence required of the individual or the individual's spouse may include state income tax returns, excise tax payment information, property tax payment information, ~~driver~~ **driver's** license information, and voter registration information.

~~(m)~~ (m) If:

- (1) a property owner files a statement under subsection (e) to claim the deduction provided by this section for a particular property; and
  - (2) the county auditor receiving the filed statement determines that the property owner's property is not eligible for the deduction;
- the county auditor shall inform the property owner of the county auditor's determination in writing. If a property owner's property is not eligible for the deduction because the county auditor has determined that the property is not the property owner's principal place of residence, the property owner may appeal the county auditor's determination as provided in IC 6-1.1-15. The county auditor shall inform the property owner of the owner's right to appeal when the county auditor informs the property owner of the county auditor's determination under this subsection.

~~(m)~~ (n) An individual is entitled to the deduction under this section for a homestead for a particular assessment date if:

- (1) either:
  - (A) the individual's interest in the homestead as described in subsection (a)(2)(B) is conveyed to the individual after the

assessment date, but within the calendar year in which the assessment date occurs; or

(B) the individual contracts to purchase the homestead after the assessment date, but within the calendar year in which the assessment date occurs;

(2) on the assessment date:

(A) the property on which the homestead is currently located was vacant land; or

(B) the construction of the dwelling that constitutes the homestead was not completed; and

(3) either:

(A) the individual files the certified statement required by subsection (e); or

(B) a sales disclosure form that meets the requirements of section 44 of this chapter is submitted to the county assessor on or before December 31 of the calendar year for the individual's purchase of the homestead.

An individual who satisfies the requirements of subdivisions (1) through (3) is entitled to the deduction under this section for the homestead for the assessment date, even if on the assessment date the property on which the homestead is currently located was vacant land or the construction of the dwelling that constitutes the homestead was not completed. The county auditor shall apply the deduction for the assessment date and for the assessment date in any later year in which the homestead remains eligible for the deduction. A homestead that qualifies for the deduction under this section as provided in this subsection is considered a homestead for purposes of section 37.5 of this chapter and IC 6-1.1-20.6.

~~(m)~~ (o) This subsection applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013. Notwithstanding any other provision of this section, an individual buying a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property under a contract providing that the individual is to pay the property taxes on the mobile home or manufactured home is not entitled to the deduction provided by this section unless the parties to the contract comply with IC 9-17-6-17.

~~(n)~~ (p) This subsection:

(1) applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013; and

(2) does not apply to an individual described in subsection ~~(m)~~.

(o).

The owner of a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property must attach a copy of the owner's title to the mobile home or manufactured home to the application for the deduction provided by this section.

~~(p)~~ (q) For assessment dates after 2013, the term "homestead" includes property that is owned by an individual who:

- (1) is serving on active duty in any branch of the armed forces of the United States;
- (2) was ordered to transfer to a location outside Indiana; and
- (3) was otherwise eligible, without regard to this subsection, for the deduction under this section for the property for the assessment date immediately preceding the transfer date specified in the order described in subdivision (2).

For property to qualify under this subsection for the deduction provided by this section, the individual described in subdivisions (1) through (3) must submit to the county auditor a copy of the individual's transfer orders or other information sufficient to show that the individual was ordered to transfer to a location outside Indiana. The property continues to qualify for the deduction provided by this section until the individual ceases to be on active duty, the property is sold, or the individual's ownership interest is otherwise terminated, whichever occurs first. Notwithstanding subsection (a)(2), the property remains a homestead regardless of whether the property continues to be the individual's principal place of residence after the individual transfers to a location outside Indiana. The property continues to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana and is serving on active duty, if the individual has lived at the property at any time during the past ten (10) years. Otherwise, the property ceases to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana. Property that qualifies as a homestead under this subsection shall also be construed as a homestead for purposes of section 37.5 of this chapter.

~~(q)~~ (r) As used in this section, "homestead" includes property that satisfies each of the following requirements:

- (1) The property is located in Indiana and consists of a dwelling and includes up to one (1) acre of land immediately surrounding that dwelling, and any of the following improvements:
  - (A) Any number of decks, patios, gazebos, or pools.
  - (B) One (1) additional building that is not part of the dwelling if the building is predominately used for a residential purpose

and is not used as an investment property or as a rental property.

(C) One (1) additional residential yard structure other than a deck, patio, gazebo, or pool.

(2) The property is the principal place of residence of an individual.

(3) The property is owned by an entity that is not described in subsection (a)(2)(B).

(4) The individual residing on the property is a shareholder, partner, or member of the entity that owns the property.

(5) The property was eligible for the standard deduction under this section on March 1, 2009.

of the assessed value determined under subsection (a) that is more than six hundred thousand dollars (\$600,000).

**(c) This subsection applies to taxes first due and payable after December 31, 2025.** The amount of the deduction under this section is equal to:

**(2) the following:**

**(A) Forty percent (40%) for taxes first due and payable in 2026.**

(b) As used in this section, "inventory" has the meaning set forth in IC 6-1.1-3-11 (repealed).

SECTION 53. IC 6-1.1-12.1-4.5, AS AMENDED BY P.L.8-2022, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 4.5. (a) An applicant must provide a statement of benefits to the designating body. The applicant must provide the completed statement of benefits form to the designating body before the hearing specified in section 2.5(c) of this chapter or before the installation of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment for which the person desires to claim a deduction under this chapter. The department of local government finance shall prescribe a form for the statement of benefits. The statement of benefits must include the following information:

(1) A description of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment that the person proposes to acquire. A statement of benefits for new farm equipment must describe each piece of new farm equipment with sufficient detail to afford identification.

(2) With respect to:

(A) new manufacturing equipment not used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products; and

(B) new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment;

an estimate of the number of individuals who will be employed or whose employment will be retained by the person as a result of the installation of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment and an estimate of the annual salaries of these individuals.

(3) An estimate of the cost of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(4) With respect to new manufacturing equipment used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products, an estimate of the amount of solid waste or hazardous waste that will be converted into energy or other useful products by the new manufacturing equipment.

The statement of benefits may be incorporated in a designation application. Notwithstanding any other law, a statement of benefits is a public record that may be inspected and copied under IC 5-14-3-3.

(b) The designating body must review the statement of benefits required under subsection (a). The designating body shall determine whether an area should be designated an economic revitalization area or whether the deduction shall be allowed, based on (and after it has made) the following findings:

(1) Whether the estimate of the cost of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment is reasonable for equipment of that type.

(2) With respect to:

(A) new manufacturing equipment not used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products; and

(B) new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment;

whether the estimate of the number of individuals who will be employed or whose employment will be retained can be reasonably expected to result from the installation of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(3) Whether the estimate of the annual salaries of those individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed installation of new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology

equipment.

(4) With respect to new manufacturing equipment used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products, whether the estimate of the amount of solid waste or hazardous waste that will be converted into energy or other useful products can be reasonably expected to result from the installation of the new manufacturing equipment.

(5) Whether any other benefits about which information was requested are benefits that can be reasonably expected to result from the proposed installation of new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(6) Whether the totality of benefits is sufficient to justify the deduction.

The designating body may not designate an area an economic revitalization area or approve the deduction unless it makes the findings required by this subsection in the affirmative.

(c) Except as provided in subsection (f), and subject to subsection (g) and section 15 of this chapter, an owner of new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment whose statement of benefits is approved is entitled to a deduction from the assessed value of that equipment for the number of years determined by the designating body under section 17 or 18 of this chapter. Except as provided in subsection (d) and in section 2(i)(3) of this chapter, and subject to subsection (g) and section 15 of this chapter, the amount of the deduction that an owner is entitled to for a particular year equals the product of:

- (1) the assessed value of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment in the year of deduction under the abatement schedule established under section 17 or 18 of this chapter; multiplied by
- (2) the percentage prescribed by the designating body under section 17 or 18 of this chapter.

(d) With respect to new manufacturing equipment and new research and development equipment installed before March 2, 2001, the deduction under this section is the amount that causes the net assessed value of the property after the application of the deduction under this section to equal the net assessed value after the application of the

deduction under this section that results from computing:

- (1) the deduction under this section as in effect on March 1, 2001;  
and
- (2) the assessed value of the property under 50 IAC 4.2, as in effect on March 1, 2001, or, in the case of property subject to IC 6-1.1-8, 50 IAC 5.1, as in effect on March 1, 2001.

(e) The designating body shall determine the number of years the deduction is allowed under section 17 or 18 of this chapter. Except as provided by section 18 of this chapter, the deduction may not be allowed for more than ten (10) years. This determination shall be made:

- (1) as part of the resolution adopted under section 2.5 of this chapter; or
- (2) by resolution adopted within sixty (60) days after receiving a copy of a property owner's certified deduction application from the county auditor. A certified copy of the resolution shall be sent to the county auditor.

A determination about the number of years the deduction is allowed that is made under subdivision (1) is final and may not be changed by following the procedure under subdivision (2).

(f) The owner of new manufacturing equipment that is directly used to dispose of hazardous waste is not entitled to the deduction provided by this section for a particular assessment year if during that assessment year the owner:

- (1) is convicted of a criminal violation under IC 13, including IC 13-7-13-3 (repealed) or IC 13-7-13-4 (repealed); or
- (2) is subject to an order or a consent decree with respect to property located in Indiana based on a violation of a federal or state rule, regulation, or statute governing the treatment, storage, or disposal of hazardous wastes that had a major or moderate potential for harm.

(g) For purposes of subsection (c), the assessed value of new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment that is part of an owner's assessable depreciable personal property in a single taxing district subject to the valuation limitation in ~~50 IAC 4.2-4-9~~ **IC 6-1.1-3-29** or ~~50 IAC 5.1-6-9~~ **IC 6-1.1-8-45** is the product of:

- (1) the assessed value of the equipment determined without regard to the valuation limitation in ~~50 IAC 4.2-4-9~~ **IC 6-1.1-3-29** or ~~50 IAC 5.1-6-9~~ **IC 6-1.1-8-45**; multiplied by
- (2) the quotient of:
  - (A) the amount of the valuation limitation determined under

~~50 IAC 4.2-4-9 IC 6-1.1-3-29~~ or ~~50 IAC 5.1-6-9 IC 6-1.1-8-45~~ for all of the owner's depreciable personal property in the taxing district; divided by

(B) the total true tax value of all of the owner's depreciable personal property in the taxing district that is subject to the valuation limitation in ~~50 IAC 4.2-4-9 IC 6-1.1-3-29~~ or ~~50 IAC 5.1-6-9 IC 6-1.1-8-45~~ determined:

(i) under the depreciation schedules in the rules of the department of local government finance before any adjustment for abnormal obsolescence; and

(ii) without regard to the valuation limitation in ~~50 IAC 4.2-4-9 IC 6-1.1-3-29~~ or ~~50 IAC 5.1-6-9 IC 6-1.1-8-45~~.

SECTION 54. IC 6-1.1-12.1-6, AS AMENDED BY P.L.181-2016, SECTION 12, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 6. (a) A property owner may not receive a deduction under this chapter for repairs or improvements to real property if the property owner receives a deduction under either IC 6-1.1-12-18 (before its expiration) or IC 6-1.1-12-22 (before its expiration) for those same repairs or improvements. This subsection expires January 1, 2033.

(b) A property owner may not receive a deduction under this chapter if the property owner receives a deduction under IC 6-1.1-12-28.5 **(before its expiration)** for the same property.

SECTION 55. IC 6-1.1-17-3, AS AMENDED BY P.L.220-2021, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 3. (a) The proper officers of a political subdivision shall formulate its estimated budget and its proposed tax rate and tax levy on the form prescribed by the department of local government finance and approved by the state board of accounts. In formulating a political subdivision's estimated budget under this section, the proper officers of the political subdivision must consider the net property tax revenue that will be collected by the political subdivision during the ensuing year, after taking into account the estimate by the department of local government finance under IC 6-1.1-20.6-11.1 of the amount by which the political subdivision's distribution of property taxes will be reduced by credits under IC 6-1.1-20.6-9.5 in the ensuing year, after taking into account the estimate by the department of local government finance under section 0.7 of this chapter of the maximum amount of net property tax revenue and miscellaneous revenue that the political subdivision will receive in the ensuing year, and after taking into account all payments for debt service obligations that are to be made

by the political subdivision during the ensuing year. The political subdivision or appropriate fiscal body, if the political subdivision is subject to section 20 of this chapter, shall submit the following information to the department's computer gateway:

- (1) The estimated budget.
- (2) The estimated maximum permissible levy, as provided by the department under IC 6-1.1-18.5-24.
- (3) The current and proposed tax levies of each fund.
- (4) The percentage change between the current and proposed tax levies of each fund.
- (5) The amount by which the political subdivision's distribution of property taxes may be reduced by credits granted under IC 6-1.1-20.6, as estimated by the department of local government finance under IC 6-1.1-20.6-11.1.
- (6) The amounts of excessive levy appeals to be requested.
- (7) The time and place at which the political subdivision or appropriate fiscal body will hold a public hearing on the items described in subdivisions (1) through (6).
- (8) The amount of any increase in the tax rate and tax levies of the political subdivision in an ordinance adopted under section 23 of this chapter.**
- ~~(8)~~ **(9)** The time and place at which the political subdivision or appropriate fiscal body will meet to fix the budget, tax rate, and levy under section 5 of this chapter.
- ~~(9)~~ **(10)** The date, time, and place of the final adoption of the budget, tax rate, and levy under section 5 of this chapter.

Except as provided in section 5.6(b) of this chapter, the political subdivision or appropriate fiscal body shall submit this information to the department's computer gateway at least ten (10) days before the public hearing required by this subsection in the manner prescribed by the department. If the date, time, or place of the final adoption subsequently changes, the political subdivision shall update the information submitted to the department's computer gateway. The department shall make this information available to taxpayers, at least ten (10) days before the public hearing, through its computer gateway and provide a telephone number through which taxpayers may request mailed copies of a political subdivision's information under this subsection. The department's computer gateway must allow a taxpayer to search for the information under this subsection by the taxpayer's address. The department shall review only the submission to the department's computer gateway for compliance with this section.

- (b) The board of directors of a solid waste management district

established under IC 13-21 or IC 13-9.5-2 (before its repeal) may conduct the public hearing required under subsection (a):

- (1) in any county of the solid waste management district; and
- (2) in accordance with the annual notice of meetings published under IC 13-21-5-2.

(c) The trustee of each township in the county shall estimate the amount necessary to meet the cost of township assistance in the township for the ensuing calendar year. The township board shall, **subject to section 23 of this chapter**, adopt with the township budget a tax rate sufficient to meet the estimated cost of township assistance. The taxes collected as a result of the tax rate adopted under this subsection are credited to the township assistance fund.

(d) A political subdivision for which any of the information under subsection (a) is not submitted to the department's computer gateway in the manner prescribed by the department shall have its most recent annual appropriations and annual tax levy continued for the ensuing budget year.

(e) If a political subdivision or appropriate fiscal body timely submits the information under subsection (a) but subsequently discovers the information contains an error, the political subdivision or appropriate fiscal body may submit amended information to the department's computer gateway. However, submission of an amendment to information described in subsection (a)(1) through (a)(7) must occur at least ten (10) days before the public hearing held under subsection (a), and submission of an amendment to information described in subsection (a)(8) **through (a)(9)** must occur at least twenty-four (24) hours before the time in which the meeting to fix the budget, tax rate, and levy was originally advertised to commence.

(f) Each year, the governing body of a school corporation that imposes property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project under IC 6-1.1-20, property taxes under an operating referendum tax levy under IC 20-46-1, or property taxes under a school safety referendum tax levy under IC 20-46-9, shall submit the following information at least ten (10) days before the public hearing required by subsection (a) in the manner prescribed by the department:

- (1) the purposes specified in the public question submitted to the voters or any revenue spending plans adopted under IC 6-1.1-20-13, IC 20-46-1-8, or IC 20-46-9-6 for:
  - (A) debt service on bonds or lease rentals on a lease for a controlled project under IC 6-1.1-20;
  - (B) an operating referendum tax levy approved by the voters

- of the school corporation under IC 20-46-1; or
- (C) a school safety referendum tax levy approved by the voters of the school corporation under IC 20-46-9;
- as applicable; and
- (2) the debt service levy fund, operating referendum tax levy fund, or school safety referendum tax levy fund of the school corporation, whichever is applicable;

to show whether the school corporation is using revenue collected from the referendum tax levy in the amounts and for the purposes established in the purposes specified in the public question submitted to the voters or the revenue spending plan, as applicable. The department shall make this information available to taxpayers at least ten (10) days before the public hearing.

SECTION 56. IC 6-1.1-17-16, AS AMENDED BY P.L.9-2024, SECTION 169, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 16. (a) The department of local government finance shall certify the tax rates and tax levies for all funds of political subdivisions subject to the department of local government finance's review.

(b) For a fund of a political subdivision subject to levy limits under IC 6-1.1-18.5-3, the department of local government finance shall calculate and certify the allowable budget of the fund if the political subdivision adopts a tax levy that exceeds the estimated maximum levy limits as provided by the department of local government finance under IC 6-1.1-18.5-24.

(c) For a fund of a political subdivision subject to levy limits under IC 6-1.1-18.5-3 and for which the political subdivision adopts a tax levy that is not more than the levy limits under IC 6-1.1-18.5-3, the department of local government finance shall review the fund to ensure the adopted budget is fundable based on the unit's adopted tax levy and estimates of available revenues. If the adopted budget is fundable, the department of local government finance shall use the adopted budget as the approved appropriation for the fund for the budget year. As needed, the political subdivision may complete the additional appropriation process through IC 6-1.1-18-5 for these funds during the budget year.

(d) For a fund of the political subdivision subject to levy limits under IC 6-1.1-18.5-3 and for which the political subdivision adopts a tax levy that is not more than the levy limits under IC 6-1.1-18.5-3, if the department of local government finance has determined the adopted budget is not fundable based on the unit's adopted tax levy and estimates of available revenues, the department of local government

finance shall calculate and certify the allowable budget that is fundable based on the adopted tax levy and the department's estimates of available revenues.

(e) For all other funds of a political subdivision not described in subsections (b), (c), and (d), the department of local government finance shall certify a budget for the fund.

(f) Except as provided in section 16.1 of this chapter, the department of local government finance is not required to hold a public hearing before the department of local government finance reviews, revises, reduces, or increases a political subdivision's budget by fund, tax rate, or tax levy under this section.

(g) Except as provided in subsection (l), IC 20-46, or IC 6-1.1-18.5, the department of local government finance may not increase a political subdivision's budget by fund, tax rate, or tax levy to an amount which exceeds the amount originally fixed by the political subdivision. However, if the department of local government finance determines that IC 5-3-1-2.3(b) applies to the tax rate, tax levy, or budget of the political subdivision, the maximum amount by which the department may increase the tax rate, tax levy, or budget is the amount originally fixed by the political subdivision, and not the amount that was incorrectly published or omitted in the notice described in IC 5-3-1-2.3(b). The department of local government finance shall give the political subdivision notification electronically in the manner prescribed by the department of local government finance specifying any revision, reduction, or increase the department proposes in a political subdivision's tax levy or tax rate. The political subdivision has ten (10) calendar days from the date the political subdivision receives the notice to provide a response electronically in the manner prescribed by the department of local government finance. The response may include budget reductions, reallocation of levies, a revision in the amount of miscellaneous revenues, and further review of any other item about which, in the view of the political subdivision, the department is in error. The department of local government finance shall consider the adjustments as specified in the political subdivision's response if the response is provided as required by this subsection and shall deliver a final decision to the political subdivision. The department of local government finance may not consider any adjustments that are suggested by the political subdivision after the expiration of the ten (10) day period allowed for the political subdivision's response.

(h) The department of local government finance may not approve a levy for lease payments by a city, town, county, library, or school

corporation if the lease payments are payable to a building corporation for use by the building corporation for debt service on bonds and if:

- (1) no bonds of the building corporation are outstanding; or
- (2) the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested.

(i) The department of local government finance shall certify its action to:

- (1) the county auditor;
- (2) if the budget and levy of the political subdivision are being continued:
  - (A) the state board of accounts;
  - (B) the state comptroller; and
  - (C) the department of state revenue;
- (3) the political subdivision if the department acts pursuant to an appeal initiated by the political subdivision; and
- (4) a taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.

(j) The following may petition for judicial review of the final determination of the department of local government finance under subsection (i):

- (1) If the department acts under an appeal initiated by a political subdivision, the political subdivision.
- (2) A taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.

The petition must be filed in the tax court not more than forty-five (45) days after the department certifies its action under subsection (i).

(k) The department of local government finance is expressly directed to complete the duties assigned to it under this section as follows:

- (1) Not later than December 31 of the year preceding that budget year, unless subdivision (2) applies.
- (2) Not later than January 15 of the budget year if any of the following are true:
  - (A) A taxing unit in a county intends to issue debt after December 1 in the year preceding the budget year and has indicated its intent to issue debt after December 1 in the year preceding the budget year as specified in section 5 of this chapter.
  - (B) A taxing unit intends to file a shortfall appeal under

IC 6-1.1-18.5-16 and has indicated its intent to file a shortfall appeal as specified in section 5 of this chapter.

(C) The deadline for a city in the county to fix the budget, tax rate, and tax levy has been extended, in accordance with section 5.2 of this chapter, due to the executive's veto of the ordinance fixing the budget, tax rate, and tax levy.

(l) Subject to the provisions of all applicable statutes, and notwithstanding IC 6-1.1-18-1, the department of local government finance shall, unless the department finds extenuating circumstances, increase a political subdivision's tax levy to an amount that exceeds the amount originally advertised or adopted by the political subdivision if:

- (1) the increase is requested in writing by the officers of the political subdivision;
- (2) the request includes:
  - (A) the corrected budget, tax rate, or levy, as applicable; and
  - (B) the time and place of the meeting described in subdivision (4);
- (3) the political subdivision publishes the requested increase on the department's advertising website;
- (4) the political subdivision adopts the needed changes to its budget, tax levy, or rate in a public meeting of the governing body; and
- (5) notice is given to the county fiscal body of the department's correction.

The political subdivision shall publish notice of the meeting described in subdivision (4) on the Indiana transparency website in the manner prescribed by the department not later than forty-eight (48) hours (excluding weekends and holidays) before the meeting. If the department increases a levy beyond what was advertised or adopted under this subsection, it shall, unless the department finds extenuating circumstances, reduce the certified levy affected below the maximum allowable levy by the lesser of five percent (5%) of the difference between the advertised or adopted levy and the increased levy, or one hundred thousand dollars (\$100,000).

**(m) If the department of local government finance has determined that the proposed tax levy for a political subdivision's budget exceeds the permissible tax levy for the political subdivision under section 23 of this chapter, the department of local government finance shall calculate and certify the allowable tax levy and tax rate for the political subdivision based on the provisions in section 23 of this chapter.**

SECTION 57. IC 6-1.1-17-17, AS AMENDED BY P.L.146-2008,

SECTION 161, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 17. Subject to the limitations contained in IC 6-1.1-18.5 and IC 20-46, **and notwithstanding section 23 of this chapter**, the department of local government finance may at any time increase the tax rate and tax levy of a political subdivision for the following reasons:

- (1) To pay the principal or interest upon a funding, refunding, or judgment funding obligation of a political subdivision.
- (2) To pay the interest or principal upon an outstanding obligation of the political subdivision.
- (3) To pay a judgment rendered against the political subdivision.
- (4) To pay lease rentals that have become an obligation of the political subdivision under IC 20-47-2 or IC 20-47-3.

SECTION 58. IC 6-1.1-17-23 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: **Sec. 23. (a) This section applies beginning after December 31, 2028, to the formulation and adoption of a budget, tax rate, and tax levy under this chapter.**

**(b) Notwithstanding any growth in a political subdivision's assessed value in the previous year, the ad valorem property tax levy for the budget of a political subdivision shall not exceed the ad valorem property tax levy for its last preceding annual budget, except as provided in subsections (c) and (d).**

**(c) The fiscal body of a political subdivision may by ordinance authorize the proper officers of the political subdivision to formulate and submit a budget, tax rate, and tax levy under section 3 of this chapter that exceeds the ad valorem property tax levy restriction in subsection (b), subject to all other limits under this article, if the following conditions are met:**

- (1) The fiscal body of the political subdivision must hold a public hearing at which the only item on the agenda is the proposal to adopt an ordinance under this subsection. The hearing shall be conducted in accordance with IC 5-14-1.5, and notice of the hearing shall be published in accordance with IC 5-3-1.**
- (2) After conducting a public hearing under subdivision (1) and subject to subdivision (3), the fiscal body of the political subdivision may adopt an ordinance under this subsection, which must contain:**
  - (A) a general statement of the reasons for the tax levy and tax rate increase;**
  - (B) the dollar amount of the tax levy increase; and**

(C) the percentage increase in the tax rate from the previous year.

(3) An ordinance may not be adopted under this section after the date that is fifteen (15) days before the public hearing under section 3 of this chapter.

(d) If an ordinance is adopted by the fiscal body of a political subdivision under subsection (c), the limitation in subsection (b) shall not apply and instead the ad valorem property tax levy for the budget of the political subdivision shall not exceed the sum of:

(1) the ad valorem property tax levy for the political subdivision's last preceding annual budget; plus

(2) the additional ad valorem property tax levy authorized in the ordinance adopted by the fiscal body under subsection (c);

subject to all other limits under this article.

(e) The provisions of this section shall be applied to decrease the tax rate of each political subdivision in which there was an increase in the political subdivision's assessed value in the previous year, subject to subsections (c) and (d).

SECTION 59. IC 6-1.1-18.5-2, AS AMENDED BY P.L.239-2023, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) As used in this section, "Indiana nonfarm personal income" means the estimate of total nonfarm personal income for Indiana in a calendar year as computed by the federal Bureau of Economic Analysis using any actual data for the calendar year and any estimated data determined appropriate by the federal Bureau of Economic Analysis.

(b) Except as provided in subsections (c) and (e), for purposes of determining a civil taxing unit's maximum permissible ad valorem property tax levy for an ensuing calendar year, the civil taxing unit shall use the maximum levy growth quotient determined in the last STEP of the following STEPS:

STEP ONE: For each of the six (6) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 for the ensuing calendar year, divide the Indiana nonfarm personal income for the calendar year by the Indiana nonfarm personal income for the calendar year immediately preceding that calendar year, rounding to the nearest one-thousandth (0.001).

STEP TWO: Determine the sum of the STEP ONE results.

STEP THREE: Divide the STEP TWO result by six (6), rounding to the nearest one-thousandth (0.001).

STEP FOUR: Determine the lesser of the following:

SEA 1 — Concur

(A) The STEP THREE quotient.

(B) One and six-hundredths (1.06).

(c) Except as provided in subsection (f), a school corporation shall use for its operations fund maximum levy calculation under IC 20-46-8-1 the maximum levy growth quotient determined in the last STEP of the following STEPS:

STEP ONE: Determine for each school corporation, the average annual growth in net assessed value using the three (3) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 for the ensuing calendar year.

STEP TWO: Determine the greater of:

(A) zero (0); or

(B) the STEP ONE amount minus the sum of:

- (i) the maximum levy growth quotient determined under subsection (b) minus one (1); plus
- (ii) two-hundredths (0.02).

STEP THREE: Determine the lesser of:

(A) the STEP TWO amount; or

(B) four-hundredths (0.04).

STEP FOUR: Determine the sum of:

(A) the STEP THREE amount; plus

(B) the maximum levy growth quotient determined under subsection (b).

STEP FIVE: Determine the greater of:

(A) the STEP FOUR amount; or

(B) the maximum levy growth quotient determined under subsection (b).

(d) The budget agency shall provide the maximum levy growth quotient for the ensuing year to civil taxing units, school corporations, and the department of local government finance before July 1 of each year.

(e) This subsection applies only for purposes of determining the maximum levy growth quotient to be used in determining a civil taxing unit's maximum permissible ad valorem property tax levy in calendar years 2024, ~~and~~ 2025, **and 2026**. For purposes of determining the maximum levy growth quotient in calendar years 2024, ~~and~~ 2025, **and 2026**, instead of the result determined in the last STEP in subsection (b), the maximum levy growth quotient is determined in the last STEP of the following STEPS:

STEP ONE: Determine the result of STEP FOUR of subsection (b), calculated as if this subsection was not in effect.

STEP TWO: Subtract one (1) from the STEP ONE result.

STEP THREE: Multiply the STEP TWO result by eight-tenths (0.8).

STEP FOUR: Add one (1) to the STEP THREE result.

STEP FIVE: Determine the lesser of:

- (A) the STEP FOUR result; or
- (B) one and four-hundredths (1.04).

(f) This subsection applies only for purposes of determining the maximum levy growth quotient to be used in determining a school corporation's operations fund maximum levy in calendar years 2024, ~~and 2025, and 2026~~. For purposes of determining the maximum levy growth quotient in calendar years 2024, ~~and 2025, and 2026~~, instead of the result determined in the last STEP in subsection (c), the maximum levy growth quotient is determined in the last STEP of the following STEPS:

STEP ONE: Determine the result of STEP FIVE of subsection (c), calculated as if this subsection was not in effect.

STEP TWO: Subtract one (1) from the STEP ONE result.

STEP THREE: Multiply the STEP TWO result by eight-tenths (0.8).

STEP FOUR: Add one (1) to the STEP THREE result.

STEP FIVE: Determine the lesser of:

- (A) the STEP FOUR result; or
- (B) one and four-hundredths (1.04).

SECTION 60. IC 6-1.1-18.5-3, AS AMENDED BY P.L.247-2017, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2028]: Sec. 3. (a) A civil taxing unit may not impose an ad valorem property tax levy for an ensuing calendar year that exceeds the amount determined in the last STEP of the following STEPS:

STEP ONE: Determine the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year.

STEP TWO: Multiply the amount determined in STEP ONE by the amount determined in the last STEP of section 2(b) of this chapter.

STEP THREE: Determine the lesser of one and fifteen hundredths (1.15) or the quotient (rounded to the nearest ten-thousandth (0.0001)), of the assessed value of all taxable property subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year, divided by the assessed value of all taxable property that is subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year and that is contained within the geographic area that was subject to the civil

taxing unit's ad valorem property tax levy in the preceding calendar year.

STEP FOUR: Determine the greater of the amount determined in STEP THREE or one (1).

STEP FIVE: Multiply the amount determined in STEP TWO by the amount determined in STEP FOUR.

STEP SIX: Add the amount determined under STEP TWO to the amount of an excessive levy appeal granted under section 13 of this chapter for the ensuing calendar year.

STEP SEVEN: Determine the greater of STEP FIVE or STEP SIX.

(b) This subsection applies only to a civil taxing unit that is located in a county that is covered by IC 6-3.6-11-1. For purposes of subsection (a), revenue under IC 6-3.6-6 that is applied for purposes of a levy freeze shall not be included in the amount determined under STEP ONE of subsection (a) for the civil taxing unit. Notwithstanding any provision in this section, any other section of this chapter, or IC 12-20-21-3.2, and except as provided in subsection (c), if the adopting body has adopted a resolution specifying that any increase in the maximum levy is to be funded using local income tax revenue, the maximum permissible ad valorem property tax levy calculated under this section for the ensuing calendar year for the civil taxing unit is equal to the civil taxing unit's maximum permissible ad valorem property tax levy for the current calendar year. If the adopting body has adopted a resolution specifying that any increase in the maximum levy is not to be funded using local income tax revenue, the maximum permissible ad valorem property tax levy for the civil taxing unit is equal to the civil taxing unit's maximum permissible ad valorem property tax levy calculated under this section for the ensuing calendar year.

(c) In the case of a civil taxing unit that:

- (1) is partially located in a county that is covered by IC 6-3.6-11-1; and
- (2) is partially located in a county that is not described in subdivision (1);

the department of local government finance shall, notwithstanding subsection (b), adjust the portion of the civil taxing unit's maximum permissible ad valorem property tax levy that is attributable (as determined by the department of local government finance) to the county or counties described in subdivision (2). The department of local government finance shall adjust this portion of the civil taxing unit's maximum permissible ad valorem property tax levy so that;

notwithstanding subsection (b); this portion is allowed to increase as otherwise provided in this section. If the department of local government finance increases the civil taxing unit's maximum permissible ad valorem property tax levy under this subsection, any additional property taxes imposed by the civil taxing unit under the adjustment shall be paid only by the taxpayers in the county or counties described in subdivision (2).

(b) In the case of a county that was covered by IC 6-3.6-11-1 (before its repeal), the maximum permissible property tax levy for the civil taxing unit under STEP ONE of subsection (a) shall be increased to the extent and in the amount that revenue from a levy freeze was applied to adjust the civil taxing unit's maximum permissible property tax levy in the tax year immediately preceding the repeal of IC 6-3.6-11-1. The increase shall apply to each tax year after the repeal. Notwithstanding any other provision of law, if a county has a stabilization fund, the county may use money from that fund for operations of the county in lieu of levy increases pursuant to this subsection. A county to which this subsection applies shall adopt a plan to phase in a multi-year gradual spend down of money in its stabilization fund or other available funds over a specified number of years that allows for the gradual increase of the county's levy in combination with money from its stabilization fund.

SECTION 61. IC 6-1.1-18.5-12, AS AMENDED BY P.L.156-2024, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2026]: Sec. 12. (a) Any civil taxing unit that **incurs increased costs resulting from annexation, a natural disaster, an accident, or another unanticipated emergency, and** determines that it cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 or 25 of this chapter, as applicable, may, subject to subsections (h) and (i):

- (1) before October 20 of the calendar year immediately preceding the ensuing calendar year; or
- (2) in the case of a request described in section 16 of this chapter, before December 31 of the calendar year immediately preceding the ensuing calendar year;

appeal to the department of local government finance for relief from those levy limitations. In the appeal the civil taxing unit must state that it will be unable to carry out the governmental functions committed to it by law unless it is given the authority that it is petitioning for. The civil taxing unit must support these allegations by reasonably detailed statements of fact.

(b) The department of local government finance shall immediately proceed to the examination and consideration of the merits of the civil taxing unit's appeal.

(c) In considering an appeal, the department of local government finance has the power to conduct hearings, require any officer or member of the appealing civil taxing unit to appear before it, or require any officer or member of the appealing civil taxing unit to provide the department with any relevant records or books.

(d) If an officer or member:

(1) fails to appear at a hearing after having been given written notice requiring that person's attendance; or

(2) fails to produce the books and records that the department by written notice required the officer or member to produce;

then the department may file an affidavit in the circuit court, superior court, or probate court in the jurisdiction in which the officer or member may be found setting forth the facts of the failure.

(e) Upon the filing of an affidavit under subsection (d), the court shall promptly issue a summons, and the sheriff of the county within which the court is sitting shall serve the summons. The summons must command the officer or member to appear before the department to provide information to the department or to produce books and records for the department's use, as the case may be. Disobedience of the summons constitutes, and is punishable as, a contempt of the court that issued the summons.

(f) All expenses incident to the filing of an affidavit under subsection (d) and the issuance and service of a summons shall be charged to the officer or member against whom the summons is issued, unless the court finds that the officer or member was acting in good faith and with reasonable cause. If the court finds that the officer or member was acting in good faith and with reasonable cause or if an affidavit is filed and no summons is issued, the expenses shall be charged against the county in which the affidavit was filed and shall be allowed by the proper fiscal officers of that county.

(g) The fiscal officer of a civil taxing unit that appeals under section 16 of this chapter for relief from levy limitations shall immediately file a copy of the appeal petition with the county auditor and the county treasurer of the county in which the unit is located.

(h) This subsection applies to a civil taxing unit whose budget for the upcoming year is subject to review by a fiscal body under:

(1) IC 6-1.1-17-20;

(2) IC 6-1.1-17-20.3; or

(3) IC 6-1.1-17-20.4.

A civil taxing unit described in this subsection may not submit an appeal under this section unless the civil taxing unit receives approval from the appropriate fiscal body to submit the appeal.

(i) A participating unit of a fire protection territory may not submit an appeal under this section unless each participating unit of the fire protection territory has adopted a resolution approving submission of the appeal.

SECTION 62. IC 6-1.1-18.5-13, AS AMENDED BY P.L.174-2022, SECTION 37, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2026]: Sec. 13. ~~(a)~~ With respect to an appeal filed under section 12 of this chapter, the department may find that a civil taxing unit should receive **any one (1) or more of the following types of the following** relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable, if in the judgment of the department the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation. ~~consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas. With respect to annexation, consolidation, or other extensions of governmental services in a calendar year, If~~ those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

- (A) The first calendar year in which those costs are incurred.
- (B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) ~~Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable, if the department finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):~~

~~STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year.~~

~~STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.~~

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3):

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3):

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount:

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 or 25 of this chapter, as applicable, based on the maximum levy growth quotient determined under section 2 of this chapter.

(3) (2) A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable, if **the department determines that** the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 or 25 of this chapter, as applicable, due to a natural disaster, an accident, or another unanticipated emergency.

(b) The department of local government finance shall increase the maximum permissible ad valorem property tax levy under section 3 of this chapter for the city of Goshen for 2012 and thereafter by an amount equal to the greater of zero (0) or the result of:

(1) the city's total pension costs in 2009 for the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7); minus

(2) the sum of:

(A) the total amount of state funds received in 2009 by the city and used to pay benefits to members of the 1925 police pension fund (IC 36-8-6) or the 1937 firefighters' pension fund (IC 36-8-7); plus

(B) any previous permanent increases to the city's levy that were authorized to account for the transfer to the state of the responsibility to pay benefits to members of the 1925 police

~~pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7).~~

SECTION 63. IC 6-1.1-18.5-19 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2028]: Sec. 19. (a) If a township levied an ad valorem property tax levy for a township firefighting fund under IC 36-8-13-4 for calendar year 1989, the maximum permissible ad valorem property tax levy that will apply to the township's firefighting fund under section 3 of this chapter for calendar year 1990 is the amount determined in STEP FIVE of the following STEPS:

STEP ONE: Determine the part of the township's ad valorem property tax levy for calendar year 1989 that was dedicated to the township firefighting fund.

STEP TWO: If the township incurred any loans or bonded indebtedness to pay for fire protection or emergency services during the period from January 1, 1987, through December 31, 1989 (excluding loans or bonded indebtedness used to purchase firefighting apparatus or equipment or housing), determine the number of calendar years during that period in which the township incurred the loans or bonded indebtedness.

STEP THREE: Calculate the quotient of:

- (A) the total amounts of loans or bonded indebtedness incurred by the township for fire protection and emergency services during the period from January 1, 1987, through December 31, 1989 (excluding loans or bonded indebtedness used to purchase firefighting apparatus or equipment or housing); divided by
- (B) the number determined in STEP TWO.

STEP FOUR: Add the result determined in STEP ONE to the result determined in STEP THREE.

STEP FIVE: Calculate the maximum ad valorem property tax levy that would result from making the calculations contained in section 3 of this chapter as those calculations apply to the township, using the result obtained in STEP FOUR for the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year under section 3(a) or 3(b) of this chapter **(as in effect at the time of the calculation)**, whichever applies to the township.

If the amount determined under this subsection is substantially lower than the township's normal expenditure patterns for fire protection and emergency services (excluding the expenditures for the purchase of firefighting apparatus or equipment or housing), the township may

appeal to the local government tax control board for an increase in the 1990 maximum permissible ad valorem property tax levy for its township firefighting fund. In considering the appeal, the local government tax control board shall consider other sources of revenue used by the township during calendar year 1989 to fund fire protection and emergency services that are also available for such funding in 1990 and thereafter and the board shall also consider any other relevant factors.

(b) If a township did not have a township firefighting fund under IC 36-8-13-4 for calendar year 1989, but appropriated funds for fire protection or emergency services for that calendar year, the township's maximum ad valorem property tax levy that will apply to the township's firefighting fund under section 3 of this chapter for calendar year 1990 is the amount determined in STEP FIVE of the following STEPS:

STEP ONE: Determine the amount that the township appropriated from its general fund for fire protection and emergency services (excluding appropriations for the purchase of firefighting apparatus or equipment or housing).

STEP TWO: If the township incurred any loans or bonded indebtedness to pay for fire protection or emergency services during the period from January 1, 1987, through December 31, 1989 (excluding loans or bonded indebtedness used to purchase firefighting apparatus or equipment or housing), determine the number of calendar years during that period in which the township incurred the loans or bonded indebtedness.

STEP THREE: Calculate the quotient of:

(A) the total amounts of loans or bonded indebtedness incurred by the township for fire protection and emergency services during the period from January 1, 1987, through December 31, 1989 (excluding loans or bonded indebtedness used to purchase firefighting apparatus or equipment or housing); divided by

(B) the number determined in STEP TWO.

STEP FOUR: Add the result of STEP ONE to the result of STEP THREE.

STEP FIVE: Calculate the maximum ad valorem property tax levy that would result from making the calculations contained in section 3 of this chapter, as those calculations apply to the township, using the result obtained in STEP FOUR for the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year under section 3(a) or 3(b) of this chapter **(as in effect at the time of the calculation)**, whichever

applies to the township.

If the amount determined under this subsection is substantially lower than the township's normal expenditure patterns for fire protection and emergency services (excluding the expenditures for the purchase of firefighting apparatus or equipment or housing), the township may appeal to the local government tax control board for an increase in its 1990 maximum permissible levy for its township firefighting fund. In considering the appeal, the local government tax control board shall consider other sources of revenue used by the township during calendar year 1989 to fund fire protection and emergency services that are also available for such funding in 1990 and thereafter and the board shall also consider any other relevant factors.

(c) If for calendar year 1989:

(1) a township had a township firefighting fund under IC 36-8-13-4 but did not have an ad valorem property tax levy for that fund; or

(2) a township did not have a township firefighting fund and appropriated no money for fire protection or emergency services; the township's maximum permissible ad valorem property tax levy for its township firefighting fund shall be determined under section 7 of this chapter in the calendar year in which the township first establishes such a levy.

SECTION 64. IC 6-1.1-18.5-25, AS AMENDED BY P.L.236-2023, SECTION 32, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 25. (a) The ad valorem property tax levy limits imposed under section 3 of this chapter do not apply to a municipality in a year if all the following apply:

(1) The percentage growth in the municipality's assessed value for the preceding year compared to the year before the preceding year is at least two (2) times the maximum levy growth quotient determined under section 2 of this chapter for the preceding year.

(2) The municipality's population increased by at least one hundred fifty percent (150%) between the last two (2) decennial censuses. The computation of an increase of one hundred fifty percent (150%) under this subdivision shall be determined according to the last STEP of the following STEPS:

STEP ONE: Determine the municipality's population as tabulated following the first decennial census.

STEP TWO: Determine the municipality's population as tabulated following the second decennial census.

STEP THREE: Multiply the amount determined under STEP ONE by a factor of two and five-tenths (2.5).

STEP FOUR: Determine whether the population determined under STEP TWO is greater than or equal to the STEP THREE product.

(b) A municipality that meets all the requirements under subsection (a) may increase its ad valorem property tax levy in excess of the limits imposed under section 3 of this chapter by a percentage equal to the lesser of:

- (1) the percentage growth in the municipality's assessed value for the preceding year compared to the year before the preceding year; or
- (2) six percent (6%).

(c) A municipality's maximum levy growth that results from either annexation or the pass through of assessed value from a tax increment financing district may not be included for the purposes of determining a municipality's maximum levy growth under this section.

(d) This section applies to property tax levies imposed after December 31, 2016, **and before January 1, 2026.**

**(e) This section expires December 31, 2026.**

SECTION 65. IC 6-1.1-20-1.1, AS AMENDED BY P.L.136-2024, SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 1.1. (a) As used in this chapter, "controlled project" means any project financed by bonds or a lease, except for the following:

(1) A project for which the political subdivision reasonably expects to pay:

- (A) debt service; or
- (B) lease rentals;

from funds other than property taxes that are exempt from the levy limitations of IC 6-1.1-18.5 or (before January 1, 2009) IC 20-45-3. A project is not a controlled project even though the political subdivision has pledged to levy property taxes to pay the debt service or lease rentals if those other funds are insufficient.

(2) Subject to subsection (b), a project that will not cost the political subdivision more than the lesser of the following:

- (A) An amount equal to the following:
  - (i) In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, two million dollars (\$2,000,000).
  - (ii) In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a

lease for the project, five million dollars (\$5,000,000).

(iii) In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, an amount (as determined by the department of local government finance) equal to the result of the maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the amount determined under this clause for the preceding calendar year.

The department of local government finance shall publish the threshold determined under item (iii) in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the maximum levy growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(B) An amount equal to the following:

(i) One percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one hundred million dollars (\$100,000,000).

(ii) One million dollars (\$1,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one hundred million dollars (\$100,000,000).

(3) A project that is being refinanced for the purpose of providing gross or net present value savings to taxpayers.

(4) A project for which bonds were issued or leases were entered into before January 1, 1996, or where the state board of tax commissioners has approved the issuance of bonds or the execution of leases before January 1, 1996.

(5) A project that:

(A) is required by a court order holding that a federal law mandates the project; or

(B) is in response to a court order holding that:

(i) a federal law has been violated; and

(ii) the project is to address the deficiency or violation.

(6) A project that is in response to:

(A) a natural disaster;

(B) an accident; or

(C) an emergency;

in the political subdivision that makes a building or facility unavailable for its intended use.

(7) A project that was not a controlled project under this section as in effect on June 30, 2008, and for which:

(A) the bonds or lease for the project were issued or entered into before July 1, 2008; or

(B) the issuance of the bonds or the execution of the lease for the project was approved by the department of local government finance before July 1, 2008.

(8) A project of the Little Calumet River basin development commission for which bonds are payable from special assessments collected under IC 14-13-2-18.6.

(9) A project for engineering, land and right-of-way acquisition, construction, resurfacing, maintenance, restoration, and rehabilitation exclusively for or of:

(A) local road and street systems, including bridges that are designated as being in a local road and street system;

(B) arterial road and street systems, including bridges that are designated as being in an arterial road and street system; or

(C) any combination of local and arterial road and street systems, including designated bridges.

(b) This subsection does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2023, **or to a project for which an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease is adopted after June 30, 2025.** If:

(1) a political subdivision's total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value; and

(2) subsection (a)(1) and subsection (a)(3) through (a)(9) are not applicable;

the term includes any project to be financed by bonds or a lease, including a project that does not otherwise meet the threshold amount provided in subsection (a)(2). This subsection expires December 31, 2025. For purposes of this subsection, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service tax levy approved by voters.

**(c) This subsection applies to a project for which an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease is adopted after June 30, 2025. If subsection (a)(1) and subsection (a)(3) through (a)(9) are not applicable, the term includes any project to be financed by bonds or a lease, including a project that does not otherwise meet the threshold amount provided in subsection (a)(2), if:**

- (1) in the case of a school corporation, the school corporation's total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value;**
- (2) in the case of a city, county, or town, the city's, county's, or town's total debt service tax rate is more than twenty-five cents (\$0.25) per one hundred dollars (\$100) of assessed value;**
- or**
- (3) in the case of a political subdivision not described in subdivision (1) or (2), the political subdivision's total debt service tax rate is more than five cents (\$0.05) per one hundred dollars (\$100) of assessed value.**

**However, this subsection does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2025. For purposes of this subsection, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service tax levy approved by voters.**

SECTION 66. IC 6-1.1-20-3.1, AS AMENDED BY P.L.136-2024, SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 3.1. (a) Subject to section 3.5(a)(1)(C) of this chapter, this section applies only to the following:

- (1) A controlled project (as defined in section 1.1 of this chapter as in effect June 30, 2008) for which the proper officers of a political subdivision make a preliminary determination in the manner described in subsection (b) before July 1, 2008.
- (2) An elementary school building, middle school building, high school building, or other school building for academic instruction that:
  - (A) is a controlled project;
  - (B) will be used for any combination of kindergarten through grade 12; and
  - (C) will not cost more than the lesser of the following:
    - (i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is ten million dollars (\$10,000,000). In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is fifteen million dollars (\$15,000,000). In the case of an ordinance or resolution adopted in a calendar year after

December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is an amount (as determined by the department of local government finance) equal to the result of the maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after December 31, 2018, the department of local government finance shall publish the threshold in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the maximum levy growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(ii) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one billion dollars (\$1,000,000,000), or ten million dollars (\$10,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one billion dollars (\$1,000,000,000).

(3) Any other controlled project that:

(A) is not a controlled project described in subdivision (1) or (2); and

(B) will not cost the political subdivision more than the lesser of the following:

(i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is twelve million dollars (\$12,000,000). In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is fifteen million dollars (\$15,000,000). In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is an amount (as determined by the department of local government finance) equal to the result of the maximum levy growth quotient

determined under IC 6-1.1-18.5-2 for the year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after December 31, 2018, the department of local government finance shall publish the threshold in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the maximum levy growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(ii) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one hundred million dollars (\$100,000,000), or one million dollars (\$1,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one hundred million dollars (\$100,000,000).

(4) A controlled project funded by debt service if the scope of the project changes from the purpose of the project initially advertised to taxpayers as determined under section 4.2(c) of this chapter.

(5) This subdivision does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2023, **or to a project for which an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease is adopted after June 30, 2025.** Any other controlled project if both of the following apply:

(A) The political subdivision's total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value, but less than eighty cents (\$0.80) per one hundred dollars (\$100) of assessed value.

(B) The controlled project is not otherwise described in section 3.5(a)(1) of this chapter.

This subdivision expires December 31, 2025. For purposes of this subdivision, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service levy approved by voters.

**(6) Any other controlled project if the following apply:**

**(A) An ordinance or resolution making a preliminary determination to issue bonds or enter into a lease for the**

**project is adopted after June 30, 2025.**

**(B) The controlled project is not otherwise described in section 3.5(a)(1) of this chapter.**

**(C) In the case of a:**

**(i) school corporation, the school corporation's total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value, but not more than seventy cents (\$0.70) per one hundred dollars (\$100) of assessed value;**

**(ii) city, county, or town, the city's, county's, or town's total debt service tax rate is more than twenty-five cents (\$0.25) per one hundred dollars (\$100) of assessed value, but not more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value; or**

**(iii) political subdivision not described in item (i) or (ii), the political subdivision's total debt service tax rate is more than five cents (\$0.05) per one hundred dollars (\$100) of assessed value, but not more than ten cents (\$0.10) per one hundred dollars (\$100) of assessed value.**

**However, this subdivision does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2025. For purposes of this subdivision, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service tax levy approved by voters.**

**(b) A political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:**

**(1) The proper officers of a political subdivision shall publish notice in accordance with IC 5-3-1 and send notice by first class mail to the circuit court clerk and to any organization that delivers to the officers, before January 1 of that year, an annual written request for such notices of any meeting to consider adoption of a resolution or an ordinance making a preliminary determination to issue bonds or enter into a lease and shall conduct at least two (2) public hearings on a preliminary determination before adoption of the resolution or ordinance. The political subdivision must at each of the public hearings on the preliminary determination allow the public to testify regarding the preliminary determination and must make the following information available to the public at each of the public hearings on the preliminary determination, in addition to any other information required by law:**

- (A) The result of the political subdivision's current and projected annual debt service payments divided by the net assessed value of taxable property within the political subdivision.
  - (B) The result of:
    - (i) the sum of the political subdivision's outstanding long term debt plus the outstanding long term debt of other taxing units that include any of the territory of the political subdivision; divided by
    - (ii) the net assessed value of taxable property within the political subdivision.
  - (C) The information specified in subdivision (3)(A) through (3)(H).
- (2) When the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease for a controlled project, the officers shall give notice of the preliminary determination by:
- (A) publication in accordance with IC 5-3-1; and
  - (B) first class mail to the circuit court clerk and to the organizations described in subdivision (1).
- (3) A notice under subdivision (2) of the preliminary determination of the political subdivision to issue bonds or enter into a lease for a controlled project must include the following information:
- (A) The maximum term of the bonds or lease.
  - (B) The maximum principal amount of the bonds or the maximum lease rental for the lease.
  - (C) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.
  - (D) The purpose of the bonds or lease.
  - (E) A statement that any owners of property within the political subdivision or registered voters residing within the political subdivision who want to initiate a petition and remonstrance process against the proposed debt service or lease payments must file a petition that complies with subdivisions (4) and (5) not later than thirty (30) days after publication in accordance with IC 5-3-1.
  - (F) With respect to bonds issued or a lease entered into to open:
    - (i) a new school facility; or
    - (ii) an existing facility that has not been used for at least three (3) years and that is being reopened to provide

additional classroom space;  
the estimated costs the school corporation expects to incur annually to operate the facility.

(G) A statement of whether the school corporation expects to appeal for a new facility adjustment (as defined in IC 20-45-1-16 (repealed) before January 1, 2009) for an increased maximum permissible tuition support levy to pay the estimated costs described in clause (F).

(H) The following information:

(i) The political subdivision's current debt service levy and rate.

(ii) The estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease.

(iii) The estimated amount of the political subdivision's debt service levy and rate that will result during the following ten (10) years if the political subdivision issues the bonds or enters into the lease, after also considering any changes that will occur to the debt service levy and rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate during that period.

(I) The information specified in subdivision (1)(A) through (1)(B).

(4) After notice is given, a petition requesting the application of a petition and remonstrance process may be filed by the lesser of:

(A) five hundred (500) persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision; or

(B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of property or

registered voters;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves as owners of property or registered voters and may be allowed to pick up additional copies to distribute to other owners of property or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as an owner of property must indicate the address of the property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. However, after the county voter registration office has determined that at least five hundred twenty-five (525) persons who signed the petition are registered voters within the political subdivision, the county voter registration office is not required to verify whether the remaining persons who signed the petition are registered voters. If the county voter registration office does not determine that at least five hundred twenty-five (525) persons who signed the petition are registered voters, the county voter registration office shall, not more than fifteen (15) business days after receiving a petition, forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of property in the

political subdivision; and

(B) whether a person who signed the petition as an owner of property within the political subdivision does in fact own property within the political subdivision.

(9) The county voter registration office, not more than ten (10) business days after determining that at least five hundred twenty-five (525) persons who signed the petition are registered voters or receiving the statement from the county auditor under subdivision (8), as applicable, shall make the final determination of the number of petitioners that are registered voters in the political subdivision and, based on the statement provided by the county auditor, the number of petitioners that own property within the political subdivision. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property, or a combination of those types of property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

If a sufficient petition requesting a petition and remonstrance process is not filed by owners of property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) A political subdivision may not divide a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. A person that owns property within a political subdivision or a person that is a registered voter residing within a political subdivision may file a petition with the department of local government finance objecting that the political subdivision has divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. The petition must be filed not more than ten (10) days after the political subdivision gives notice of the political subdivision's decision to issue bonds or enter into leases for a capital project that the person believes is the result of a division of a controlled project that is prohibited by this subsection. If the department of local government finance receives a petition under this subsection, the department shall not later than thirty (30) days after receiving the petition make a final determination on the issue of whether the political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. If the department of local government finance determines that a political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter and the political subdivision continues to desire to proceed with the project, the political subdivision shall fulfill the requirements of this section and section 3.2 of this chapter, if applicable, regardless of the cost of the project in dispute. A political subdivision shall be considered to have divided a capital project in order to avoid the requirements of this section and section 3.2 of this chapter if the result of one (1) or more of the subprojects cannot

reasonably be considered an independently desirable end in itself without reference to another capital project. This subsection does not prohibit a political subdivision from undertaking a series of capital projects in which the result of each capital project can reasonably be considered an independently desirable end in itself without reference to another capital project.

SECTION 67. IC 6-1.1-20-3.5, AS AMENDED BY P.L.136-2024, SECTION 24, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 3.5. (a) This section applies only to a controlled project that meets the following conditions:

(1) The controlled project is described in one (1) of the following categories:

(A) An elementary school building, middle school building, high school building, or other school building for academic instruction that will be used for any combination of kindergarten through grade 12 and will cost more than the lesser of the following:

(i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is ten million dollars (\$10,000,000). In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is fifteen million dollars (\$15,000,000). In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is an amount (as determined by the department of local government finance) equal to the result of the maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after December 31, 2018, the department of local government finance shall publish the threshold in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the maximum levy growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(ii) An amount equal to one percent (1%) of the total gross

assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one billion dollars (\$1,000,000,000), or ten million dollars (\$10,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one billion dollars (\$1,000,000,000).

(B) Any other controlled project that is not a controlled project described in clause (A) and will cost the political subdivision more than the lesser of the following:

(i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is twelve million dollars (\$12,000,000). In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is fifteen million dollars (\$15,000,000). In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is an amount (as determined by the department of local government finance) equal to the result of the maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after December 31, 2018, the department of local government finance shall publish the threshold in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the maximum levy growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(ii) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one hundred million dollars (\$100,000,000), or one million dollars (\$1,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one hundred million

dollars (\$100,000,000).

(C) Any other controlled project for which a political subdivision adopts an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease for the project, if the sum of:

- (i) the cost of that controlled project; plus
- (ii) the costs of all other controlled projects for which the political subdivision has previously adopted within the preceding three hundred sixty-five (365) days an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease for those other controlled projects;

exceeds twenty-five million dollars (\$25,000,000).

(D) A controlled project funded by debt service if the scope of the project changes from the purpose of the project initially advertised to taxpayers as determined under section 4.3(c) of this chapter.

(E) This clause does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2023, **or to a project for which an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease is adopted after June 30, 2025.** Except as provided in section 4.5 of this chapter, any other controlled project if the political subdivision's total debt service tax rate is at least eighty cents (\$0.80) per one hundred dollars (\$100) of assessed value. This clause expires December 31, 2025. For purposes of this clause, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service tax levy approved by voters.

**(F) Except as provided in section 4.5 of this chapter, any other project for which an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease is adopted after June 30, 2025, if:**

- (i) in the case of a school corporation, the school corporation's total debt service tax rate is more than seventy cents (\$0.70) per one hundred dollars (\$100) of assessed value;**
- (ii) in the case of a city, county, or town, the city's, county's, or town's total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value; or**

**(iii) in the case of a political subdivision not described in item (i) or (ii), the political subdivision's total debt service tax rate is more than ten cents (\$0.10) per one hundred dollars (\$100) of assessed value.**

**However, this clause does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2025. For purposes of this clause, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service tax levy approved by voters.**

(2) The proper officers of the political subdivision make a preliminary determination after June 30, 2008, in the manner described in subsection (b) to issue bonds or enter into a lease for the controlled project.

(b) Subject to subsection (d), a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

(1) The proper officers of a political subdivision shall publish notice in accordance with IC 5-3-1 and send notice by first class mail to the circuit court clerk and to any organization that delivers to the officers, before January 1 of that year, an annual written request for notices of any meeting to consider the adoption of an ordinance or a resolution making a preliminary determination to issue bonds or enter into a lease and shall conduct at least two (2) public hearings on the preliminary determination before adoption of the ordinance or resolution. The political subdivision must at each of the public hearings on the preliminary determination allow the public to testify regarding the preliminary determination and must make the following information available to the public at each of the public hearings on the preliminary determination, in addition to any other information required by law:

(A) The result of the political subdivision's current and projected annual debt service payments divided by the net assessed value of taxable property within the political subdivision.

(B) The result of:

(i) the sum of the political subdivision's outstanding long term debt plus the outstanding long term debt of other taxing units that include any of the territory of the political subdivision; divided by

(ii) the net assessed value of taxable property within the political subdivision.

- (C) The information specified in subdivision (3)(A) through (3)(G).
- (2) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall give notice of the preliminary determination by:
  - (A) publication in accordance with IC 5-3-1; and
  - (B) first class mail to the circuit court clerk and to the organizations described in subdivision (1).
- (3) A notice under subdivision (2) of the preliminary determination of the political subdivision to issue bonds or enter into a lease must include the following information:
  - (A) The maximum term of the bonds or lease.
  - (B) The maximum principal amount of the bonds or the maximum lease rental for the lease.
  - (C) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.
  - (D) The purpose of the bonds or lease.
  - (E) A statement that the proposed debt service or lease payments must be approved in an election on a local public question held under section 3.6 of this chapter.
  - (F) With respect to bonds issued or a lease entered into to open:
    - (i) a new school facility; or
    - (ii) an existing facility that has not been used for at least three (3) years and that is being reopened to provide additional classroom space;
 the estimated costs the school corporation expects to annually incur to operate the facility.
  - (G) The following information:
    - (i) The political subdivision's current debt service levy and rate.
    - (ii) The estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease.
    - (iii) The estimated amount of the political subdivision's debt service levy and rate that will result during the following ten (10) years if the political subdivision issues the bonds or enters into the lease, after also considering any changes that will occur to the debt service levy and rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate during that period.
  - (H) The information specified in subdivision (1)(A) through

(1)(B).

(4) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. After notice is given, a petition requesting the application of the local public question process under section 3.6 of this chapter may be filed by the lesser of:

(A) five hundred (500) persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision; or

(B) five percent (5%) of the registered voters residing within the political subdivision.

(5) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of property or registered voters;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves as owners of property or registered voters and may be allowed to pick up additional copies to distribute to other owners of property or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as an owner of property must indicate the address of the property owned by the person in the political subdivision.

(6) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. The county voter registration office shall determine whether each person who signed the petition is a registered voter. However, after the county voter registration office has determined that at least five hundred twenty-five (525) persons who signed the petition are registered voters within the political subdivision, the county voter registration office is not required to verify whether the remaining persons who signed the petition are registered voters. If the county voter registration office does not determine that at least five hundred twenty-five (525) persons who signed the petition are registered voters, the county voter registration office, not more than fifteen (15) business days after receiving a petition, shall forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of property in the political subdivision; and

(B) whether a person who signed the petition as an owner of property within the political subdivision does in fact own property within the political subdivision.

(9) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. The county voter registration office, not more than ten (10) business days after determining that at least five hundred twenty-five (525) persons who signed the petition

are registered voters or after receiving the statement from the county auditor under subdivision (8), as applicable, shall make the final determination of whether a sufficient number of persons have signed the petition. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular referendum process under this chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property or a combination of those types of property within the political subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition

requesting the referendum process. The certificate must state the number of petitioners who are owners of property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(11) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. If a sufficient petition requesting the local public question process is not filed by owners of property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall provide to the county auditor:

- (1) a copy of the notice required by subsection (b)(2); and
- (2) any other information the county auditor requires to fulfill the county auditor's duties under section 3.6 of this chapter.

(d) In addition to the procedures in subsection (b), if any capital improvement components addressed in the most recent:

- (1) threat assessment of the buildings within the school corporation; or
- (2) school safety plan (as described in IC 20-26-18.2-2(b));

concerning a particular school have not been completed or require additional funding to be completed, before the school corporation may impose property taxes to pay debt service on bonds or lease rentals for a lease for a controlled project, and in addition to any other components of the controlled project, the controlled project must include any capital improvements necessary to complete those components described in subdivisions (1) and (2) that have not been completed or that require additional funding to be completed.

(e) In addition to the other procedures in this section, an ordinance or resolution making a preliminary determination to issue bonds or enter into leases that is considered for adoption must include a statement of:

- (1) the maximum annual debt service for the controlled project for each year in which the debt service will be paid; and
- (2) the schedule of the estimated annual tax levy and rate over a ten (10) year period;

factoring in changes that will occur to the debt service levy and tax rate during the period on account of any outstanding bonds or lease obligations that will mature or terminate during the period.

SECTION 68. IC 6-1.1-20-3.6, AS AMENDED BY P.L.136-2024, SECTION 25, AND AS AMENDED BY P.L.156-2024, SECTION 17, AND AS AMENDED BY THE TECHNICAL CORRECTIONS BILL OF THE 2025 GENERAL ASSEMBLY, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]:  
 Sec. 3.6. (a) Except as provided in sections 3.7 and 3.8 of this chapter, this section applies only to a controlled project described in section 3.5(a) of this chapter.

(b) In the case of a controlled project:

(1) described in section 3.5(a)(1)(A) through 3.5(a)(1)(C) of this chapter, if a sufficient petition requesting the application of the local public question process has been filed as set forth in section 3.5 of this chapter; or

(2) described in section ~~3.5(a)(1)(D)~~ 3.5(a)(1)(E) **(before its expiration) or 3.5(a)(1)(F)** of this chapter; ~~(before its expiration);~~  
 a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

(c) Except as provided in subsection (k), the following question shall be submitted to the eligible voters at the election conducted under this section:

"Shall \_\_\_\_\_ (insert the name of the political subdivision) increase property taxes paid to the \_\_\_\_\_ (insert the type of taxing unit) by homeowners and businesses? If this public question is approved by the voters, the average property tax paid to the \_\_\_\_\_ (insert the type of taxing unit) per year on a residence would increase by \_\_\_\_\_% (insert the estimated average percentage of property tax increase paid to the political subdivision on a residence within the political subdivision as determined under subsection (n)) and the average property tax paid to the \_\_\_\_\_ (insert the type of taxing unit) per year on a business property would increase by \_\_\_\_\_% (insert the estimated average percentage of property tax increase paid to the political subdivision on a business property within the political subdivision as determined under subsection (o)). The political subdivision may issue bonds or enter into a lease to \_\_\_\_\_ (insert a brief description of the controlled project), which is estimated to cost \_\_\_\_\_ (insert the total cost of the project) over \_\_\_\_\_ (insert number of years to bond maturity or termination of lease) years. The most recent property tax

referendum within the boundaries of the political subdivision for which this public question is being considered was proposed by \_\_\_\_\_ (insert name of political subdivision) in \_\_\_\_\_ (insert year of most recent property tax referendum) and \_\_\_\_\_ (insert whether the measure passed or failed).".

"Shall \_\_\_\_\_ (insert the name of the political subdivision) increase property taxes paid to the \_\_\_\_\_ (insert the type of political subdivision) for no more than \_\_\_\_\_ (insert the number of years immediately following the holding of the referendum) years for the purpose of funding \_\_\_\_\_ (insert a brief description of the project use or purpose) for which the principal debt amount for the project will cost no more than \_\_\_\_\_ (insert the total cost of the project principal amount) and the financing cost including interest and fees will cost no more than an additional \_\_\_\_\_ (insert the total financing costs including interest and fees) and is estimated to increase the property taxes paid to the \_\_\_\_\_ (insert the type of political subdivision) by imposing a property tax rate that results in a maximum annual amount that does not exceed \_\_\_\_\_ (insert maximum amount of annual levy). If this capital referendum public question is approved by the voters, for a median residence of \_\_\_\_\_ (insert the political subdivision's median household assessed value, rounded up to the next fifty thousand dollars (\$50,000)), the property's annual property tax bill would increase by \_\_\_\_\_ (insert dollar amount, rounded up to the next whole dollar) per year.".

The public question must appear on the ballot in the form approved by the county election board. If the political subdivision proposing to issue bonds or enter into a lease is located in more than one (1) county, the county election board of each county shall jointly approve the form of the public question that will appear on the ballot in each county. The form approved by the county election board may differ from the language certified to the county election board by the county auditor. If the county election board approves the language of a public question under this subsection, the county election board shall submit the language and the certification of the county auditor ~~described in subsection (p)~~ to the department of local government finance for review.

(d) The department of local government finance shall review the language of the public question to evaluate whether the description of the controlled project is accurate and is not biased against either a vote

in favor of the controlled project or a vote against the controlled project. ~~The department of local government finance shall post the estimated average percentage of property tax increases to be paid to a political subdivision on a residence and business property that are certified by the county auditor under subsection (p) on the department's Internet web site: website.~~ The department of local government finance may either approve the ballot language as submitted or recommend that the ballot language be modified as necessary to ensure that the description of the controlled project is accurate and is not biased. The department of local government finance shall certify its approval or recommendations to the county auditor and the county election board not more than ten (10) days after ~~both the certification of the county auditor described in subsection (p) and~~ the language of the public question ~~is are~~ submitted to the department for review. If the department of local government finance recommends a modification to the ballot language, the county election board shall, after reviewing the recommendations of the department of local government finance, submit modified ballot language to the department for the department's approval or recommendation of any additional modifications. The public question may not be certified by the county auditor under subsection (e) unless the department of local government finance has first certified the department's final approval of the ballot language for the public question.

(e) The county auditor shall certify the finally approved public question ~~under IC 3-10-9-3~~ to the county election board of each county in which the political subdivision is located. The certification must occur not later than noon **August 1**.

(1) ~~seventy-four (74) days before a primary election if the public question is to be placed on the primary or municipal primary election ballot; or~~

(2) ~~August 1 if the public question is to be placed on the general or municipal election ballot.~~

Subject to the certification requirements and deadlines under this subsection and except as provided in subsection (j), the public question shall be placed on the ballot at the next ~~primary election; general election. or municipal election in which all voters of the political subdivision are entitled to vote.~~ However, if a primary election; general election; or municipal election will not be held during the first year in which the public question is eligible to be placed on the ballot under this section and if the political subdivision requests the public question to be placed on the ballot at a special election; the public question shall be placed on the ballot at a special election to be held on the first

Tuesday after the first Monday in May or November of the year. The certification must occur not later than noon seventy-four (74) days before a special election to be held in May (if the special election is to be held in May) or noon on August 1 (if the special election is to be held in November). The fiscal body of the political subdivision that requests the special election shall pay the costs of holding the special election. The county election board shall give notice under IC 5-3-1 of a special election conducted under this subsection. A special election conducted under this subsection is under the direction of the county election board. The county election board shall take all steps necessary to carry out the special election.

(f) The circuit court clerk shall certify the results of the public question to the following:

- (1) The county auditor of each county in which the political subdivision is located.
- (2) The department of local government finance.

(g) Subject to the requirements of IC 6-1.1-18.5-8, the political subdivision may issue the proposed bonds or enter into the proposed lease rental if a majority of the eligible voters voting on the public question vote in favor of the public question.

(h) If a majority of the eligible voters voting on the public question vote in opposition to the public question, both of the following apply:

- (1) The political subdivision may not issue the proposed bonds or enter into the proposed lease rental.
- (2) Another public question under this section on the same or a substantially similar project may not be submitted to the voters earlier than:
  - (A) except as provided in clause (B), seven hundred (700) days after the date of the public question; or
  - (B) three hundred fifty (350) days after the date of the election, if a petition that meets the requirements of subsection (m) is submitted to the county auditor.

(i) IC 3, to the extent not inconsistent with this section, applies to an election held under this section.

(j) A political subdivision may not divide a controlled project in order to avoid the requirements of this section and section 3.5 of this chapter. A person that owns property within a political subdivision or a person that is a registered voter residing within a political subdivision may file a petition with the department of local government finance objecting that the political subdivision has divided a controlled project into two (2) or more capital projects in order to avoid the requirements of this section and section 3.5 of this chapter. The petition must be filed

not more than ten (10) days after the political subdivision gives notice of the political subdivision's decision under section 3.5 of this chapter or a determination under section 5 of this chapter to issue bonds or enter into leases for a capital project that the person believes is the result of a division of a controlled project that is prohibited by this subsection. If the department of local government finance receives a petition under this subsection, the department shall not later than thirty (30) days after receiving the petition make a final determination on the issue of whether the political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.5 of this chapter. If the department of local government finance determines that a political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.5 of this chapter and the political subdivision continues to desire to proceed with the project, the political subdivision may appeal the determination of the department of local government finance to the Indiana board of tax review. A political subdivision shall be considered to have divided a capital project in order to avoid the requirements of this section and section 3.5 of this chapter if the result of one (1) or more of the subprojects cannot reasonably be considered an independently desirable end in itself without reference to another capital project. This subsection does not prohibit a political subdivision from undertaking a series of capital projects in which the result of each capital project can reasonably be considered an independently desirable end in itself without reference to another capital project.

(k) This subsection applies to a political subdivision for which a petition requesting a public question has been submitted under section 3.5 of this chapter. The legislative body (as defined in IC 36-1-2-9) of the political subdivision may adopt a resolution to withdraw a controlled project from consideration in a public question. If the legislative body provides a certified copy of the resolution to the county auditor and the county election board not later than sixty-three (63) days before the election at which the public question would be on the ballot, the public question on the controlled project shall not be placed on the ballot and the public question on the controlled project shall not be held, regardless of whether the county auditor has certified the public question to the county election board. If the withdrawal of a public question under this subsection requires the county election board to reprint ballots, the political subdivision withdrawing the public question shall pay the costs of reprinting the ballots. If a political subdivision withdraws a public question under this subsection that would have been held at a special election and the county election

board has printed the ballots before the legislative body of the political subdivision provides a certified copy of the withdrawal resolution to the county auditor and the county election board, the political subdivision withdrawing the public question shall pay the costs incurred by the county in printing the ballots. If a public question on a controlled project is withdrawn under this subsection, a public question under this section on the same controlled project or a substantially similar controlled project may not be submitted to the voters earlier than three hundred fifty (350) days after the date the resolution withdrawing the public question is adopted.

(l) If a public question regarding a controlled project is placed on the ballot to be voted on at an election under this section, the political subdivision shall submit to the department of local government finance, at least thirty (30) days before the election, the following information regarding the proposed controlled project for posting on the department's ~~Internet web site:~~ *website:*

- (1) The cost per square foot of any buildings being constructed as part of the controlled project.
- (2) The effect that approval of the controlled project would have on the political subdivision's property tax rate.
- (3) The maximum term of the bonds or lease.
- (4) The maximum principal amount of the bonds or the maximum lease rental for the lease.
- (5) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.
- (6) The purpose of the bonds or lease.
- (7) In the case of a controlled project proposed by a school corporation:
  - (A) the current and proposed square footage of school building space per student;
  - (B) enrollment patterns within the school corporation; and
  - (C) the age and condition of the current school facilities.

(m) If a majority of the eligible voters voting on the public question vote in opposition to the public question, a petition may be submitted to the county auditor to request that the limit under subsection (h)(2)(B) apply to the holding of a subsequent public question by the political subdivision. If such a petition is submitted to the county auditor and is signed by the lesser of:

- (1) five hundred (500) persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision; or
- (2) five percent (5%) of the registered voters residing within the

political subdivision;  
 the limit under subsection (h)(2)(B) applies to the holding of a second public question by the political subdivision and the limit under subsection (h)(2)(A) does not apply to the holding of a second public question by the political subdivision.

(n) At the request of a political subdivision that proposes to impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project, the county auditor of a county in which the political subdivision is located shall determine the estimated average percentage of property tax increase on a homestead to be paid to the political subdivision that must be included in the public question under subsection (c) as follows:

STEP ONE: Determine the average assessed value of a homestead located within the political subdivision:

STEP TWO: For purposes of determining the net assessed value of the average homestead located within the political subdivision; subtract:

(A) an amount for the homestead standard deduction under IC 6-1.1-12-37 as if the homestead described in STEP ONE was eligible for the deduction; and

(B) an amount for the supplemental homestead deduction under IC 6-1.1-12-37.5 as if the homestead described in STEP ONE was eligible for the deduction;

from the result of STEP ONE:

STEP THREE: Divide the result of STEP TWO by one hundred (100):

STEP FOUR: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the political subdivision:

STEP FIVE: For purposes of determining net property tax liability of the average homestead located within the political subdivision:

(A) multiply the result of STEP THREE by the result of STEP FOUR; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20-6-7.5(a)(1):

STEP SIX: Determine the amount of the political subdivision's part of the result determined in STEP FIVE:

STEP SEVEN: Determine the estimated tax rate that will be imposed if the public question is approved by the voters:

STEP EIGHT: Multiply the result of STEP SEVEN by the result of STEP THREE:

STEP NINE: Divide the result of STEP EIGHT by the result of STEP SIX; expressed as a percentage.

(o) At the request of a political subdivision that proposes to impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project, the county auditor of a county in which the political subdivision is located shall determine the estimated average percentage of property tax increase on a business property to be paid to the political subdivision that must be included in the public question under subsection (c) as follows:

STEP ONE: Determine the average assessed value of business property located within the political subdivision.

STEP TWO: Divide the result of STEP ONE by one hundred (100).

STEP THREE: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the political subdivision.

STEP FOUR: For purposes of determining net property tax liability of the average business property located within the political subdivision:

(A) multiply the result of STEP TWO by the result of STEP THREE; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5 as if the applicable percentage was three percent (3%);

STEP FIVE: Determine the amount of the political subdivision's part of the result determined in STEP FOUR.

STEP SIX: Determine the estimated tax rate that will be imposed if the public question is approved by the voters.

STEP SEVEN: Multiply the result of STEP TWO by the result of STEP SIX.

STEP EIGHT: Divide the result of STEP SEVEN by the result of STEP FIVE; expressed as a percentage.

(p) The county auditor shall certify the estimated average percentage of property tax increase on a homestead to be paid to the political subdivision determined under subsection (n); and the estimated average percentage of property tax increase on a business property to be paid to the political subdivision determined under subsection (o); in a manner prescribed by the department of local government finance; and provide the certification to the political subdivision that proposes to impose property taxes. The political subdivision shall provide the certification to the county election board

and include the estimated average percentages in the language of the public question at the time the language of the public question is submitted to the county election board for approval as described in subsection (c).

SECTION 69. IC 6-1.1-20-4.1 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: **Sec. 4.1. This section applies to all school corporations. During the calendar year immediately succeeding the final calendar year in which a school corporation's previously approved controlled project referendum tax levy is imposed under this chapter, the school corporation may not adopt a resolution under section 3.5 of this chapter making a preliminary determination to issue bonds or enter into a lease or adopt a resolution to extend a referendum tax levy under this chapter.**

SECTION 70. IC 6-1.1-20-4.3, AS ADDED BY P.L.136-2024, SECTION 27, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: **Sec. 4.3. (a) This section applies only if, with respect to a particular controlled project that fulfilled the referendum process under sections 3.5 and 3.6 of this chapter, the political subdivision subsequently changes the scope of the controlled project beyond that initially presented.**

(b) Notwithstanding any other provision in this chapter, if at least ten (10) persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision file a petition with the proper officers of the political subdivision contending that the scope of a controlled project has changed from how it was initially presented, the proper officers of the political subdivision shall hold a public hearing to determine whether any change in scope is significant enough to warrant a new referendum process. A petition under this subsection must be filed not later than one (1) year after the controlled project received final approval.

(c) Notwithstanding any other provision in this chapter, if it is determined at the hearing described in subsection (b) that the political subdivision has subsequently changed the scope of a controlled project beyond that initially presented as described in subsection (a), the following procedures apply:

- (1) A petition requesting the application of the local public question process under this section may be filed using, and in compliance with, the provisions that initially applied to the particular controlled project under section 3.5 of this chapter. For purposes of this subdivision, the relevant provisions in section 3.5 of this chapter shall be construed in a manner consistent with this

section.

(2) If a sufficient petition requesting the application of the local public question process for purposes of this section has been filed under subdivision (1), the following question shall be submitted to the eligible voters at the election conducted under this section:

"On \_\_\_\_\_ (insert date) the voters approved a public question to increase property taxes paid to the \_\_\_\_\_ (insert the type of taxing unit) by homeowners and businesses. The political subdivision has determined that the scope of the project for which the public question was placed on the ballot has changed beyond that initially presented. To fund the increase in the scope of the project, the average property tax paid to the \_\_\_\_\_ (insert the type of taxing unit) per year on a residence is estimated to increase by \_\_\_\_\_% (insert the estimated average percentage of property tax increase paid to the political subdivision on a residence within the political subdivision) and the average property tax paid to the \_\_\_\_\_ (insert the type of taxing unit) per year on a business property would increase by \_\_\_\_\_% (insert the estimated average percentage of property tax increase paid to the political subdivision on a business property within the political subdivision). Shall \_\_\_\_\_ (insert the name of the political subdivision) increase property taxes paid to the \_\_\_\_\_ (insert the type of taxing unit) by homeowners and businesses to fund the increase in the scope of the project previously approved? If this public question is approved by the voters, the average property tax paid to the \_\_\_\_\_ (insert the type of taxing unit) per year on a residence would increase by \_\_\_\_\_% (insert the estimated average percentage of property tax increase paid to the political subdivision on a residence within the political subdivision) and the average property tax paid to the \_\_\_\_\_ (insert the type of taxing unit) per year on a business property would increase by \_\_\_\_\_% (insert the estimated average percentage of property tax increase paid to the political subdivision on a business property within the political subdivision).":

"Shall \_\_\_\_\_ (insert the name of the political subdivision) increase property taxes paid to the \_\_\_\_\_ (insert the type of political subdivision) for no more than \_\_\_\_\_ (insert the number of years immediately following the holding of the referendum) years for the purpose of funding \_\_\_\_\_ (insert a brief description of the project use or purpose) for which the principal debt amount for the project will cost no more than

\_\_\_\_\_ (insert the total cost of the project principal amount) and the financing cost including interest and fees will cost no more than an additional \_\_\_\_\_ (insert the total financing costs including interest and fees) and is estimated to increase the property taxes paid to the \_\_\_\_\_ (insert the type of political subdivision) by imposing a property tax rate that results in a maximum annual amount that does not exceed \_\_\_\_\_ (insert maximum amount of annual levy). If this capital referendum public question is approved by the voters, for a median residence of \_\_\_\_\_ (insert the political subdivision's median household assessed value, rounded up to the next fifty thousand dollars (\$50,000)), the property's annual property tax bill would increase by \_\_\_\_\_ (insert dollar amount, rounded up to the next whole dollar) per year."

(3) The public question must appear on the ballot in the form approved by the county election board. If the political subdivision in which the particular controlled project is located in more than one (1) county, the county election board of each county shall jointly approve the form of the public question that will appear on the ballot in each county. The form approved by the county election board may differ from the language certified to the county election board by the county auditor. If the county election board approves the language of a public question under this subsection, the county election board shall submit the language to the department of local government finance for review.

(4) The department of local government finance shall review the language of the public question to evaluate whether the description of the controlled project is accurate and is not biased against either a vote in favor of the controlled project or a vote against the controlled project. The department of local government finance may either approve the ballot language as submitted or recommend that the ballot language be modified as necessary to ensure that the description of the controlled project is accurate and is not biased. The department of local government finance shall certify its approval or recommendations to the county auditor and the county election board not more than ten (10) days after the language of the public question is submitted to the department for review. If the department of local government finance recommends a modification to the ballot language, the county election board shall, after reviewing the recommendations of the department of local government finance, submit modified

ballot language to the department for the department's approval or recommendation of any additional modifications. The public question may not be certified by the county auditor under subdivision (5) unless the department of local government finance has first certified the department's final approval of the ballot language for the public question.

(5) The county auditor shall certify the finally approved public question ~~under IC 3-10-9-3~~ to the county election board of each county in which the political subdivision is located. The certification must occur not later than noon **August 1**.

(A) ~~seventy-four (74) days before a primary election if the public question is to be placed on the primary or municipal primary election ballot; or~~

(B) ~~August 1 if the public question is to be placed on the general or municipal election ballot.~~

(6) The public question shall be placed on the ballot at the next ~~primary election; general election or municipal election~~ in which all voters of the political subdivision are entitled to vote. However, if a ~~primary election; general election; or municipal election~~ will not be held during the first year in which the public question is eligible to be placed on the ballot under this section and if the political subdivision requests the public question to be placed on the ballot at a special election, the public question shall be placed on the ballot at a special election to be held on the first Tuesday after the first Monday in May or November of the year. The certification must occur not later than noon ~~seventy-four (74) days before a special election to be held in May (if the special election is to be held in May) or noon on August 1 (if the special election is to be held in November).~~ The fiscal body of the political subdivision that requests the special election shall pay the costs of holding the special election. The county election board shall give notice under ~~IC 5-3-1~~ of a special election conducted under this subsection. A special election conducted under this subsection is under the direction of the county election board. The county election board shall take all steps necessary to carry out the special election.

(7) The circuit court clerk shall certify the results of the public question to the following:

(A) The county auditor of each county in which the political subdivision is located.

(B) The department of local government finance.

(8) IC 3, to the extent not inconsistent with this section, applies to

an election held under this section.

(9) If a majority of the eligible voters voting on the public question vote in opposition to the public question, or if a petition is not filed under subdivision (1), the political subdivision may not proceed with the changed scope of the controlled project. In that case, the political subdivision may either:

(A) proceed with the controlled project as it was initially presented; or

(B) terminate the controlled project as it was initially presented and initiate procedures for the controlled project that reflects the change in scope.

(10) If a majority of the eligible voters voting on the public question vote in favor of the public question, the political subdivision may impose property taxes to fund the increase in the scope of the controlled project previously approved.

SECTION 71. IC 6-1.1-20-4.5, AS AMENDED BY P.L.136-2024, SECTION 28, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 4.5. (a) As used in this section, "maintenance emergency" refers to a response to a condition that is not otherwise subject to the application of section 1.1(a)(6) of this chapter and includes:

(1) repair of a boiler or chiller system;

(2) roof repair;

(3) storm damage repair; or

(4) any other repair that the department determines is a maintenance emergency for which waiver of the application of section 3.5(a)(1)(E) **(before its expiration) or 3.5(a)(1)(F)** of this chapter ~~(before its expiration)~~ is warranted.

(b) A political subdivision may submit a request to the department to waive the application of section 3.5(a)(1)(E) **(before its expiration) or 3.5(a)(1)(F)** of this chapter, ~~(before its expiration)~~, if the proposed controlled project of the political subdivision is to address a maintenance emergency with respect to a building owned or leased by the political subdivision.

(c) The department shall require the political subdivision to submit any information that the department considers necessary to determine whether the condition that the political subdivision contends is a maintenance emergency.

(d) The department shall review a request and issue a determination not later than forty-five (45) days after the department receives a request under this section determining whether the condition that the political subdivision contends is a maintenance emergency is sufficient

to waive the application of section 3.5(a)(1)(E) **(before its expiration) or 3.5(a)(1)(F)** of this chapter. ~~(before its expiration)~~. If the department determines that the condition is a maintenance emergency then section 3.5(a)(1)(E) **(before its expiration) or 3.5(a)(1)(F)** of this chapter ~~(before its expiration)~~ is waived and does not apply to the proposed controlled project.

(e) A waiver of the application of section 3.5(a)(1)(E) **(before its expiration) or 3.5(a)(1)(F)** of this chapter ~~(before its expiration)~~ in accordance with this section may not be construed as a waiver of any other requirement of this chapter with respect to the proposed controlled project.

~~(f) This section expires December 31, 2025.~~

SECTION 72. IC 6-1.1-20-4.6 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: **Sec. 4.6. Each year, the county auditor, with cooperation from the department of local government finance, shall determine the tax rate needed to raise the maximum amount of the annual levy for the year as described under sections 3.6 and 4.3 of this chapter, as applicable, and determine all other information needed for the ballot language in those sections.**

SECTION 73. IC 6-1.1-20.6-3, AS AMENDED BY P.L.197-2016, SECTION 17, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. As used in this chapter, "property tax liability" means, for purposes of:

- (1) this chapter, other than section **7.7 or 8.5** of this chapter, liability for the tax imposed on property under this article determined after application of all credits and deductions under this article or IC 6-3.6, except the credit ~~under granted by section 7 or 7.5~~ **granted by section 7 or 7.5** of this chapter, but does not include any interest or penalty imposed under this article; ~~and~~
- (2) section 8.5 of this chapter, liability for the tax imposed on property under this article determined after application of all credits and deductions under this article or IC 6-3.6, including the ~~credit~~ **credits** granted by ~~section sections 7, or 7.5, and 7.7~~ **sections 7, or 7.5, and 7.7** of this chapter, but not including the credit granted under section 8.5 of this chapter or any interest or penalty imposed under this article; **and**
- (3) **section 7.7 of this chapter, liability for the tax imposed on property under this article determined after application of all credits and deductions under this article or IC 6-3.6, including the credit granted by section 7 or 7.5 of this chapter, but not**

**including the credits granted under section 7.7 or 8.5 of this chapter or any interest or penalty imposed under this article.**

**SECTION 74. IC 6-1.1-20.6-7.7 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7.7. (a) This section applies for property taxes first due and payable in calendar years beginning after December 31, 2025.**

**(b) A person who qualifies for a standard deduction from the assessed value of the person's homestead under IC 6-1.1-12-37 (or is married at the time of death to a deceased spouse who qualifies for a standard deduction under IC 6-1.1-12-37 for the person's homestead) is also entitled to receive a supplemental homestead credit under this section against the person's property tax liability on the same homestead to which the standard deduction applies.**

**(c) The amount of the credit is equal to the lesser of:**

**(1) the result of:**

(B) in the case of an individual who filed a joint income tax return with the individual's spouse, combined adjusted gross income (as defined in Section 62 of the Internal Revenue Code) not exceeding ~~forty thousand dollars (\$40,000)~~, **seventy thousand dollars (\$70,000)**, and beginning for the January 1, 2023, assessment date, and each assessment date thereafter, adjusted annually by an amount equal to the percentage cost of living increase applied for Social Security benefits for the immediately preceding calendar year;

for the calendar year preceding by two (2) years the calendar year in which property taxes are first due and payable.

For purposes of applying the annual cost of living increases described in subdivision (4)(A) and (4)(B), the annual percentage increase is applied to the adjusted amount of income from the immediately preceding year.

(b) Except as provided in subsection (g), this section does not apply if:

(e) Applications for a credit under this section shall be filed in the manner provided for an application for a deduction under IC 6-1.1-12-9 **(before its expiration)**. However, an individual who remains eligible for the credit in the following year is not required to file a statement to apply for the credit in the following year. An individual who receives a credit under this section in a particular year and who becomes ineligible for the credit in the following year shall notify the auditor of the county in which the homestead is located of the individual's ineligibility not later than sixty (60) days after the individual becomes ineligible.

(f) The auditor of each county shall, in a particular year, apply a credit provided under this section to each individual who received the credit in the preceding year unless the auditor determines that the individual is no longer eligible for the credit.

The second installment is either the amount specified in a reconciling statement that will be sent to you, or (if a reconciling statement is not sent until after the second installment is due) an amount equal to fifty percent (50%) of your tax liability for taxes payable in \_\_\_\_\_ (insert year), subject to adjustment to the tax liability authorized by the department of local government finance and approved by the county treasurer. SECTION 80. IC 6-1.1-36-17, AS AMENDED BY P.L.85-2017, SECTION 21, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 17. (a) As used in this section, "nonreverting fund" refers to a nonreverting fund established under subsection (d).

(b) If a county auditor makes a determination that property was not eligible for a standard deduction under IC 6-1.1-12-37 in a particular year within three (3) years after the date on which taxes for the particular year are first due, the county auditor may issue a notice of taxes, interest, and penalties due to the owner that improperly received the standard deduction and include a statement that the payment is to be made payable to the county auditor. The additional taxes and civil penalties that result from the removal of the deduction, if any, are imposed for property taxes first due and payable for an assessment date occurring before the earlier of the date of the notation made under subsection (c)(2)(A) or the date a notice of an ineligible homestead lien is recorded under subsection (e)(2) in the office of the county recorder. The notice must require full payment of the amount owed within:

- (1) one (1) year with no penalties and interest, if:
  - (A) the taxpayer did not comply with the requirement to return the homestead verification form under IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015); and
  - (B) the county auditor allowed the taxpayer to receive the standard deduction in error; or
- (2) thirty (30) days, if subdivision (1) does not apply.

With respect to property subject to a determination made under this subsection that is owned by a bona fide purchaser without knowledge of the determination, no lien attaches for any additional taxes and civil penalties that result from the removal of the deduction.

(c) If a county auditor issues a notice of taxes, interest, and penalties due to an owner under subsection (b), the county auditor shall:

- (1) notify the county treasurer of the determination; and
- (2) do one (1) or more of the following:
  - (A) Make a notation on the tax duplicate that the property is ineligible for the standard deduction and indicate the date the notation is made.
  - (B) Record a notice of an ineligible homestead lien under subsection (e)(2).

(d) Each county auditor shall establish a nonreverting fund. Upon

collection of the adjustment in tax due (and any interest and penalties on that amount) after the termination of a deduction or credit as specified in subsection (b), the county treasurer shall deposit that amount:

- (1) in the nonreverting fund, if the county contains a consolidated city; or
- (2) if the county does not contain a consolidated city:
  - (A) in the nonreverting fund, to the extent that the amount collected, after deducting the direct cost of any contract, including contract related expenses, under which the contractor is required to identify homestead deduction eligibility, does not cause the total amount deposited in the nonreverting fund under this subsection for the year during which the amount is collected to exceed one hundred thousand dollars (\$100,000); or
  - (B) in the county general fund, to the extent that the amount collected exceeds the amount that may be deposited in the nonreverting fund under clause (A).

(e) Any part of the amount due under subsection (b) that is not collected by the due date is subject to collection under one (1) or more of the following:

- (1) After being placed on the tax duplicate for the affected property and collected in the same manner as other property taxes.

The adjustment in tax due (and any interest and penalties on that amount) after the termination of a deduction or credit as specified in subsection (b) shall be deposited as specified in subsection (d) only in the first year in which that amount is collected. Upon the collection of the amount due under subsection (b) or the release of a lien recorded under subdivision (2), the county auditor shall submit the appropriate documentation to the county recorder, who shall amend the information recorded under subdivision (2) without charge to indicate that the lien has been released or the amount has been paid in full.

(f) The amount to be deposited in the nonreverting fund or the county general fund under subsection (d) includes adjustments in the tax due as a result of the termination of deductions or credits available only for property that satisfies the eligibility for a standard deduction under IC 6-1.1-12-37, including the following:

- (1) Supplemental deductions under IC 6-1.1-12-37.5.
- (2) Homestead credits under IC 6-1.1-20.4, IC 6-3.6-5 (**before its expiration**), IC 6-3.6-11-3 (**before its expiration**), or any other

law.

(3) Credit for excessive property taxes under IC 6-1.1-20.6-7.5 or IC 6-1.1-20.6-8.5.

Any amount paid that exceeds the amount required to be deposited under subsection (d)(1) or (d)(2) shall be distributed as property taxes.

(g) Money deposited under subsection (d)(1) or (d)(2) shall be treated as miscellaneous revenue. Distributions shall be made from the nonreverting fund established under this section upon appropriation by the county fiscal body and shall be made only for the following purposes:

(1) Fees and other costs incurred by the county auditor to discover property that is eligible for a standard deduction under IC 6-1.1-12-37.

(2) Other expenses of the office of the county auditor.

The amount of deposits in a reverting fund, the balance of a nonreverting fund, and expenditures from a reverting fund may not be considered in establishing the budget of the office of the county auditor or in setting property tax levies that will be used in any part to fund the office of the county auditor.

(f) An individual wishing to claim a credit under this section must file a statement, on forms prescribed by the department of local government finance, with the county auditor and provide documentation necessary to substantiate the individual's eligibility for the credit. The statement must be completed and dated on or before January 15 of the calendar year in which the property taxes are first due and payable. The statement may be filed in person or by mail. If mailed, the mailing must be postmarked on or before the last day for filing. An individual who remains eligible for the credit in the following year is not required to file a statement to apply for the credit in the following year. SECTION 85. IC 6-1.1-52 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]:

**Chapter 52. County Option Homestead Property Tax Deferral Program**

SEA 1 — Concur

**Sec. 1.** As used in this chapter, "homestead" means a homestead as defined in IC 6-1.1-12-37.

**Sec. 2.** As used in this chapter, "homestead property tax liability" refers to a liability for property taxes:

- (1) that are assessed on tangible property that is a homestead, including all tangible property, regardless of type, located in any parcel that contains the homestead; and
- (2) that would be first due and payable in a certain year if the property taxes were not deferred under this chapter.

The term refers to a property tax liability after the application of all deductions and credits for which the homestead is eligible.

**Sec. 3.** As used in this chapter, "property taxes" refers to ad valorem property taxes. The term does not include special assessments, fees, or charges that are included by law on a tax statement issued under IC 6-1.1-22-8.1 or IC 6-1.1-22.5.

**Sec. 4.** As used in this chapter, "qualified individual" means an individual who:

- (1) has a qualified interest in a homestead on the assessment date for which homestead property tax liability is imposed;
- (2) has held a qualified interest in the homestead for at least five (5) years before first applying for a deferral of homestead property tax liability;
- (3) uses the homestead in which the individual has a qualified interest as the individual's principal place of residence. An individual shall be treated as using a homestead as the individual's principal place of residence if the individual:
  - (A) is absent from the homestead while in a health care facility (as defined in IC 16-18-2-161 or IC 16-28-13-0.5) for which payment is received from the United States Department of Health and Human Services for the individual's care; but
  - (B) used the homestead as the individual's principal place of residence immediately before being admitted to a health care facility (as defined in IC 16-18-2-161 or IC 16-28-13-0.5);
- (4) is not delinquent in the payment of any property taxes, special assessments, or fees or charges that are included by law on a tax statement issued under IC 6-1.1-22-8.1 or IC 6-1.1-22.5; and
- (5) meets any other qualifications that a county may choose to require in an ordinance adopted under this chapter, which may include:

- (A) an age requirement for senior citizens;
- (B) an assessed value limitation (such as an assessed value limit of three hundred thousand dollars (\$300,000));
- (C) veteran status; or
- (D) an income based limitation.

**Sec. 5.** As used in this chapter, "qualified interest" means the following:

- (1) An ownership interest in a homestead.
- (2) An interest in a contract for the purchase of a homestead that:
  - (A) is recorded in the county recorder's office; and
  - (B) provides that a person purchasing the homestead is to pay the property taxes on the homestead.

**Sec. 6. (a)** A county fiscal body may adopt an ordinance to establish a homestead property tax deferral program to be administered by the county treasurer as provided in this chapter.

**(b)** An ordinance adopted under this section must apply to all of the territory of the county and allow a qualified individual to apply for and receive deferral of the qualified individual's homestead property tax liability as set forth in this chapter.

**(c)** For a homestead property tax deferral program to be first applicable to property taxes first due and payable in a particular calendar year, the county fiscal body must adopt the ordinance to establish the homestead property tax deferral program not later than November 1 of the immediately preceding calendar year.

**Sec. 7. (a)** Beginning with property taxes first due and payable in 2026, and subject to subsection (g), a qualified individual in a county with a homestead property tax deferral program may apply to the county auditor to defer the due date for the qualified individual's homestead property tax liability as permitted under this chapter.

**(b)** A qualified individual may defer at least one hundred dollars (\$100), but not more than five hundred dollars (\$500), of the qualified individual's homestead property tax liability in a given calendar year.

**(c)** Except as provided in subsections (d) and (f), amounts deferred under this chapter for prior years may continue to accumulate until the delayed due date under this chapter.

**(d)** A qualified individual may not defer more than ten thousand dollars (\$10,000) of the qualified individual's homestead property tax liability over consecutive years.

**(e)** The county treasurer may accrue interest on a qualified

individual's deferred tax balance amount on a monthly basis not to exceed four percent (4%) beginning on the date of the deferral.

(f) No deferral of homestead property tax liability shall be granted if the total amount of deferred taxes under this chapter plus the total amount of all other liens on the homestead property plus the outstanding principal on all mortgages on the homestead property exceed one hundred percent (100%) of the homestead's assessed value.

(g) To be eligible for the homestead property tax deferral program, a qualified individual must:

- (1) submit with the homestead property tax deferral program application the written approval of any holder of a lien on the homestead property; and
- (2) agree to not pay the individual's remaining non-deferred payments by escrow.

Sec. 8. (a) Before October 1, 2025, the department of local government finance shall prescribe and make available to the public a tax deferral loan application and agreement that must be used for purposes of this chapter.

(b) A qualified individual wishing to obtain a deferral of homestead property tax liability for a calendar year must file with the county auditor a completed loan application on or before January 15 of the calendar year in which the property taxes are first due and payable and enter into a tax deferral agreement with the county auditor before March 1 of that year. Any recording fees required by a county recorder to file the application shall be paid by the taxpayer.

(c) An application for a deferral must be filed with the county auditor in the county where the homestead is located. Upon the filing of an application, the county auditor shall immediately:

- (1) notify the county treasurer and transmit the information that the county treasurer needs to match the application with the county treasurer's records related to the homestead; and
- (2) review the application to determine:
  - (A) whether the applicant qualifies for a deferral; and
  - (B) the amount that may be deferred.

(d) After an initial application, an applicant remains eligible for a deferral in subsequent years so long as the applicant continues to meet the eligibility requirements for deferral under this chapter.

Sec. 9. (a) If the applicant is qualified for a deferral, the county auditor shall:

- (1) approve the deferral in the lesser of:

- (A) the amount requested by the applicant, which may not be less than one hundred dollars (\$100); or
  - (B) the maximum amount, which is five hundred dollars (\$500);
  - (2) provide for the recording of the deferral in the county recorder's office specifying the amount of property tax deferred; and
  - (3) notify the county treasurer and the department of local government finance of the amount deferred.
- (b) An applicant must enter into a tax deferral agreement with the county auditor for each year that homestead property taxes are deferred under this chapter.
- (c) The recording of a deferral in the county recorder's office shall constitute a lien on the homestead property.
- Sec. 10. (a)** Property taxes deferred under this chapter are due and payable one hundred eighty (180) days after the date on which a deferral termination event occurs.
- (b) Subject to subsection (c), a deferral termination event occurs on the earlier of the following dates:
- (1) The first date on which the qualified individual who had a qualified interest in the homestead when the property taxes were deferred:
    - (A) ceases to use the homestead as the individual's principal place of residence as provided in section 4(3) of this chapter; or
    - (B) no longer has a qualified interest in the homestead.
  - (2) The date of the death of the qualified individual who had a qualified interest in the homestead when property taxes were deferred.
- (c) This subsection applies only to a surviving spouse who was not a qualified individual on the date on which property taxes were deferred. If a deceased individual was a qualified individual on the date on which property taxes were deferred, the deceased individual's surviving spouse shall be treated after the deceased individual's death as if the surviving spouse had been a qualified individual on the date on which property taxes were deferred if:
- (1) the homestead was the surviving spouse's principal place of residence when the deceased qualified individual died; and
  - (2) the surviving spouse has a qualified interest in the homestead not later than the later of:
    - (A) the date of the deceased individual's death; or
    - (B) the date on which the estate of the deceased individual

transfers any part of the ownership of the homestead from the estate.

**Sec. 11.** Deferred property taxes and accrued interest may be paid at any time on or before the delayed due date under section 10 of this chapter. Payment of deferred property taxes after the delayed due date shall be collected in the same manner as delinquent property taxes.

**Sec. 12. (a)** If a payment of deferred property taxes is made, the county treasurer shall notify the county auditor, the county recorder, and the state board of accounts on the form and in the manner prescribed by the state board of accounts. Notice to the county recorder must be in the form of a release of the lien on the homestead for the deferred property taxes. Any payment of deferred property taxes made within a particular installment period must be delineated by taxing district throughout the settlement process.

**(b)** When payment of deferred property taxes is made, the deferred property taxes shall be apportioned and distributed among the respective funds of the taxing units in the same manner as other property taxes are apportioned and distributed in the calendar year in which the payment of deferred property taxes is made.

**Sec. 13.** Whenever an individual who is a qualified individual on an assessment date for which property taxes were deferred:

- (1)** ceases to use the homestead as the individual's principal place of residence as provided in section 4(3) of this chapter;
- (2)** ceases to have a qualified interest in the homestead; or
- (3)** changes the individual's qualified interest in the homestead;

or a surviving spouse becomes a qualified individual, a person responsible for paying the property taxes on the homestead shall notify the county auditor in the county where the homestead is located on the form and in the manner prescribed by the department of local government finance. The county auditor shall review the information filed under this section to determine whether a deferral termination event has occurred.

**Sec. 14. (a)** If, as the result of the filing of information with the county auditor or on the county auditor's own motion, the county auditor determines that a deferral termination event has occurred, the county auditor shall notify the county treasurer, the county recorder, and the department of local government finance on the form and in the manner prescribed by the department of local

government finance.

(b) A county auditor shall give written notice of each determination under this chapter to the qualified individuals for the affected homestead.

**Sec. 15. The county recorder shall record the following without charge in the miscellaneous records of the county recorder:**

- (1) A statement of the amount of property tax deferred.**
- (2) A statement of payment of deferred property taxes.**
- (3) A notice of termination of a deferral.**

SECTION 86. IC 6-3-2-27.5, AS ADDED BY P.L.194-2023, SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 27.5. (a) As used in this section, "compensation" means any wages, salaries, tips, or similar income that is subject to the withholding requirements under IC 6-3-4-8, or would otherwise be subject to the withholding requirements under IC 6-3-4-8 if not for the application of:

- (1) IC 6-3-4-8(d);
- (2) IC 6-3-5; or
- (3) this section.

(b) As used in this section, "professional athlete" means:

- (1) an athlete, other than a team member (as defined in section 2.7(a)(4) of this chapter) or a race team member (as defined in section 3.2(a)(4) of this chapter), who performs services in a professional athletic event for compensation;
- (2) a team member (as defined in section 2.7(a)(4) of this chapter) who has at least one (1) duty day in Indiana during a taxable year; or
- (3) a race team member (as defined in section 3.2(a)(4) of this chapter) who has at least one (1) duty day in Indiana during a taxable year.

(c) As used in this section, "professional entertainer" means a person who performs services in the professional performing arts for compensation on a per-event basis.

(d) As used in this section, "public figure" means a person of prominence who performs services at discrete events, including speeches, public appearances, and similar events, for compensation on a per-event basis.

(e) As used in this section, "time and attendance system" means a system:

- (1) through which an employee is required, on a contemporaneous basis, to record the employee's work location for each day worked outside the state in which the employee's employment duties are

primarily performed; and

(2) which is designed to allow the employer to allocate the employee's compensation for income tax purposes among all states in which the employee performs employment duties.

(f) Except as provided in subsection (j), compensation is exempt from the adjusted gross income tax imposed under this article and IC 6-3.6 if all of the following conditions are met:

(1) The individual is not a resident of Indiana at any time during the calendar year in which the employee performs employment duties.

(2) The individual receives compensation for employment duties performed by the individual in Indiana for thirty (30) days or less during the calendar year.

(3) The compensation is not paid for employment duties performed by the individual in the individual's capacity as a professional athlete, professional entertainer, or public figure.

(g) Except as otherwise provided in this section, an employer is not required to withhold taxes imposed under this article or IC 6-3.6 from compensation paid to an employee described in subsection (f). However, if the number of days that an employee performs employment duties in Indiana exceeds thirty (30) days, the employer shall withhold and remit tax to the state of Indiana from all compensation paid to the employee for every day on which the employee performed employment duties in Indiana, including the first thirty (30) days.

(h) The department may not require payment of any penalties otherwise applicable for a failure to deduct and withhold income taxes under IC 6-3-4-8, if, when making the determination of whether withholding was required, either of the following applied:

(1) The employer relied on a time and attendance system maintained by the employer specifically designed to allocate employee wages for income tax purposes among all taxing jurisdictions in which the employee performs employment duties for the employer.

(2) The employer did not maintain a time and attendance system and the employer relied on the employee's annual determination of the time the employee expected to spend performing employment duties in Indiana, if:

(A) the employer did not have actual knowledge of fraud on the part of the employee in making the determination; and

(B) the employer and the employee did not collude to evade taxation in making the determination.

An employer's maintaining of records as described in subdivision (1) does not preclude an employer's ability to rely on an employee's determination of the time the employee expected to spend performing employment duties in Indiana as described in subdivision (2) when making the determination of whether withholding is required.

(i) For purposes of this section:

- (1) subject to subdivision (3), an employee shall be considered present and performing employment duties within Indiana if the employee performs more of the employee's employment duties within Indiana than in any other state during a particular day;
- (2) any portion of the day during which an employee is in transit may not be considered in determining the location of the employee's performance of employment duties; and
- (3) if an employee performs employment duties in the employee's state of residence and in only one (1) nonresident state during a particular day, the employee shall be considered to have performed more of the employee's employment duties in the nonresident state than in the state of residence for that day.

(j) The following apply for purposes of this section:

(1) If an individual receives compensation for employment duties performed by the individual both:

(A) in the individual's capacity as a professional athlete, professional entertainer, or public figure; and

(B) in some capacity other than the individual's capacity as a professional athlete, professional entertainer, or public figure; the exemption under this section may not be applied to the portion of compensation described in clause (B).

(2) If an employee is working at a location other than a physical location of the employer, the employee shall be considered to be working in the state or states in which the services for the employer are performed, regardless of the physical location of the employer.

(3) If an individual performs employment duties in Indiana for more than thirty (30) days during a calendar year, compensation received by the individual is not eligible for the exemption under this section.

(4) If an individual performs substantially similar job duties for an employer both while designated as an employee and in some capacity other than as an employee during a calendar year, the number of days for which the individual shall be considered to have worked in Indiana with regard to that employer must be determined by aggregating the days for which the individual

performed duties for the employer, whether designated as an employee or not.

(5) If an employer or individual reasonably believes that an individual is an employee for a calendar year but the individual is later determined to not be an employee, the individual:

(A) is subject to tax under this article and IC 6-3.6 on any income that otherwise would have been exempt under this section; and

(B) is not subject to penalties under IC 6-3-4-4.1 or IC 6-8.1-10-2.1 based on the inclusion of amounts claimed as exempt under this section as income.

(6) If an individual is not a resident of Indiana, amounts paid for vacation, sick, personal, or any other type of leave may not be considered as compensation in Indiana, and any day for which a type of leave is used may not be considered as a day for which the individual performed services for an employer unless the individual performed services for the employer in Indiana on that day and the day would otherwise be counted as a day of services performed in Indiana under this section.

(7) The exemption provided under this section shall not apply to an individual's compensation that is deferred or delayed from a previous calendar year to a subsequent calendar year unless:

(A) the individual was exempt from taxation under this section on the compensation for the calendar year in which the compensation was earned; and

(B) the individual is not a resident of Indiana when the individual includes the compensation in the individual's federal gross income.

If an individual who sits on the fiscal body is absent from the meeting in which a vote is taken or abstains from voting on the resolution or proposed ordinance; the fiscal officer of the county, city, or town shall nevertheless consider that individual's vote as a "no" vote against the resolution or the proposed ordinance being considered; whichever is applicable; for purposes of the vote tally under this section and shall note on the vote tally that the individual's "no" vote is due to absence or abstention. The fiscal body of each county, city, or town shall certify the roll call vote on a resolution or a proposed ordinance; either for or against; to the county auditor as set forth under this chapter. This subsection expires May 31, 2025.

To inform an adopting body with regard to allocations that affect the payment of bonds, leases, or other obligations, a taxing unit may provide the adopting body with information regarding any outstanding bonds, leases, or other

**(c) The tax rate must be in increments of one-hundredth of one percent (0.01%) and may not exceed three-tenths of one percent (0.3%).**

SECTION 128. IC 6-3.6-6-4.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: **Sec. 4.5. (a)** Revenue raised from a tax rate for nonmunicipal civil taxing units under section 2(b)(3) of this chapter may be distributed by the county to nonmunicipal civil taxing units subject to the provisions of this section.

(b) Subject to the maximum aggregate tax rate of not more than two-tenths of one percent (0.2%) under section 2(b)(3) of this chapter, the adopting body may adopt a tax rate for each type of nonmunicipal civil taxing unit, which may not exceed more than five-hundredths of one percent (0.05%) for any given unit type. The revenue raised from a tax rate for a specific type of nonmunicipal civil taxing unit shall be allocated to all nonmunicipal civil taxing units of that same type located within the county on a pro rata per capita basis, subject to subsection (e).

(c) A county solid waste management district (as defined in IC 13-11-2-47) or a joint solid waste management district (as defined in IC 13-11-2-113) is not an eligible nonmunicipal civil taxing unit for the purpose of receiving an allocation of general purpose revenue under this chapter unless a majority of the members of each of the county fiscal bodies of the counties within the district passes a resolution approving the distribution.

(d) A resolution passed by a county fiscal body under subsection (c) may:

- (1) expire on a date specified in the resolution; or
- (2) remain in effect until the county fiscal body revokes or rescinds the resolution.

(e) A nonmunicipal civil taxing unit wishing to receive a share of revenue under this section in a year must adopt a resolution

requesting the distribution from the county and must provide a certified copy of the resolution to the adopting body not later than July 1 of the year immediately preceding the distribution year. Not later than August 1 of the year immediately preceding the distribution year, the adopting body shall hold a public hearing on the resolution requesting the distribution and provide the public with notice of the time and place where the public hearing will be held. The notice must be given in accordance with IC 5-3-1 and include a description of the resolution requesting the distribution from the county.

(f) If a nonmunicipal civil taxing unit adopts a resolution under this subsection and provides the resolution to the adopting body as set forth in this subsection, the county shall distribute to the nonmunicipal civil taxing unit an amount of revenue raised from the tax rate under section 2(b)(3) of this chapter for the distribution year as set forth in subsection (f).

(g) If one (1) or more, but not all, nonmunicipal civil taxing units adopt a resolution under subsection (e) requesting a distribution in a given year, the county may either distribute the total amount of revenue raised from the tax rate under section 2(b)(3) of this chapter to only those nonmunicipal civil taxing units that have provided a resolution request, or the county may distribute the total amount of revenue raised from a tax rate under section 2(b)(3) of this chapter to all nonmunicipal civil taxing units as set forth in this section. If no nonmunicipal civil taxing units adopt a resolution to request a distribution in a given year, the county may retain the revenue raised from a tax rate for nonmunicipal civil taxing units for that year and use the revenue as general purpose revenue for the county under section 4 of this chapter.

SECTION 129. IC 6-3.6-6-6.1 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: **Sec. 6.1. (a) Revenue raised from a tax rate for certain cities and towns under section 2(b)(4) of this chapter may be distributed by the county to those cities and towns subject to the provisions of this section.**

**(b) Subject to subsection (g), the revenue raised from a tax rate under section 2(b)(4) of this chapter shall be allocated to the cities and towns based on the population of the city or the population of the town, whichever is applicable, compared to the population of all the cities or the population of all the towns, whichever is applicable, that are eligible for a distribution, subject to subsection**

(d). For purposes of this determination, if the boundaries of a city or town are located in more than one (1) county, only the portion of the population of the city or town that is located within the county imposing the tax rate under section 2(b)(4) of this chapter shall be considered.

(c) The money may be used by the city or town fiscal body for any of the purposes of the city or town, including public safety (as defined in IC 6-3.6-2-14) and economic development purposes described in IC 6-3.6-10. The city or town fiscal body may pledge its general purpose revenue to the payment of bonds or to lease payments as set forth in this chapter.

(d) An eligible city or town wishing to receive a share of revenue under this section in a year must adopt a resolution requesting the distribution from the county and must provide a certified copy of the resolution to the adopting body not later than July 1 of the year immediately preceding the distribution year. Not later than August 1 of the year immediately preceding the distribution year, the adopting body shall hold a public hearing on the resolution requesting the distribution and provide the public with notice of the time and place where the public hearing will be held. The notice must be given in accordance with IC 5-3-1 and include a description of the resolution requesting the distribution from the county.

(e) Subject to subsection (g), if an eligible city or town adopts a resolution under this subsection and provides the resolution to the adopting body as set forth in this subsection, the county shall distribute to the eligible city or town unit an amount of revenue raised from the tax rate under section 2(b)(4) of this chapter for the distribution year as set forth in subsection (f).

(f) Subject to subsection (g), if one (1) or more, but not all, eligible cities or towns adopt a resolution under subsection (d) requesting a distribution in a given year, the county may either distribute the total amount of revenue raised from the tax rate under section 2(b)(4) of this chapter to only those eligible cities or towns that have provided a resolution request, or the county may distribute the total amount of revenue raised from a tax rate under section 2(b)(4) of this chapter to all eligible cities or towns as set forth in this section. If no eligible city or town adopts a resolution to request a distribution in a given year, the county may retain the revenue raised from a tax rate for the eligible city or town for that year and use the revenue as general purpose revenue for the county under section 4 of this chapter.

(g) Notwithstanding any provision to the contrary in this section, if an adopting body that imposes a tax rate of one and two-tenths percent (1.2%) under section 2(b)(1) of this chapter subsequently adopts an ordinance to concurrently impose a tax rate under section 2(b)(4) of this chapter:

- (1) seventy-five percent (75%) of the revenue received from the tax rate imposed under section 2(b)(4) of this chapter shall be retained by the county and may be used for the purposes described in section 4 of this chapter; and
- (2) twenty-five percent (25%) of the revenue received from the tax rate imposed under section 2(b)(4) of this chapter shall be distributed among the eligible cities and towns as set forth in this section and may be used for the purposes set forth in this section.

However, the adopting body may, by ordinance, determine to allocate any percentage of the revenue that would otherwise be retained by the county under subdivision (1) to instead be allocated among the eligible cities and towns under subdivision (2).

SECTION 130. IC 6-3.6-6-8, AS AMENDED BY P.L.101-2024, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 8. (a) This section applies to the allocation of additional revenue from a tax under this chapter to public safety purposes. Funding dedicated for a PSAP under a former tax continues to apply under this chapter until it is rescinded or modified. If funding was not dedicated for a PSAP under a former tax, the adopting body may adopt a resolution providing that all or part of the additional revenue allocated to public safety is to be dedicated for a PSAP. The resolution first applies in the following year and then thereafter until it is rescinded or modified. Funding dedicated for a PSAP shall be allocated and distributed as provided in IC 6-3.6-11-4.

(b) Except as provided in subsections (c) and (d), the amount of the certified distribution that is allocated to public safety purposes, and after making allocations under IC 6-3.6-11, shall be allocated to the county and to each municipality in the county that is carrying out or providing at least one (1) public safety purpose. For purposes of this subsection, in the case of a consolidated city, the total property taxes imposed by the consolidated city include the property taxes imposed by the consolidated city and all special taxing districts (except for a public library district, a public transportation corporation, and a health and hospital corporation); and all special service districts. The amount allocated under this subsection to a county or municipality is equal to the result of:

(1) the amount of the remaining certified distribution that is allocated to public safety purposes; multiplied by

(2) a fraction equal to:

(A) in the case of a county that initially imposed a rate for public safety under IC 6-3.5-6 (repealed); the result of the total property taxes imposed in the county by the county or municipality for the calendar year preceding the distribution year; divided by the sum of the total property taxes imposed in the county by the county and each municipality in the county that is entitled to a distribution under this section for that calendar year; or

(B) in the case of a county that initially imposed a rate for public safety under IC 6-3.5-1.1 (repealed) or a county that did not impose a rate for public safety under either IC 6-3.5-1.1 (repealed) or IC 6-3.5-6 (repealed); the result of the attributed allocation amount of the county or municipality for the calendar year preceding the distribution year; divided by the sum of the attributed allocation amounts of the county and each municipality in the county that is entitled to a distribution under this section for that calendar year.

(e) (a) A fire department, volunteer fire department, or emergency medical services provider that:

(1) provides fire protection or emergency medical services within the county; and

(2) is operated by or serves a political subdivision that is not otherwise entitled to receive a distribution of tax revenue under this section;

may, before July 1 of a year, apply to the adopting body for a distribution of tax revenue under ~~this section~~ **4.3 of this chapter** during the following calendar year. The adopting body shall review an application submitted under this subsection. However, after giving notice under IC 5-3-1, the adopting body shall review an application by a township that provided fire protection or emergency medical services in the most recent calendar year and imposed a property tax levy for the provision of fire protection or emergency medical services within the county in the most recent calendar year at a public hearing. The adopting body may review multiple applications submitted under this subsection at one (1) public hearing. If applicable, a township shall present and explain its application at the public hearing. Not later than ten (10) days after the public hearing, if applicable, but before September 1 of a year, the adopting body may adopt a resolution requiring that one (1) or more of the applicants shall receive a specified

amount of the tax revenue to be distributed under ~~this~~ **section 4.3 of this chapter** during the following calendar year. The adopting body shall provide a copy of the resolution to the county auditor and the department of local government finance not more than fifteen (15) days after the resolution is adopted. A resolution adopted under this subsection and provided in a timely manner to the county auditor and the department applies only to distributions in the following calendar year. ~~Any amount of tax revenue distributed under this subsection to a fire department, volunteer fire department, or emergency medical services provider shall be distributed before the remainder of the tax revenue is allocated under subsection (b).~~

~~(d)~~ **(b)** A township fire department, volunteer fire department, fire protection territory, or fire protection district that:

- (1) provides fire protection or emergency medical services within a county; and
- (2) is operated by or serves a political subdivision;

may, before July 1 of a year, apply to the adopting body for a distribution of tax revenue under ~~this~~ **section 4.3 of this chapter** during the following calendar year. The adopting body shall review an application submitted under this subsection. However, after giving notice under IC 5-3-1, the adopting body shall review an application submitted by a township that provided fire protection or emergency medical services in the most recent calendar year and that imposed a property tax levy for the provision of fire protection or emergency medical services within the county in the most recent calendar year at a public hearing. The adopting body may review multiple applications submitted under this subsection at one (1) public hearing. If applicable, a township shall present and explain its application at the public hearing. From the amount of the certified distribution that is allocated to public safety purposes, and after making allocations under IC 6-3.6-11, the adopting body may adopt a resolution that one (1) or more township fire departments, volunteer fire departments, fire protection territories, or fire protection districts shall receive an amount of the tax revenue to be distributed under ~~this~~ **section 4.3 of this chapter** during the following calendar year up to one hundred percent (100%) of the revenue collected from that portion of the tax rate imposed for allocations for public safety purposes that does not exceed a rate of five one-hundredths of one percent (0.05%). A resolution adopted under this subsection must include information on the service area for each township fire department, volunteer fire department, fire protection territory, or fire protection district, as applicable. Any distribution under this subsection must be based on the assessed value

of real property, not including land, that is served by each township fire department, volunteer fire department, fire protection territory, or fire protection district, as applicable. The adopting body shall provide a copy of the resolution to the county auditor and the department of local government finance not more than fifteen (15) days after the resolution is adopted. A resolution adopted under this subsection and provided in a timely manner to the county auditor and the department applies only to distributions in the following calendar year. ~~Any amount of tax revenue distributed under this subsection to a township fire department, volunteer fire department, fire protection territory, or fire protection district, as applicable, shall be distributed before the remainder of the tax revenue is allocated under subsection (b).~~

SECTION 131. IC 6-3.6-6-8.5, AS AMENDED BY P.L.104-2022, SECTION 28, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 8.5. (a) This section applies only to Marion County.

(b) The adopting body may allocate ~~additional~~ **general purpose** revenue to fund the operation of a public library in Marion County as provided in an election, if any, made by the county fiscal body under IC 36-3-7-6. ~~An allocation under this section shall be made from the part of the additional revenue that would otherwise be allocated as certified shares.~~

(c) The adopting body may allocate ~~additional~~ **general purpose** revenue to fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42. ~~An allocation under this section shall be made from the part of the additional revenue that would otherwise be allocated as certified shares.~~

(d) The adopting body may allocate ~~additional~~ **general purpose** revenue to fund the operation of a public communications systems and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b). ~~The additional revenue shall be allocated and distributed before the allocation and distribution of the remaining tax revenue under this chapter.~~

SECTION 132. IC 6-3.6-6-9 IS REPEALED [EFFECTIVE JULY 1, 2027]. Sec. 9: (a) This section applies to the allocation of additional revenue from a tax under this chapter for economic development purposes:

(b) Money designated for economic development purposes shall be allocated to the county, cities, and towns for use by the taxing unit's fiscal body for any of the purposes described in IC 6-3.6-10. Except as provided in subsections (c) and (d) and IC 6-3.6-11; and subject to

adjustment as provided in IC 36-8-19-7.5, the amount of the certified distribution allocated to economic development purposes that the county and each city or town in a county is entitled to receive each month of each year equals the amount determined using the following formula:

STEP ONE: Determine the sum of:

- (A) the total property taxes being imposed by the county; city; or town during the calendar year preceding the distribution year; plus
- (B) for a county; the welfare allocation amount.

STEP TWO: Determine the quotient of:

- (A) The STEP ONE amount; divided by
- (B) the sum of the total property taxes that are first due and payable to the county and all cities and towns of the county during the calendar year preceding the distribution year plus the welfare allocation amount.

STEP THREE: Determine the product of:

- (A) the amount of the certified distribution allocated to economic development purposes for that month; multiplied by
- (B) the STEP TWO amount.

(c) The body imposing the tax may adopt an ordinance before August 2 of a year to provide for a distribution of the amount allocated to economic development purposes based on population instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

- (1) The ordinance is effective January 1 of the following year.
- (2) The amount of the certified distribution allocated to economic development purposes that the county and each city and town in the county are entitled to receive during each month of each year equals the product of:
  - (A) the amount of the certified distribution that is allocated to economic development purposes for the month; multiplied by
  - (B) the quotient of:
    - (i) for a city or town; the population of the city or the town that is located in the county and for a county; the population of the part of the county that is not located in a city or town; divided by
    - (ii) the population of the entire county.
- (3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.
- (d) In a county having a consolidated city, only the consolidated city is entitled to the amount of the certified distribution that is allocated to

~~economic development purposes.~~

SECTION 133. IC 6-3.6-6-9.5, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 9.5. (a) The executive of a county, city, or town may:

- (1) adopt a capital improvement plan specifying the uses of ~~the additional general purpose~~ revenue to be allocated for economic development purposes; or
- (2) designate the county or a city or town in the county as the recipient of all or a part of its ~~share of the additional general purpose~~ revenue that is distributed to it for economic development purposes.

(b) If a designation is made under subsection (a)(2), the county treasurer shall transfer the share or part of the share to the designated unit unless that unit does not have a capital improvement plan.

(c) A county, city, or town that fails to adopt a capital improvement plan may not receive

- ~~(1) its fractional amount of the additional revenue to be allocated for economic development purposes; or~~
- ~~(2) any amount designated under subsection (a)(2)~~

for the year or years in which the unit does not have a plan. The county treasurer shall retain the amounts not distributed for such a unit in a separate account until the unit adopts a plan. Interest on the separate account becomes part of the account. If a unit fails to adopt a plan for a period of three (3) years, the balance in the separate account shall be distributed to the other units in the county in the same manner that other ~~additional general purpose~~ revenue allocated for economic development purposes is distributed.

(d) A capital improvement plan must include the following components:

- (1) Identification and general description of each project that would be funded by other ~~additional general purpose~~ revenue allocated for economic development purposes.
- (2) The estimated total cost of the project.
- (3) Identification of all sources of funds expected to be used for each project.
- (4) The planning, development, and construction schedule of each project.

(e) A capital improvement plan:

- (1) must encompass a period of not less than two (2) years; and
- (2) must incorporate projects the cost of which is at least seventy-five percent (75%) of the fractional amount of ~~additional~~

**general purpose** revenue allocated for economic development purposes that is expected to be received by the county, city, or town in that period.

(f) In making a designation under subsection (a)(2), the executive must specify the purpose and duration of the designation. If the designation is made to provide for the payment of lease rentals or bond payments, the executive may specify that the designation and its duration are irrevocable.

SECTION 134. IC 6-3.6-6-10 IS REPEALED [EFFECTIVE JULY 1, 2027]. Sec. 10: (a) This section applies to additional revenue from a tax under this chapter that is allocated for certified shares:

(b) Additional revenue remaining from a tax imposed under this chapter, after deducting the amounts allocated to public safety purposes and economic development purposes, shall be allocated among the civil taxing units as certified shares:

SECTION 135. IC 6-3.6-6-11 IS REPEALED [EFFECTIVE JULY 1, 2027]. Sec. 11: (a) Except as provided in this chapter and IC 6-3.6-11, this section applies to an allocation of certified shares in all counties:

(b) Any civil taxing unit that imposed an ad valorem property tax levy in the county for the calendar year preceding the distribution year is eligible for an allocation for the distribution year under this chapter.

(c) A school corporation is not a civil taxing unit for the purpose of receiving an allocation of certified shares under this chapter. The distributions to school corporations and civil taxing units in counties that formerly imposed a tax under IC 6-3.5-1.1 (repealed) as provided in section 3(a)(2) of this chapter is not considered an allocation of certified shares. A school corporation's allocation amount for purposes of section 3(a)(2) of this chapter shall be determined under section 12 of this chapter.

(d) A county solid waste management district (as defined in IC 13-11-2-47) or a joint solid waste management district (as defined in IC 13-11-2-113) is not a civil taxing unit for the purpose of receiving an allocation of certified shares under this chapter unless a majority of the members of each of the county fiscal bodies of the counties within the district passes a resolution approving the distribution.

(e) A resolution passed by a county fiscal body under subsection (d) may:

- (1) expire on a date specified in the resolution; or
- (2) remain in effect until the county fiscal body revokes or rescinds the resolution.

SECTION 136. IC 6-3.6-6-12 IS REPEALED [EFFECTIVE JULY

1, 2027]. Sec. 12: (a) Except as provided in this chapter and IC 6-3.6-11, this section applies to an allocation of certified shares in all counties:

(b) The allocation amount of a civil taxing unit during a calendar year must be based on the amounts for the calendar year preceding the distribution year and is equal to the amount determined using the following formula:

STEP ONE: Determine the sum of the total property taxes being imposed by the civil taxing unit:

STEP TWO: Determine the sum of the following:

(A) Amounts appropriated from property taxes to pay the principal of or interest on any debenture or other debt obligation issued after June 30, 2005, other than an obligation described in subsection (c):

(B) Amounts appropriated from property taxes to make payments on any lease entered into after June 30, 2005, other than a lease described in subsection (d):

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount:

STEP FOUR: Determine the sum of:

(A) the STEP THREE amount; plus

(B) the civil taxing unit's certified shares plus the amount distributed under section 3(a)(2) of this chapter for the previous calendar year:

The allocation amount is subject to adjustment as provided in IC 36-8-19-7.5:

(c) Except as provided in this subsection, an appropriation for the calendar year preceding the distribution year from property taxes to repay interest and principal of a debt obligation is not deducted from the allocation amount for a civil taxing unit if:

(1) the debt obligation was issued; and

(2) the proceeds were appropriated from property taxes; to refund or otherwise refinance a debt obligation or a lease issued before July 1, 2005. However, an appropriation from property taxes related to a debt obligation issued after June 30, 2005, is deducted if the debt extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid:

(d) Except as provided in this subsection, an appropriation for the calendar year preceding the distribution year from property taxes to make payments on a lease is not deducted from the allocation amount for a civil taxing unit if:

(1) the lease was issued; and

(2) the proceeds were appropriated from property taxes; to refinance a debt obligation or lease issued before July 1, 2005. However, an appropriation from property taxes related to a lease entered into after June 30, 2005, is deducted if the lease extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

SECTION 137. IC 6-3.6-6-14 IS REPEALED [EFFECTIVE JULY 1, 2027]. Sec. 14: (a) This section applies to an allocation of certified shares in a county other than Marion County:

(b) Subject to this chapter, certified shares must be allocated among civil taxing units based on the attributed allocation amount:

(c) The amount of certified shares to be allocated to each civil taxing unit is equal to:

(1) the total amount of the certified distribution that is allocated to certified shares for the county for the month; multiplied by

(2) the quotient of:

(A) the attributed allocation amount for the civil taxing unit in the county during the calendar year; divided by

(B) the sum of the attributed allocation amounts for all civil taxing units in the county during the calendar year:

SECTION 138. IC 6-3.6-6-15 IS REPEALED [EFFECTIVE JULY 1, 2027]. Sec. 15: (a) This section applies to an allocation or distribution, or both, of certified shares that is required to be made to a civil taxing unit in a county other than Marion County:

(c) The fiscal ~~body officer~~ of the ~~civil taxing~~ unit may direct the county auditor in **accordance with** the ordinance to withhold from the ~~civil taxing~~ unit's allocation the amount that is the subject of the ordinance and distribute the amount directly to the other governmental entity authorized to receive the money.

SECTION 143. IC 6-3.6-6-20 IS REPEALED [EFFECTIVE JULY 1, 2027]. Sec. 20: (a) ~~This section does not apply to distributions of revenue under section 9 of this chapter.~~

(b) ~~This section applies only to the following:~~

- (1) ~~Any allocation or distribution of revenue under section 3(a)(2) of this chapter that is made on the basis of property tax levies in~~

counties that formerly imposed a tax under IC 6-3.5-1.1 (before its repeal January 1, 2017):

(2) Any allocation or distribution of revenue under section 3(a)(3) of this chapter that is made on the basis of property tax levies in counties that formerly imposed a tax under IC 6-3.5-6 (before its repeal January 1, 2017):

(d) Subject to subsection (b), if for a calendar year a school corporation or civil taxing unit is allocated a part of a county's revenue under section 3(a)(2) or 3(a)(3) of this chapter by subsection (c), the calculations used to determine the shares of revenue of all other school corporations and civil taxing units under section 3(a)(2) or 3(a)(3) of this chapter (as appropriate) shall be changed each month for that same year by reducing the amount of revenue to be distributed by the amount of revenue under section 3(a)(2) or 3(a)(3) of this chapter allocated under subsection (c) for that same month. The department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

- (1) has a population of three thousand five hundred (3,500) or more; and**
- (2) in the case of a city or town whose population decreased in the most recent federal decennial census from three thousand five hundred (3,500) or more to less than three thousand five hundred (3,500), has elected by ordinance to continue to use its previous population of three thousand five hundred (3,500) or more as set forth in section 23(b)(2) of this chapter for purposes of the allocation determination under section 6.1 of this chapter.**

**The term does not include a city or town that has made an election under section 23(b)(3) of this chapter.**

**(c) The following apply if a municipality imposes a local income tax rate under this section:**

- (1) A local income tax rate imposed by a municipality under this section applies only to local taxpayers within the territory of the municipality.**
- (2) The local income tax is imposed in addition to a tax imposed by the county in which the municipality is located in accordance with IC 6-3.6-4-1(a) and IC 6-3.6-4-1(c).**

(e) Beginning after December 31, 2030, a tax rate imposed under subsection (b) shall expire on December 31 of each calendar year. A municipality wishing to continue, increase, or decrease a tax rate in the succeeding year must pass an ordinance to readopt a tax rate in accordance with IC 6-3.6-3-3.3. This subsection applies regardless of whether there is a modification in the tax rate or the rate is unchanged from the previous year.

SECTION 148. IC 6-3.6-6-23 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 23. (a) This section applies in determining the population of a city or town for the purposes of this chapter.

(b) The following apply:

(1) Except as provided in subdivisions (2) and (3), the population of a city or town is the population of the city or town that is reported by the 2020 federal decennial census.

(2) Beginning after 2030, if the population of a city or town:

(A) increases from a population of less than three thousand five hundred (3,500), as reported by the immediately preceding federal decennial census, to a population of three thousand five hundred (3,500) or more, as reported by the most recent federal decennial census, or, if applicable, any corrected population count (as defined in IC 1-1-3.5-1.5) issued for the city or town in the year succeeding the most recent federal decennial census; or

(B) decreases from a population of three thousand five hundred (3,500) or more, as reported by the immediately preceding federal decennial census, to a population of less than three thousand five hundred (3,500), as reported by the most recent federal decennial census, or, if applicable, any corrected population count (as defined in IC 1-1-3.5-1.5) issued for the city or town in the year succeeding the most recent federal decennial census;

the fiscal body of the city or town may adopt an ordinance on or before September 1 of the calendar year immediately succeeding the most recent federal decennial census to continue to use the population of the city or town as reported by the immediately preceding federal decennial census and the resulting determination for the city or town under section 22 of this chapter, notwithstanding the increase or decrease in its population as reported by the most recent federal decennial census as described in this subdivision. An

ordinance adopted under this subdivision shall take effect on January 1 of the calendar year that immediately succeeds the year in which the ordinance is adopted. The fiscal officer of the city or town shall provide a certified copy of an ordinance adopted under this subdivision to the department of local government finance.

(3) This subdivision applies only to cities and towns with a population of more than three thousand five hundred (3,500) but less than seven thousand (7,000). Notwithstanding any other provision, a fiscal body of a city or town may adopt an ordinance to elect to be treated as if the city's or town's population is less than three thousand five hundred (3,500) for purposes of a county local income tax rate and distribution under this chapter. An ordinance adopted under this subdivision shall take effect on January 1 of the calendar year that immediately succeeds the year in which the ordinance is adopted. The fiscal officer of the city or town shall provide a certified copy of an ordinance adopted under this subdivision to the department of local government finance. An ordinance adopted by a city or town under this subdivision is not revocable and shall not expire following the next federal decennial census.

SECTION 149. IC 6-3.6-7-9, AS AMENDED BY P.L.239-2023, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 9. (a) This section applies only to Hancock County.

(b) The county fiscal body may, by ordinance, allocate part of the tax rate imposed under IC 6-3.6-5 **(before its expiration)**, not to exceed a tax rate of fifteen hundredths percent (0.15%), to a property tax credit against the property tax liability imposed for public libraries in the county, if all territory in the county is included in a library district. The county treasurer shall establish a library property tax replacement fund to be used only for the purposes described in this section. Tax revenues derived from the part of the tax rate imposed under ~~IC 6-3-5~~ **IC 6-3.6-5 (before its expiration)** that is designated for property tax replacement credits under this section shall be deposited in the library property tax replacement fund. Any interest earned on money in the library property tax replacement fund shall be credited to the library property tax replacement fund.

(c) The amount of property tax replacement credits that each public library in the county is entitled to receive during a calendar year under this section **(before the expiration of IC 6-3.6-5)** equals the lesser of:

- (1) the product of:
  - (A) the amount of revenue deposited by the county auditor in the library property tax replacement fund; multiplied by
  - (B) a fraction described as follows:
    - (i) The numerator of the fraction equals the sum of the total property taxes that would have been collected by the public library during the previous calendar year from taxpayers located within the library district if the property tax replacement under this section had not been in effect.
    - (ii) The denominator of the fraction equals the sum of the total property taxes that would have been collected during the previous year from taxpayers located within the county by all public libraries that are eligible to receive property tax replacement credits under this section if the property tax replacement under this section had not been in effect; or
- (2) the total property taxes that would otherwise be collected by the public library for the calendar year if the property tax replacement credit under this section were not in effect.

The department of local government finance shall make any adjustments necessary to account for the expansion of a library district. However, a public library is eligible to receive property tax replacement credits under this section only if it has entered into reciprocal borrowing agreements with all other public libraries in the county. If the total amount of tax revenue deposited by the county auditor in the library property tax replacement fund for a calendar year exceeds the total property tax liability that would otherwise be imposed for public libraries in the county for the year, the excess must remain in the library property tax replacement fund and may be used for library property tax replacement purposes in the following calendar year.

(d) A public library receiving property tax replacement credits under this section shall allocate the credits among each fund for which a distinct property tax levy is imposed in proportion to the property taxes levied for each fund. However, if a public library did not impose a property tax levy during the previous calendar year or did not impose a property tax levy for a particular fund during the previous calendar year, but the public library is imposing a property tax levy in the current calendar year or is imposing a property tax levy for the particular fund in the current calendar year, the department of local government finance shall adjust the amount of property tax replacement credits allocated among the various funds of the public library and shall provide the adjustment to the county auditor. If a public library receiving property tax replacement credits under this

section does not impose a property tax levy for a particular fund that is first due and payable in a calendar year in which the property tax replacement credits are being distributed, the public library is not required to allocate to that fund a part of the property tax replacement credits to be distributed to the public library. Notwithstanding IC 6-1.1-20-1.1(a)(1), a public library that receives property tax replacement credits under this section is subject to the procedures for the issuance of bonds set forth in IC 6-1.1-20.

(e) A public library shall treat property tax replacement credits received during a particular calendar year under this section as a part of the public library's property tax levy for each fund for that same calendar year for purposes of fixing the public library's budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

(f) For the purpose of allocating tax revenue under IC 6-3.6-6 and computing and distributing tax revenue under IC 6-5.5 or IC 6-6-5, the property tax replacement credits that are received under this section shall be treated as though they were property taxes that were due and payable during that same calendar year.

SECTION 150. IC 6-3.6-7-28, AS AMENDED BY P.L.136-2024, SECTION 30, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 28. (a) This section applies to Grant County and only if the ~~local income tax council~~ **county adopting body** repeals provisions of its local income tax ordinance providing that under IC 6-3.6-10-2(7) one-hundredth of one percent (0.01%) of the county's special purpose rate revenue is used to fund the Grant County Economic Growth Council, Inc.

(b) The ~~local income tax council~~ **county adopting body** may, by ordinance, determine that additional local income tax revenue is needed in the county to do the following:

- (1) Finance, construct, acquire, improve, renovate, and equip the county jail, including costs related to the demolition of existing buildings, the acquisition of land, and any other reasonably related costs.
- (2) Repay bonds issued or leases entered into for the purposes described in subdivision (1).

(c) If the ~~local income tax council~~ **county adopting body** makes the determination set forth in subsection (b), the ~~local income tax council~~ **county adopting body** may impose a tax on the adjusted gross income of local taxpayers at a tax rate that does not exceed the lesser of the following:

- (1) Five-tenths percent (0.5%).
- (2) The rate necessary to carry out the purposes described in this

section.

The tax rate may not be greater than the rate necessary to pay for the purposes described in subsection (b).

(d) The tax rate used to pay for the purposes described in subsection (b)(1) and (b)(2) may be imposed only until the latest of the following dates:

(1) The date on which the financing, construction, acquisition, improvement, renovation, and equipping of the facilities as described in subsection (b) are completed.

(2) The date on which the last of any bonds issued (including refunding bonds) or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping of the facilities described in subsection (b) are fully paid.

(3) The date on which an ordinance adopted under subsection (c) is rescinded.

(e) The tax rate under this section may be imposed beginning in the year following the year the ordinance is adopted and until the date on which the ordinance adopted under this section is rescinded.

(f) The term of a bond issued (including any refunding bond) or a lease entered into under subsection (b) may not exceed twenty-five (25) years.

(g) The county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. Local income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund.

(h) Local income tax revenues derived from the tax rate imposed under this section:

(1) may be used only for the purposes described in this section;

(2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and

(3) may be pledged to the repayment of bonds issued or leases entered into for the purposes described in subsection (b).

(i) Grant County possesses unique governmental challenges and opportunities due to deficiencies in the current county jail. The use of local income tax revenues as provided in this section is necessary for the county to provide adequate jail capacity in the county and to maintain low property tax rates essential to economic development. The use of local income tax revenues as provided in this section to pay any bonds issued or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping of the facilities

described in subsection (b), rather than the use of property taxes, promotes those purposes.

(j) Money accumulated from the local income tax rate imposed under this section after the termination of the tax under this section shall be transferred to the county rainy day fund under IC 36-1-8-5.1.

SECTION 151. IC 6-3.6-8-3, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2028]: Sec. 3. (a) For purposes of this article, an individual shall be treated as a resident of the county **(or the municipality in the case of a local income tax imposed under IC 6-3.6-6-22)** in which the individual:

- (1) maintains a home, if the individual maintains only one (1) home in Indiana;
- (2) if subdivision (1) does not apply, is registered to vote;
- (3) if subdivision (1) or (2) does not apply, registers the individual's personal automobile; or
- (4) spent the majority of the individual's time in Indiana during the taxable year in question, if subdivision (1), (2), or (3) does not apply.

(b) The residence ~~or principal place of business or employment~~ of an individual is to be determined on January 1 of the calendar year in which the individual's taxable year commences. If an individual changes the location of the individual's residence ~~or principal place of employment or business~~ to another county **(or municipality in the case of a local income tax imposed under IC 6-3.6-6-22)** in Indiana during a calendar year, the individual's liability for tax is not affected.

(c) Notwithstanding subsection (b), if an individual becomes a local taxpayer for purposes of IC 36-7-27 during a calendar year because the individual

- ~~(1) changes the location of the individual's residence to a county~~ **(1) changes the location of the individual's residence to a county or municipality in which the individual begins employment or business at a qualified economic development tax project (as defined in IC 36-7-27-9), or**
- ~~(2) changes the location of the individual's principal place of employment or business to a qualified economic development tax project and does not reside in another county in which a tax is in effect;~~

the individual's adjusted gross income attributable to employment or business at the qualified economic development tax project is taxable only by the county **or municipality** containing the qualified economic development tax project.

SECTION 152. IC 6-3.6-8-4, AS ADDED BY P.L.243-2015,

SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 4. (a) Using procedures provided under this chapter, the adopting body of any adopting county **or municipality** may pass an ordinance to enter into reciprocity agreements with the taxing authority of any city, town, municipality, county, or other similar local governmental entity of any other state. The reciprocity agreements must provide that the income of resident local taxpayers is exempt from income taxation by the other local governmental entity to the extent income of the residents of the other local governmental entity is exempt from the tax in the adopting county **or municipality**.

(b) A reciprocity agreement adopted under this section may not become effective until it is also made effective in the other local governmental entity that is a party to the agreement.

(c) The form and effective date of any reciprocity agreement described in this section must be approved by the department.

In addition, if the allocation of additional revenue for economic development purposes under IC 6-3.6-6-9 is increased in the county, the first three million five hundred thousand dollars (\$3,500,000) of the tax revenue that results each year from the allocation increase shall be used by the county only to make the county's transfer required by**

The additional revenue used to make the transfers as provided in IC 36-7.5-4-2 shall be paid by the treasurer of state to the treasurer of the northwest Indiana regional development authority before certified distributions are made to the county or any taxing unit in the county. If Porter County ceases to be a member of the northwest Indiana regional development authority under IC 36-7.5 but two (2) or more municipalities in the county

- (2) to the extent it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the airport development zone, as finally determined for the current assessment date.

However, subdivision (2) applies only to an airport development zone established after June 30, 1997, and the portion of an airport development zone established before June 30, 1997, that is added to an existing airport development zone.

(b) A resolution adopted under section 5 of this chapter and confirmed under section 6 of this chapter must include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section.

(c) The allocation provision must:

(3) the school corporation may enter into an agreement to transfer the ownership of a school corporation facility to the organizer; and

(4) the school corporation may not alter the use of the facility occupied by the participating innovation network charter school without **written** agreement from the organizer.

(b) If an organizer contracts with a school corporation for goods or services, the school corporation may not charge the organizer more for the goods or services than the school corporation pays for the goods or services. A school corporation may not require an organizer to contract for specific goods or services provided by the school corporation or any other entity.

(c) A school corporation and an organizer may negotiate to require

specific services with regard to a participating innovation network charter school during the term of an agreement. However, an organizer must be able to select the service provider for the services.

(d) For as long as a charter school remains a participating innovation network charter school, the school corporation may distribute money levied as property taxes to the charter school. Property taxes distributed to a charter school must be used only for a purpose for which the property taxes could have been used by the school corporation. Property taxes distributed under this subsection may supplement services and property provided under subsection (a) or (b). The parties may jointly modify an agreement described in section 2 of this chapter to implement this subsection.

(e) An agreement concerning the transfer of ownership of a school corporation facility described in subsection (a) is not subject to IC 20-26-7.1.

(f) Unless an agreement entered into before July 1, 2024, between a board and an organizer provides otherwise, a school corporation may not charge an organizer an amount for goods and services that is greater than the amount of the operations fund property tax levy the organizer receives under IC 20-46-8-11.2 **or IC 20-46-8-12** for the participating innovation network charter school.

is related in any way to, or created by, the school corporation or the governing body.

(2) A school corporation to which all of the following apply:

(A) The county auditor distributes revenue after May 10, 2023, as required under IC 20-46-1-21 **or IC 20-46-1-22** to each **eligible** charter school. ~~described in IC 20-46-1-21(b).~~

(B) If the school corporation listed in IC 20-46-9-22 receives revenue from a school safety referendum tax levy under IC 20-46-9, the county auditor distributes revenue after May 10, 2023, as required under IC 20-46-9-22 to each charter school described in IC 20-46-9-22(b).

The above subdivisions are intended to apply retroactively. No referendums or distributed revenue prior to May 10, 2023, are effective to provide exemption from this chapter.

(3) A school corporation to which all of the following apply:

(A) The school corporation approves a resolution after May 10, 2023, to impose an operating referendum tax levy under IC 20-46-1 after May 10, 2023, that includes sharing the revenue from the referendum tax levy in the amounts described in clause (B) with each charter school that:

- (i) a student who resides within the attendance area of the school corporation attends; and
- (ii) elects to participate in the referendum.

(B) The amount of referendum tax levy revenue that the school corporation is required to share with each charter school under the resolution described in clause (A) is equal to the amount determined applying the **applicable** formula under ~~IC 20-46-1-21(d).~~ **IC 20-46-1-21 or IC 20-46-1-22.**

- (ii) elects to participate in the referendum;

in an amount equal to the amount determined applying the formula under IC 20-46-9-22(d).

(c) In order for any payment to a charter school to qualify as sharing of proceeds from a referendum for purposes of exemption from IC 20-26-7.1, the referendum must have been passed with prior notice to voters of all amounts of referendum proceeds to be paid to charter schools. Any claim of exemption based on payment of proceeds from a referendum passed without such notice is void.

(b) For purposes of this section, "charter board" means the governing body of the organizer (as defined in IC 20-24-1-7) of an eligible charter school.

(c) The operations fund may be used only to do the following:

- (1) Carry out a capital projects plan under the following conditions:
  - (A) The plan must include all proposed expenditures that exceed ten thousand dollars (\$10,000) and are for:
    - (i) capital assets; or

The charter board is not required to comply with clause (C). If the charter board determines that an emergency exists, the governing body may adopt an amendment to the plan. An amendment to a plan is not subject to the deadline and procedures for adoption of a plan described in this subdivision.

(E) This clause sets forth an exclusive list of the expenditures that may be made from the operations fund under clause (B), as set forth in the charter board's plan or amended plan. Subject to the expenditures that are identified in the charter school's plan or amended plan, the operations fund shall be used for the following:

(D) Evidence that the charter school that seeks to acquire additional school buses under this subdivision is acquiring or contracting for the school buses only for the purposes specified in clause (B) or for replacement purposes.

(E) If a charter school wants to use money in the operations fund during the year to pay for school bus replacement, the governing body must adopt a resolution approving the bus replacement plan or amended plan. A charter school that elects to not participate in the referendum may not subsequently change that election during the term of the referendum.**

**(i) If a charter school will not participate in the referendum, the school corporation shall exclude distributions to the charter school under this chapter and from the projection described in subsection (e). If a charter school will participate in the referendum, the**

**charter school:**

(a) This section does not apply to a referendum on a resolution certified to the department of local government finance after March 15, 2016, to extend a referendum levy.

(b) The question to be submitted to the voters in the referendum must read as follows:

"Shall the school corporation increase property taxes paid to schools by homeowners and businesses for \_\_\_\_\_ (insert number of years) years immediately following the holding of the referendum for the purpose of funding \_\_\_\_\_ (insert short description of purposes)? If this public question is approved by the voters, the average property tax paid to schools per year on a residence would increase by \_\_\_\_\_% (insert the estimated average percentage of property tax increase paid to schools on a residence within the school corporation as determined under subsection (c)) and the average property tax paid to schools per year on a business property would increase by \_\_\_\_\_% (insert the estimated average percentage of property tax increase paid to schools on a business property within the school corporation as determined under subsection (d)). The most recent property tax referendum proposed by the school corporation was held in \_\_\_\_\_ (insert year) and \_\_\_\_\_ (insert whether the measure passed or failed)."

"Shall \_\_\_\_\_ (insert the name of the school corporation) increase property taxes paid to the school corporation for no more than \_\_\_\_\_ (insert the number of years immediately following the holding of the referendum) years for the purpose of funding \_\_\_\_\_ (insert a brief description of the purposes) by imposing a property tax rate that does not

exceed \_\_\_\_\_ (insert property tax rate) and results in a maximum annual amount that does not exceed \_\_\_\_\_ (insert maximum amount of annual levy). If this operating referendum public question is approved by the voters, for a median residence of \_\_\_\_\_ (insert the school corporation's median household assessed value, rounded up to the next fifty thousand dollars (\$50,000)), the property's annual property tax bill would increase by \_\_\_\_\_ (insert dollar amount, rounded up to the next whole dollar) per year. (If, in the previous five (5) years, the school corporation has conducted an operating referendum public question, the following shall also be included in the ballot language.) The most recent operating referendum public question proposed by the school corporation was held in \_\_\_\_\_ (insert year) and \_\_\_\_\_ (insert whether the measure passed or failed).".

(c) At the request of the governing body of a school corporation that proposes to impose property taxes under this chapter, the county auditor of the county in which the school corporation is located shall determine the estimated average percentage of property tax increase on a homestead to be paid to schools that must be included in the public question under subsection (b) as follows:

STEP ONE: Determine the average assessed value of a homestead located within the school corporation.

STEP TWO: For purposes of determining the net assessed value of the average homestead located within the school corporation; subtract:

(A) an amount for the homestead standard deduction under IC 6-1.1-12-37 as if the homestead described in STEP ONE was eligible for the deduction; and

(B) an amount for the supplemental homestead deduction under IC 6-1.1-12-37.5 as if the homestead described in STEP ONE was eligible for the deduction;

from the result of STEP ONE.

STEP THREE: Divide the result of STEP TWO by one hundred (100);

STEP FOUR: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the school corporation.

STEP FIVE: For purposes of determining net property tax liability of the average homestead located within the school corporation:

(A) multiply the result of STEP THREE by the result of STEP FOUR; and

(B) as appropriate; apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5(a)(1):

STEP SIX: Determine the amount of the school corporation's part of the result determined in STEP FIVE:

STEP SEVEN: Multiply:

(A) the tax rate that will be imposed if the public question is approved by the voters; by

(B) the result of STEP THREE:

STEP EIGHT: Divide the result of STEP SEVEN by the result of STEP SIX; expressed as a percentage:

(d) At the request of the governing body of a school corporation that proposes to impose property taxes under this chapter; the county auditor of the county in which the school corporation is located shall determine the estimated average percentage of property tax increase on a business property to be paid to schools that must be included in the public question under subsection (b) as follows:

STEP ONE: Determine the average assessed value of business property located within the school corporation:

STEP TWO: Divide the result of STEP ONE by one hundred (100):

STEP THREE: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the school corporation:

STEP FOUR: For purposes of determining net property tax liability of the average business property located within the school corporation:

(A) multiply the result of STEP TWO by the result of STEP THREE; and

(B) as appropriate; apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5 as if the applicable percentage was three percent (3%):

STEP FIVE: Determine the amount of the school corporation's part of the result determined in STEP FOUR:

STEP SIX: Multiply:

(A) the result of STEP TWO; by

(B) the tax rate that will be imposed if the public question is approved by the voters:

STEP SEVEN: Divide the result of STEP SIX by the result of STEP FIVE; expressed as a percentage:

(e) The county auditor shall certify the estimated average percentage

of property tax increase on a homestead to be paid to schools determined under subsection (c); and the estimated average percentage of property tax increase on a business property to be paid to schools determined under subsection (d); in a manner prescribed by the department of local government finance; and provide the certification to the governing body of the school corporation that proposes to impose property taxes:

The property tax increase requested in this referendum was originally approved by the voters in \_\_\_\_\_ (insert the year in which the referendum tax levy was approved) and if extended will increase the average property tax paid to the school corporation per year on a residence within the school corporation by \_\_\_\_\_% (insert the estimated average percentage of property tax increase on a residence within the school corporation) and if extended will increase the average property tax paid to the school corporation per year on a business property within the school corporation by \_\_\_\_\_% (insert the estimated average percentage of property tax increase on a business within the school corporation).":

"Shall \_\_\_\_\_ (insert the name of the school corporation) continue to increase property taxes paid to the school corporation for no more than \_\_\_\_\_ (insert the number of years immediately following the holding of the referendum) years for the purpose of funding \_\_\_\_\_ (insert brief description of the purposes) by imposing a property tax rate that does not exceed \_\_\_\_\_ (insert property tax rate) and results in a maximum annual amount that does not exceed \_\_\_\_\_ (insert maximum amount of annual levy). If this operating referendum public question is NOT approved by the voters, for a median residence of \_\_\_\_\_ (insert the school corporation's median household assessed value,

rounded up to the next fifty thousand dollars (\$50,000)), the property's annual tax bill would decrease by \_\_\_\_\_ (insert dollar amount, rounded up to the next whole dollar) per year. If this operating referendum public question is approved by the voters, it would be a renewal of the most recent operating referendum public question passed in \_\_\_\_\_ (insert year the original operating referendum public question passed) with a property tax rate of \_\_\_\_\_ (insert property tax rate of the original operating referendum public question).".

SECTION 221. IC 20-46-1-21, AS ADDED BY P.L.189-2023, SECTION 34, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 21. (a) This section:

**(1) except as provided in subdivision (2),** applies to revenue received from a resolution that is approved by the governing body to impose a referendum levy under section 8 or 8.5 of this chapter after May 10, 2023, for a school corporation located in:

- ~~(1)~~ **(A)** Lake County;
- ~~(2)~~ **(B)** Marion County;
- ~~(3)~~ **(C)** St. Joseph County; or
- ~~(4)~~ **(D)** Vanderburgh County;

**through the full term of the referendum levy; and**

**(2) does not apply to revenue received from a referendum levy if:**

- (A) the governing body of the school corporation approves the referendum levy in a resolution adopted under section 8 or 8.5 of this chapter; and**
- (B) the referendum levy is imposed for the first time with property taxes first due and payable in a calendar year beginning after December 31, 2027.**

(b) **Subject to subsections (f) and (h),** the county auditor in **the county in** which the school corporation is located shall distribute an amount **of revenue as provided** under subsection ~~(d)~~ **(e) from the revenue collected from a tax levy imposed under this chapter by a school corporation that is attributable to the territory of the school corporation that is located within the boundaries of a county listed in subsection (a)(1)** to each charter school, excluding virtual charter schools or adult high schools, that a student who resides within the attendance area of the school corporation attends if the charter school elects to participate in the referendum under section 8~~(i)~~ **8(h)** of this chapter.

(c) The department shall provide the county auditor with data and information necessary for the county auditor to determine:

- (1) which charter schools are eligible to receive a distribution under this section; and
- (2) the number of students who:
  - (A) reside within the attendance area of the school corporation who are included in the ADM for each charter school, excluding virtual charter schools or adult high schools, described in subdivision (1); and**
  - (B) receive not more than fifty percent (50%) virtual instruction.**

~~(e)~~ (d) The following schools are not eligible to receive a distribution under this section:

- (1) A virtual charter school.
- (2) An adult high school.

~~(d)~~ (e) For the purposes of the calculations made in this subsection, each eligible school that has entered into an agreement with a school corporation to participate as a participating innovation network charter school under IC 20-25.7-5 is considered to have an ADM that is separate from the school corporation. The amount that the county auditor shall distribute to a charter school, excluding virtual charter schools or adult high schools, under this section is the amount determined in the last STEP of the following STEPS:

STEP ONE: Determine, for each charter school, excluding virtual charter schools or adult high schools, that is eligible to receive a distribution under this section, the number of students who reside within the attendance area of the school corporation who are currently included in the ADM of the charter school **and receive not more than fifty percent (50%) virtual instruction.**

STEP TWO: Determine the sum of:

- (A) the current ADM count for the school corporation; plus
- (B) total number of all students who reside within the attendance area of the school corporation who are currently included in the ADM of a charter school, **and receive not more than fifty percent (50%) virtual instruction**, excluding virtual charter schools or adult high schools.

STEP THREE: Determine the result of:

- (A) the STEP ONE amount; divided by
- (B) the STEP TWO amount.

STEP FOUR: Determine the result of:

- (A) the **sum of:**
  - (i) the STEP THREE amount; **plus**
  - (ii) **any amount withheld in the previous year under subsection (i);** multiplied by
- (B) the amount collected by the county auditor during the most recent installment period **that is attributable to the territory of the school corporation that is located within the boundaries of a county listed in subsection (a).**

(f) A charter school is not eligible for a distribution under this section from property tax revenue collected from a particular referendum levy if the charter school does not have a certified fall ADM count in the calendar year immediately preceding the calendar year in which the public question for the referendum

appears on the ballot.

(g) Not later than August 15, 2025, and not later than August 15 of each calendar year thereafter, the department shall provide to each school corporation and eligible charter school an estimate of the amount of property tax levy revenue the school corporation and charter school are expected to receive under this section in the subsequent calendar year based on the most recent fall ADM count.

(h) This subsection applies beginning with distributions of property tax revenue under this section in 2026 and thereafter. In order to receive a distribution under this section, the governing body of a charter school shall, not later than October 15, 2025, and not later than October 15 of each calendar year thereafter, adopt a budget for the current school year. Not later than ten (10) days before its adoption, the budget must be fixed and presented to the charter board in a public meeting in the county in which the charter school is incorporated. Not later than November 1, 2025, and not later than November 1 of each calendar year thereafter, the governing body of the charter school shall submit:

- (1) the budget that is adopted under this subsection;
- (2) the dates on which each requirement under this subsection were met; and
- (3) a statement from the governing body of the charter school attesting that the dates provided in subdivision (2) are true and accurate and that the budget was properly adopted under this subsection;

to the charter authorizer for review and to the department of local government finance to be posted publicly on the computer gateway under IC 6-1.1-17-3.

(i) If a charter school does not satisfy the requirements of subsection (h) to receive distributions under this section during a calendar year, as determined by the department of local government finance, the charter school may not receive a distribution of property tax revenue in that calendar year and the county auditor shall withhold the charter school's distribution amount. The department of local government finance's determination of compliance consists only of a confirmation that the adopted budget and attestation statement are submitted not later than the applicable date under subsection (h). Any distribution amount withheld under this subsection shall be:

- (1) added to the property tax revenue collections as described in STEP TWO of subsection (e); and

(2) distributed among the school corporation and remaining charter schools according to subsection (e);  
in the calendar year that immediately follows the calendar year in which the distribution amount was withheld.

SECTION 222. IC 20-46-1-22 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 22. (a) This section applies to revenue received from a referendum levy if both of the following apply:

(1) The:

(A) governing body of the school corporation approves the referendum levy in a resolution adopted under section 8 or 8.5 of this chapter; and

(B) resulting referendum levy is imposed for the first time with property taxes first due and payable in a calendar year beginning after December 31, 2027.

(2) The number of students who have legal settlement in the school corporation but attend a charter school, excluding virtual charter schools and adult high schools, and receive not more than fifty percent (50%) virtual instruction is at least the greater of:

(A) one hundred (100) students; or

(B) two percent (2%) of the school corporation's spring ADM count, excluding students who receive more than fifty percent (50%) virtual instruction.

(b) As used in this section, "eligible charter school" means a charter school attended by a student who:

(1) has legal settlement in a school corporation that imposes a referendum levy under this chapter; and

(2) receives not more than fifty percent (50%) virtual instruction.

However, the term does not include a virtual charter school or an adult high school.

(c) The following schools are not eligible to receive, and may not be considered in a calculation made for purposes of, a distribution under this section:

(1) A virtual charter school.

(2) An adult high school.

(d) Subject to subsections (j) and (l), the county auditor in the county in which the school corporation is located shall distribute to each eligible charter school, in the manner provided under this section, an amount of revenue received from a tax levy imposed by

a school corporation under this chapter unless the charter school elects to not participate in the referendum under section 8(h) of this chapter.

(e) For the purposes of the calculations made in this section, each eligible charter school that has entered into an agreement with a school corporation to participate as a participating innovation network charter school under IC 20-25.7-5 is considered to have an ADM that is separate from the school corporation.

(f) Not later than January 1, 2028, and not later than January 1 of each year thereafter, the department, in consultation with the department of local government finance, shall determine, for each school corporation, the corresponding percentages of revenue received from the tax levy that must be distributed among the school corporation and each eligible charter school according to the following formula:

**STEP ONE:** Determine, for each eligible charter school, the number of students who:

- (A) have legal settlement within the school corporation;
- (B) are currently included in the fall ADM count for the charter school; and
- (C) receive not more than fifty percent (50%) virtual instruction.

**STEP TWO:** Determine the sum of:

- (A) the aggregate of the STEP ONE results for all eligible charter schools with respect to the school corporation; plus
- (B) the fall ADM count for the school corporation for students receiving not more than fifty percent (50%) virtual instruction.

**STEP THREE:** For each eligible charter school, determine the result of:

- (A) the applicable STEP ONE amount; divided by
- (B) the STEP TWO amount;

expressed as a percentage.

**STEP FOUR:** Determine the sum of all the amounts computed under STEP THREE and subtract the result from one hundred percent (100%).

(g) The department shall provide to the county auditor, immediately after calculation under subsection (g):

- (1) each eligible charter school and the eligible charter school's corresponding percentage calculated under STEP THREE of subsection (f); and

(2) the percentage calculated under STEP FOUR of subsection (f) for the school corporation.

(h) Subject to subsections (k) and (m), when the county auditor distributes property tax revenue, the county auditor shall distribute to the school corporation and each eligible charter school the amount determined in the last STEP of the following STEPS:

**STEP ONE:** Determine the amount collected in the most recent installment period by the school corporation from the school corporation's referendum levy imposed under this chapter.

**STEP TWO:** To determine the distribution for the school corporation and each eligible charter school, determine the result of:

(A) the sum of:

- (i) the STEP ONE result; plus
- (ii) any amount withheld in the previous year under subsection (k); multiplied by

(B) the following percentage:

- (i) In the case of an eligible charter school, the charter school's percentage under STEP THREE of subsection (f).
- (ii) In the case of the school corporation, the school corporation's percentage under STEP FOUR of subsection (f).

(i) Not later than August 15, 2027, and not later than August 15 of each calendar year thereafter, the department shall provide to each school corporation and each eligible charter school an estimate of the amount of property tax levy revenue the school corporation and eligible charter school are expected to receive under this section in the subsequent calendar year based on the most recent fall ADM count.

(j) This subsection applies beginning with distributions of property tax revenue under this section in 2028 and thereafter. In order to receive a distribution under this section, the governing body of an eligible charter school shall, not later than October 15, 2027, and not later than October 15 of each calendar year thereafter, adopt a budget for the current school year. Not later than ten (10) days before its adoption, the budget must be fixed and presented to the charter board in a public meeting in the county in which the eligible charter school is incorporated. Not later than November 1, 2027, and not later than November 1 of each calendar

year thereafter, the governing body of the charter school shall submit:

- (1) the budget that is adopted under this subsection;
- (2) the dates on which each requirement under this subsection were met; and
- (3) a statement from the governing body of the charter school attesting that the dates provided in subdivision (2) are true and accurate and that the budget was properly adopted under this subsection;

to the charter authorizer for review and to the department of local government finance to be posted publicly on the computer gateway under IC 6-1.1-17-3.

(k) If an eligible charter school does not satisfy the requirements of subsection (j) to receive distributions under this section during a calendar year, as determined by the department of local government finance, the eligible charter school may not receive a distribution of property tax revenue in that calendar year and the county auditor shall withhold the eligible charter school's distribution amount. The department of local government finance's determination of compliance consists only of a confirmation that the adopted budget and attestation statement are submitted not later than the applicable date under subsection (j). Any distribution amount withheld under this subsection shall be:

- (1) added to the property tax revenue collections as described in STEP TWO of subsection (h); and
- (2) distributed among the school corporation and eligible charter schools according to subsection (h);

in the calendar year that immediately follows the calendar year in which the distribution amount was withheld.

(l) A charter school is not eligible for a distribution under this section from property tax revenue collected from a particular referendum levy if the charter school does not have a certified fall ADM count in the calendar year immediately preceding the calendar year in which the public question for the referendum appears on the ballot.

(b) Subject to subsection ~~(b)~~; (c), a school corporation may appeal to the department of local government finance under IC 6-1.1-19 to increase the school corporation's maximum permissible operations fund levy. The appeal must be filed with the department of local government finance before October 20 of the year before the increase is proposed to take effect. To be granted an increase by the department of local government finance, the school corporation must establish that the increase is necessary because of either or both of the following:

- (1) A cost increase of at least ten percent (10%) over the preceding year for at least one (1) of the following:
  - (A) A fuel expense increase.
  - (B) A cost increase due to an increase in the number of students enrolled in the school corporation who need transportation or an increase in the mileage traveled by the school corporation's buses compared with the previous year.
  - (C) A cost increase due to an increase in the number of students enrolled in special education who need transportation or an increase in the mileage traveled by the school

(E) A cost increase due to the closure of a school building within the school corporation that results in a significant increase in the distances that students must be transported to attend another school building.

(F) A cost increase due to restructuring or redesigning transportation services due to a need for additional, expanded, consolidated, or modified routes.

(G) A labor cost increase due to a labor shortage affecting the school corporation's ability to hire qualified transportation employees.

~~(b)~~ (c) This subsection applies to a school corporation whose budget for the upcoming year is subject to review by a fiscal body under IC 6-1.1-17-20. **STEP THREE: For each eligible charter school, determine the result of:**

(A) the sum of:

(i) the STEP ONE result; plus

(ii) any amount withheld in the previous year under subsection (k); multiplied by

(B) the following percentage:

(i) In the case of an eligible charter school, the charter

school's percentage under STEP THREE of subsection (f).

(ii) In the case of the school corporation, the school corporation's percentage under STEP FOUR of subsection (f).

(i) Not later than August 15, 2027, and not later than August 15 of each calendar year thereafter, the department shall provide to each school corporation and each eligible charter school an estimate of the amount of property tax levy revenue the school corporation and eligible charter school are expected to receive under this section in the subsequent calendar year based on the most recent fall ADM count.

(k) If an eligible charter school does not satisfy the requirements of subsection (j) to receive distributions under this section during a calendar year, as determined by the department of local government finance, the eligible charter school may not receive a distribution of property tax revenue in that calendar year and the county auditor shall withhold the eligible charter school's distribution amount. The department of local government finance's determination of compliance consists only of a confirmation that the adopted budget and attestation statement are submitted not

from the result of STEP ONE.

STEP THREE: Divide the result of STEP TWO by one hundred (100).

STEP SIX: Determine the amount of the school corporation's part of the result determined in STEP FIVE.

STEP SEVEN: Multiply:

(A) the tax rate that will be imposed if the public question is approved by the voters; by

(B) the result of STEP THREE.

STEP EIGHT: Divide the result of STEP SEVEN by the result of STEP SIX, expressed as a percentage.

(c) At the request of the governing body of a school corporation that proposes to impose property taxes under this chapter, the county auditor of the county in which the school corporation is located shall determine the estimated average percentage of property tax increase on a business property to be paid to the school corporation that must be included in the public question under subsection (a) as follows:

STEP ONE: Determine the average assessed value of business property located within the school corporation.

STEP TWO: Divide the result of STEP ONE by one hundred

(+100):

STEP THREE: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the school corporation.

STEP FOUR: For purposes of determining net property tax liability of the average business property located within the school corporation:

(A) multiply the result of STEP TWO by the result of STEP THREE; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5 as if the applicable percentage was three percent (3%);

STEP FIVE: Determine the amount of the school corporation's part of the result determined in STEP FOUR.

STEP SIX: Multiply:

(A) the result of STEP TWO; by

(B) the tax rate that will be imposed if the public question is approved by the voters.

STEP SEVEN: Divide the result of STEP SIX by the result of STEP FIVE, expressed as a percentage.

(d) The county auditor shall certify the estimated average percentage of property tax increase on a homestead to be paid to schools determined under subsection (b); and the estimated average percentage of property tax increase on a business property to be paid to schools determined under subsection (c); in a manner prescribed by the department of local government finance; and provide the certification to the governing body of the school corporation that proposes to impose property taxes.

SECTION 229. IC 20-46-9-10, AS AMENDED BY P.L.236-2023, SECTION 156, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2026]: Sec. 10. (a) This section applies only to a referendum to allow a school corporation to extend a referendum tax levy.

(b) The question to be submitted to the voters in the referendum must read as follows:

"Shall the school corporation continue to impose increased property taxes paid to the school corporation by homeowners and businesses for \_\_\_\_\_ (insert number of years) years immediately following the holding of the referendum for the purpose of funding \_\_\_\_\_ (insert short description of purposes)? The property tax increase requested in this referendum was originally

approved by the voters in \_\_\_\_\_ (insert the year in which the referendum tax levy was approved) and if extended will increase the average property tax paid to the school corporation per year on a residence within the school corporation by \_\_\_\_\_% (insert the estimated average percentage of property tax increase on a residence within the school corporation) and if extended will increase the average property tax paid to the school corporation per year on a business property within the school corporation by \_\_\_\_\_% (insert the estimated average percentage of property tax increase on a business within the school corporation).":

"Shall \_\_\_\_\_ (insert the name of the school corporation) continue to increase property taxes paid to the school corporation for no more than \_\_\_\_\_ (insert the number of years immediately following the holding of the referendum) years for the purpose of funding \_\_\_\_\_ (insert brief description of the purposes) by imposing a property tax rate that does not exceed \_\_\_\_\_ (insert property tax rate) and results in a maximum annual amount that does not exceed \_\_\_\_\_ (insert maximum amount of annual levy). If this school safety referendum public question is NOT approved by the voters, for a median residence of \_\_\_\_\_ (insert the school corporation's median household assessed value, rounded up to the next fifty thousand dollars (\$50,000)), the property's annual tax bill would decrease by \_\_\_\_\_ (insert dollar amount, rounded up to the next whole dollar) per year. If this school safety referendum public question is approved by the voters, it would be a renewal of the most recent school safety referendum public question passed in \_\_\_\_\_ (insert year the original operating referendum public question passed) with a property tax rate of \_\_\_\_\_ (insert property tax rate of the original school safety referendum public question).".

(c) The number of years for which a referendum tax levy may be extended if the public question under this section is approved may not exceed the number of years for which the expiring referendum tax levy was imposed.

(d) At the request of the governing body of a school corporation that proposes to impose property taxes under this chapter, the county auditor of the county in which the school corporation is located shall determine the estimated average percentage of property tax increase on a homestead to be paid to the school corporation that must be included in the public question under subsection (b) as follows:

STEP ONE: Determine the average assessed value of a homestead located within the school corporation.

STEP TWO: For purposes of determining the net assessed value of the average homestead located within the school corporation; subtract:

(A) an amount for the homestead standard deduction under IC 6-1.1-12-37 as if the homestead described in STEP ONE was eligible for the deduction; and

(B) an amount for the supplemental homestead deduction under IC 6-1.1-12-37.5 as if the homestead described in STEP ONE was eligible for the deduction;

from the result of STEP ONE.

STEP THREE: Divide the result of STEP TWO by one hundred (100).

STEP FOUR: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the school corporation.

STEP FIVE: For purposes of determining net property tax liability of the average homestead located within the school corporation:

(A) multiply the result of STEP THREE by the result of STEP FOUR; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5(a)(1).

STEP SIX: Determine the amount of the school corporation's part of the result determined in STEP FIVE.

STEP SEVEN: Multiply:

(A) the tax rate that will be imposed if the public question is approved by the voters; by

(B) the result of STEP THREE.

STEP EIGHT: Divide the result of STEP SEVEN by the result of STEP SIX, expressed as a percentage.

(e) At the request of the governing body of a school corporation that proposes to impose property taxes under this chapter, the county auditor of the county in which the school corporation is located shall determine the estimated average percentage of property tax increase on a business property to be paid to the school corporation that must be included in the public question under subsection (b) as follows:

STEP ONE: Determine the average assessed value of business property located within the school corporation.

STEP TWO: Divide the result of STEP ONE by one hundred (100).

STEP THREE: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the school corporation.

STEP FOUR: For purposes of determining net property tax liability of the average business property located within the school corporation:

(A) multiply the result of STEP TWO by the result of STEP THREE; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5 as if the applicable percentage was three percent (3%);

STEP FIVE: Determine the amount of the school corporation's part of the result determined in STEP FOUR.

STEP SIX: Multiply:

(A) the result of STEP TWO; by

(B) the tax rate that will be imposed if the public question is approved by the voters.

STEP SEVEN: Divide the result of STEP SIX by the result of STEP FIVE; expressed as a percentage.

(f) The county auditor shall certify the estimated average percentage of property tax increase on a homestead to be paid to the school corporation determined under subsection (d); and the estimated average percentage of property tax increase on a business property to be paid to the school corporation determined under subsection (e); in a manner prescribed by the department of local government finance; and provide the certification to the governing body of the school corporation that proposes to impose property taxes.

SECTION 231. IC 20-46-9-14, AS AMENDED BY P.L.227-2023, SECTION 136, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: **Sec. 14. (a) The referendum shall be held in the next primary election general election, or municipal election as provided under IC 3-10-9-3(b), in which all the registered voters**

who are residents of the school corporation are entitled to vote after certification of the question. ~~under IC 3-10-9-3.~~ The certification of the question must occur not later than noon

(1) ~~seventy-four (74) days before a primary election if the question is to be placed on the primary or municipal primary election ballot; or~~

(2) August 1, if the question is to be placed on the general or municipal election ballot.

(b) However, if a primary election, general election, or municipal election will not be held during the first year in which the public question is eligible to be placed on the ballot under this chapter and if the school corporation requests the public question to be placed on the ballot at a special election, the public question shall be placed on the ballot at a special election to be held on the first Tuesday after the first Monday in May or November of the year. The certification must occur not later than noon:

(1) ~~seventy-four (74) days before a special election to be held in May (if the special election is to be held in May); or~~

(2) August 1 (if the special election is to be held in November).

(c) If the referendum is not conducted at a primary election, general election, or municipal election, the school corporation in which the referendum is to be held shall pay all the costs of holding the referendum.

SECTION 232. IC 20-46-9-22, AS ADDED BY P.L.189-2023, SECTION 38, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 22. (a) This section:

(1) applies to revenue received from a resolution that is approved by the governing body to impose a referendum levy under section 6 or 7 of this chapter after May 10, 2023, for a school corporation located in:

(1) ~~(A)~~ Lake County;

(2) ~~(B)~~ Marion County;

(3) ~~(C)~~ St. Joseph County; or

(4) ~~(D)~~ Vanderburgh County;

**through the full term of the referendum levy; and**

(2) does not apply to revenue received from a referendum levy if:

(A) the governing body of the school corporation approves the referendum levy in a resolution adopted under section 6 or 7 of this chapter; and

(B) the referendum levy is imposed for the first time with property taxes first due and payable in a calendar year

**beginning after December 31, 2027.**

(b) The county auditor shall distribute an amount under subsection (d) to each charter school, excluding virtual charter schools or adult high schools, that a student who resides within the attendance area of the school corporation attends if the charter school, excluding virtual charter schools or adult high schools, elects to participate in the referendum under section 6(i) of this chapter. The department shall provide the county auditor with data and information necessary for the county auditor to determine:

- (1) which charter schools, excluding virtual charter schools or adult high schools, are eligible to receive a distribution under this section; and
- (2) the number of all students who reside within the attendance area of the school corporation who are included in the ADM for each charter school, excluding virtual charter schools or adult high schools, described in subdivision (1).

(c) The following schools are not eligible to receive a distribution under this section:

- (1) A virtual charter school.
- (2) An adult high school.

(d) For the purposes of the calculations made in this subsection, each eligible school that has entered into an agreement with a school corporation to participate as a participating innovation network charter school under IC 20-25.7-5 is considered to have an ADM that is separate from the school corporation. The amount that the county auditor shall distribute to a charter school, excluding virtual charter schools or adult high schools, under this section is the amount determined in the last STEP of the following STEPS:

STEP ONE: Determine, for each charter school, excluding virtual charter schools or adult high schools, that is eligible to receive a distribution under this section, the number of students who reside within the attendance area of the school corporation who are currently included in the ADM of the charter school.

STEP TWO: Determine the sum of:

- (A) the current ADM count for the school corporation; plus
- (B) the total number of students who reside within the attendance area of the school corporation who are currently included in the ADM of a charter school, excluding virtual charter schools or adult high schools.

STEP THREE: Determine the result of:

- (A) the STEP ONE amount; divided by
- (B) the STEP TWO amount.

STEP FOUR: Determine the result of:

- (A) the STEP THREE amount; multiplied by
- (B) the amount collected by the county auditor during the most recent installment period.

(e) If a charter school receives a distribution under this section, the distribution may be used only for the purposes described in IC 20-40-20-6(a).

SECTION 233. IC 36-1-8-5.1, AS AMENDED BY P.L.38-2021, SECTION 79, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 5.1. (a) A political subdivision may establish a rainy day fund by the adoption of:

- (1) an ordinance, in the case of a county, city, or town; or
- (2) a resolution, in the case of any other political subdivision.

(b) An ordinance or a resolution adopted under this section must specify the following:

- (1) The purposes of the rainy day fund.
- (2) The sources of funding for the rainy day fund, which may include the following:

(A) Unused and unencumbered funds under

(i) section 5 of this chapter. ~~or~~

(ii) ~~IC 6-3.6-9-15.~~

(B) Any other funding source:

- (i) specified in the ordinance or resolution adopted under this section; and
- (ii) not otherwise prohibited by law.

(c) The rainy day fund is subject to the same appropriation process as other funds that receive tax money.

(d) In any fiscal year, a political subdivision may, at any time, do the following:

- (1) Transfer any unused and unencumbered funds specified in subsection (b)(2)(A) from any fiscal year to the rainy day fund.
- (2) Transfer any other unobligated cash balances from any fiscal year that are not otherwise identified in subsection (b)(2)(A) or section 5 of this chapter to the rainy day fund as long as the transfer satisfies the following requirements:

(A) The amount of the transfer is authorized by and identified in an ordinance or resolution.

(B) The amount of the transfer is not more than:

- (i) before January 1, 2021, ten percent (10%);
- (ii) after December 31, 2020, and before January 1, 2025, fifteen percent (15%); and
- (iii) after December 31, 2024, ten percent (10%);

of the political subdivision's total annual budget adopted under IC 6-1.1-17 for that fiscal year.

(C) The transfer is not made from a debt service fund.

(e) A political subdivision may use only the funding sources specified in subsection (b)(2)(A) or in the ordinance or resolution establishing the rainy day fund. The political subdivision may adopt a subsequent ordinance or resolution authorizing the use of another funding source.

(f) The department of local government finance may not reduce the actual or maximum permissible levy of a political subdivision as a result of a balance in the rainy day fund of the political subdivision.

(g) A county, city, or town may at any time, by ordinance or resolution, transfer to:

(1) its general fund; or

(2) any other appropriated funds of the county, city, or town; money that has been deposited in the rainy day fund of the county, city, or town.

(h) A school corporation may at any time, by resolution, transfer to its education fund or operations fund money that has been deposited in its rainy day fund.

SECTION 234. IC 36-7-14-39, AS AMENDED BY P.L.136-2024, SECTION 54, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j), the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(2) If an allocation provision is adopted after June 30, 1997, in a

declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for the current assessment date.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 39.3 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes, taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight

(8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a specific finding of fact, supported by evidence, that the adoption of the allocation provision will result in new property taxes in the area that would not have been generated but for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. Notwithstanding any other law, in the case of an allocation area that is established after June 30, 2019, and that is located in a redevelopment project area described in section 25.1(c)(3)(C) of this chapter, an economic development area described in section 25.1(c)(3)(C) of this chapter, or an urban renewal project area described in section 25.1(c)(3)(C) of this chapter, the expiration

date of the allocation provision may not be more than thirty-five (35) years after the date on which the allocation provision is established. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) This subdivision applies to a fire protection territory established after December 31, 2022. If a unit becomes a participating unit of a fire protection territory that is established after a declaratory resolution is adopted under section 15 of this chapter, the excess of the proceeds of the property taxes attributable to an increase in the property tax rate for the participating unit of a fire protection territory:

(A) except as otherwise provided by this subdivision, shall be determined as follows:

STEP ONE: Divide the unit's tax rate for fire protection for the year before the establishment of the fire protection territory by the participating unit's tax rate as part of the fire protection territory.

STEP TWO: Subtract the STEP ONE amount from one (1).

STEP THREE: Multiply the STEP TWO amount by the allocated property tax attributable to the participating unit of the fire protection territory; and

(B) to the extent not otherwise included in subdivisions (1) and (3), the amount determined under STEP THREE of clause

(A) shall be allocated to and distributed in the form of an allocated property tax revenue pass back to the participating unit of the fire protection territory for the assessment date with respect to which the allocation is made.

However, if the redevelopment commission determines that it is unable to meet its debt service obligations with regards to the allocation area without all or part of the allocated property tax revenue pass back to the participating unit of a fire protection area

under this subdivision, then the allocated property tax revenue pass back under this subdivision shall be reduced by the amount necessary for the redevelopment commission to meet its debt service obligations of the allocation area. The calculation under this subdivision must be made by the redevelopment commission in collaboration with the county auditor and the applicable fire protection territory. Any calculation determined according to clause (A) must be submitted to the department of local government finance in the manner prescribed by the department of local government finance. The department of local government finance shall verify the accuracy of each calculation.

(3) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivisions (1) and (2) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(4) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1), (2), and (3) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax

proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by
- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; times
- (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission

for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.

(M) Expend money and provide financial assistance as authorized in section 12.2(a)(27) of this chapter.

(N) Expend revenues that are allocated for police and fire services on both capital expenditures and operating expenses as authorized in section 12.2(a)(28) of this chapter.

The allocation fund may not be used for operating expenses of the

commission.

(5) Except as provided in subsection (g), before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (4), plus the amount necessary for other purposes described in subdivision (4).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The county auditor, upon receiving the notice, shall forward this notice (in an electronic format) to the department of local government finance not later than June 15 of each year. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (4) or lessors under section 25.3 of this chapter.

(C) If:

(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (4); plus

(ii) the amount necessary for other purposes described in

subdivision (4);

the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(6) Notwithstanding subdivision (5), in the case of an allocation area that is established after June 30, 2019, and that is located in a redevelopment project area described in section 25.1(c)(3)(C) of this chapter, an economic development area described in section 25.1(c)(3)(C) of this chapter, or an urban renewal project area described in section 25.1(c)(3)(C) of this chapter, for each year the allocation provision is in effect, if the amount of excess assessed value determined by the commission under subdivision (5)(A) is expected to generate more than two hundred percent (200%) of:

(A) the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (4) for the project; plus

(B) the amount necessary for other purposes described in subdivision (4) for the project;

the amount of the excess assessed value that generates more than two hundred percent (200%) of the amounts described in clauses (A) and (B) shall be allocated to the respective taxing units in the manner prescribed by subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(4) may, subject to subsection (b)(5), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(4).

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable

property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(4) shall establish an allocation fund for the purposes specified in subsection (b)(4) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1), (b)(2), and (b)(3) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(4) for the year. The amount sufficient for purposes specified in subsection (b)(4) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(4) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1), (b)(2), and (b)(3) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1), (b)(2), and (b)(3) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(4), except that where reference is made in subsection (b)(4) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection:

- (1) may not include the effect of phasing in assessed value due to property tax abatements under IC 6-1.1-12.1;
- (2) may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(4) than would otherwise have been received if the reassessment under the reassessment plan or the annual adjustment had not occurred; and
- (3) may decrease base assessed value only to the extent that assessed values in the allocation area have been decreased due to annual adjustments or the reassessment under the reassessment plan.

Assessed value increases attributable to the application of an abatement schedule under IC 6-1.1-12.1 may not be included in the base assessed value of an allocation area. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

- (1) The initial allocation deadline is December 31, 2011.
- (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
- (3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:
  - (A) terminates the automatic extension of allocation deadlines under subdivision (2); and
  - (B) specifically designates a particular date as the final

allocation deadline.

(j) If a redevelopment commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the redevelopment commission makes either of the filings required under section 17(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.

(k) For an allocation area established after June 30, 2025, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3) **(before its expiration)**.

SECTION 235. IC 36-7-15.1-26, AS AMENDED BY P.L.174-2022, SECTION 72, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j), the following:

- (1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:
  - (A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
  - (B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.
- (2) If an allocation provision is adopted after June 30, 1997, in a

declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes, taxes imposed under IC 6-1.1 on

depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or amendment that establishes an allocation provision must include a specific finding of fact, supported by evidence, that the adoption of the allocation provision will result in new property taxes in the area that would not have been generated but for the adoption of the allocation provision. For an allocation area established before July 1, 1995, the expiration date of any allocation provisions for the allocation area is June 30, 2025, or the last date of any obligations that are outstanding on July 1, 2015, whichever is later. However, for an allocation area identified as the Consolidated Allocation Area in the report submitted in 2013 to the fiscal body under section 36.3 of this chapter, the expiration date of any allocation provisions for the allocation area is January 1, 2051. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation

provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 19 of this chapter.

(D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that

allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

(K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance.

The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

(C) If:

(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest

payments on bonds described in subdivision (3); plus  
 (ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);

the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived

from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the

effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

(j) If the commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the commission makes either of the filings required under section 10(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

(1) the date on which the documents are filed with the county auditor; or

(2) the date on which the documents are filed with the department of local government finance.

(k) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3) **(before its expiration)**.

SECTION 236. IC 36-7-15.1-53, AS AMENDED BY P.L.174-2022, SECTION 73, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 53. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j):

(1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for the current assessment date.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer

outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.

(D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds

payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.

(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the

department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone

created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

- (1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.
- (2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in an enterprise zone. These loans and grants may be made to the following:
  - (A) Businesses operating in the enterprise zone.
  - (B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.
- (3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers, for purposes of payments from the special zone fund, only to that part of the allocation area that is also located in the enterprise zone.
- (h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment of real property in an area under a county's reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1)

time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

- (1) The initial allocation deadline is December 31, 2011.
- (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
- (3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:
  - (A) terminates the automatic extension of allocation deadlines under subdivision (2); and
  - (B) specifically designates a particular date as the final allocation deadline.

(j) If the commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the commission makes either of the filings required under section 10(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.

(k) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3) **(before its expiration)**.

SECTION 237. IC 36-7-30-25, AS AMENDED BY P.L.174-2022, SECTION 74, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 25. (a) The following definitions apply throughout this section:

- (1) "Allocation area" means that part of a military base reuse area to which an allocation provision of a declaratory resolution adopted under section 10 of this chapter refers for purposes of distribution and allocation of property taxes.
- (2) "Base assessed value" means, subject to subsection (i):
  - (A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
  - (B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment thereto, as finally determined for any subsequent assessment date; plus
  - (C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

Clause (C) applies only to allocation areas established in a military reuse area after June 30, 1997, and to the part of an allocation area that was established before June 30, 1997, and that is added to an existing allocation area after June 30, 1997.

- (3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 10 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by

the amendment of that declaratory resolution in accordance with the procedures set forth in section 13 of this chapter. The allocation provision may apply to all or part of the military base reuse area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution are made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the military base reuse district and, when collected, paid into an allocation fund for that allocation area that may be used by the military base reuse district and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the military base reuse district or any other entity for the purpose of financing or refinancing military base reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the reuse authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or

directly serving or benefiting that allocation area.

(E) Pay expenses incurred by the reuse authority, any other department of the unit, or a department of another governmental entity for local public improvements or structures that are in the allocation area or directly serving or benefiting the allocation area, including expenses for the operation and maintenance of these local public improvements or structures if the reuse authority determines those operation and maintenance expenses are necessary or desirable to carry out the purposes of this chapter.

(F) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(G) Expend money and provide financial assistance as authorized in section 9(a)(25) of this chapter.

Except as provided in clause (E), the allocation fund may not be used for operating expenses of the reuse authority.

(4) Except as provided in subsection (g), before July 15 of each year the reuse authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3).

(B) Provide a written notice to the county auditor, the fiscal body of the unit that established the reuse authority, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of excess property taxes that the reuse authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the reuse authority has determined that there are no excess property tax proceeds that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess property tax proceeds determined by the reuse authority. The reuse authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 19 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base reuse district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base reuse district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the reuse authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes

specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) that are derived from property in the enterprise zone in the fund. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each reassessment of real property in an area under the county's reassessment plan under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the military base reuse district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the military base reuse district under subsection (b)(3) than would otherwise have been received if the reassessment under the county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe

procedures for county and township officials to follow to assist the department in making the adjustments.

(i) If the reuse authority adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the reuse authority makes either of the filings required under section 12(c) or 13(f) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the military base reuse district is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.

(j) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3) **(before its expiration)**.

SECTION 238. IC 36-7-30.5-30, AS AMENDED BY P.L.174-2022, SECTION 75, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 30. (a) The following definitions apply throughout this section:

- (1) "Allocation area" means that part of a military base development area to which an allocation provision of a declaratory resolution adopted under section 16 of this chapter refers for purposes of distribution and allocation of property taxes.
- (2) "Base assessed value" means, subject to subsection (i):
  - (A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
  - (B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment to the declaratory resolution, as finally determined for any subsequent assessment date; plus
  - (C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government

finance, within the allocation area, as finally determined for the current assessment date.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 16 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 18 of this chapter. The allocation provision may apply to all or part of the military base development area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the development authority and, when collected, paid into an allocation fund for that allocation area that may be used by the development authority and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the development authority or any other entity for the purpose of financing or refinancing

military base development or reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the development authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) For property taxes first due and payable before 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the development authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by
- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; by
- (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 32 of this chapter (before its repeal) in the same year.

(F) Pay expenses incurred by the development authority for

local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(H) Expend money and provide financial assistance as authorized in section 15(26) of this chapter.

The allocation fund may not be used for operating expenses of the development authority.

(4) Except as provided in subsection (g), before July 15 of each year the development authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivisions (2) and (3).

(B) Provide a written notice to the appropriate county auditors and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21 (before its repeal).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base development district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base development district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the development authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the development authority shall create funds as specified in this subsection. A development authority that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. The development authority shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those

described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A development authority that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) that are derived from property in the enterprise zone in the fund. The development authority that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or for other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to an allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each reassessment of real property in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the military base development district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the military base development district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the military base development district under subsection (b)(3) than would otherwise have been received if the reassessment under the county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) If the development authority adopts a declaratory resolution or

an amendment to a declaratory resolution that contains an allocation provision and the development authority makes either of the filings required under section 17(e) or 18(f) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the military base development district is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.

(j) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3) **(before its expiration)**.

SECTION 239. IC 36-7.5-4-2.5, AS ADDED BY P.L.189-2018, SECTION 173, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 2.5. (a) This section applies to a unit that has previously:

- (1) entered into an interlocal cooperation or other similar agreement;
- (2) adopted an ordinance or resolution; or
- (3) taken any other action offering to support and finance:
  - (A) a rail project or rail projects under this chapter; or
  - (B) the double tracking project under IC 36-7.5-4.5.

(b) The unit may use any legally available revenue to support and finance the projects described in subsection (a)(3), including ~~additional revenue~~ **general purpose revenue** allocated each year for economic development under ~~IC 6-3.6-6-9~~ **IC 6-3.6-6**.

(c) Additional revenue allocated for economic development to support and finance the projects under this section shall be paid by the treasurer of state to the treasurer of the northwest Indiana regional development authority under section 2 of this chapter before certified distributions are made to the county or any civil taxing unit in the county or counties in which the unit is located.

(d) A transfer made on behalf of a unit under subsection (c) after December 31, 2018, is considered to be a payment for services provided to residents by a rail project as those services are rendered.

(e) A pledge by the development authority of transferred revenue

under this section to the payment of bonds, leases, or obligations under this article or IC 5-1.3:

- (1) constitutes the obligations of the northwest Indiana regional development authority; and
- (2) does not constitute an indebtedness of:
  - (A) a unit described in this section; or
  - (B) the state;

within the meaning or application of any constitutional or statutory provision or limitation.

(f) Neither the transfer of revenue nor the pledge of revenue transferred under this section is an impairment of contract within the meaning or application of any constitutional provision or limitation because of the following:

- (1) The statutes governing local income taxes, including the transferred revenue, have been the subject of legislation annually since 1973, and during that time the statutes have been revised, amended, expanded, limited, and recodified dozens of times.
- (2) Owners of bonds, leases, or other obligations to which local income tax revenues have been pledged recognize that the regulation of local income taxes has been extensive and consistent.
- (3) All bonds, leases, or other obligations, due to their essential contractual nature, are subject to relevant state and federal law that is enacted after the date of a contract.
- (4) The state of Indiana has a legitimate interest in assisting the northwest Indiana regional development authority in financing rail projects.

(g) All proceedings had and actions described in this section are valid pledges under IC 5-1-14-4 as of the date of those proceedings or actions and are hereby legalized and declared valid if taken before March 15, 2018.

SECTION 240. IC 36-8-19-7, AS AMENDED BY P.L.95-2022, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 7. (a) **Subject to subsection (d)**, a tax levied under this chapter may be levied at:

- (1) a uniform rate upon all taxable property within the territory; or
- (2) different rates for the participating units included within the territory, so long as a tax rate applies uniformly to all of a unit's or fire protection district's taxable property within the territory.

(b) If a uniform tax rate is levied upon all taxable property within a territory upon the formation of the territory, different tax rates may be

levied for the participating units included within the territory in subsequent years.

(c) This subsection applies to a territory established by an ordinance or a resolution adopted under this chapter after December 31, 2022. A total tax rate levied under this chapter upon taxable property within a territory upon the formation of the territory may be implemented over a number of years, not exceeding five (5), and in a manner subject to review and approval by the department of local government finance.

**(d) This subsection applies to a territory established by an ordinance or a resolution adopted under this chapter after December 31, 2024. The provider unit and each participating unit in a territory may not impose a tax rate on the unit's or fire protection district's taxable property within the territory that exceeds forty cents (\$0.40) per one hundred dollars (\$100) of assessed valuation.**

SECTION 241. IC 36-8-19-7.5, AS AMENDED BY P.L.38-2021, SECTION 100, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 7.5. (a) This section applies to:

(1) local income tax distributions; and

(2) excise tax distributions;

made after December 31, 2009.

(b) Except as provided in subsection (c), for purposes of allocating local income tax distributions that are based on a taxing unit's allocation amount **before January 1, 2028**, or that an adopting body allocates under IC 6-3.6-6 to economic development **before January 1, 2028**, or excise tax distributions that are distributed based on the amount of a taxing unit's property tax levies, each participating unit in a territory is considered to have imposed a part of the property tax levy imposed for the territory. The part of the property tax levy imposed for the territory for a particular year that shall be attributed to a participating unit is equal to the amount determined in the following STEPS:

STEP ONE: Determine the total amount of all property taxes imposed by the participating unit in the year before the year in which a property tax levy was first imposed for the territory.

STEP TWO: Determine the sum of the STEP ONE amounts for all participating units.

STEP THREE: Divide the STEP ONE result by the STEP TWO result.

STEP FOUR: Multiply the STEP THREE result by the property tax levy imposed for the territory for the particular year.

(c) This subsection applies to a determination under subsection (b) made in calendar years 2018, 2019, and 2020. The department of local government finance may, for distributions made in calendar year 2022, adjust the allocation amount determined under subsection (b) to correct for any clerical or mathematical errors made in any determination for calendar year 2018, 2019, or 2020, as applicable, including the allocation amount for any taxing unit whose distribution was affected by the clerical or mathematical error in those years. The department of local government finance may apply the adjustment to the allocation amount for a taxing unit over a period not to exceed ten (10) years in order to offset the effect of the adjustment on the distribution.

**(d) This subsection applies to a territory established by an ordinance or a resolution adopted under this chapter after December 31, 2024. Before additional revenue from a local income tax rate may be allocated to the provider unit of a new territory due to an increased property tax levy resulting from the establishment of the territory, the county fiscal body must adopt an ordinance or resolution approving the allocation.**

SECTION 242. IC 36-8-19-8, AS AMENDED BY P.L.236-2023, SECTION 209, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 8. (a) Upon the adoption of identical ordinances or resolutions, or both, by the participating units under section 6 of this chapter, the designated provider unit must establish a fire protection territory fund from which all expenses of operating and maintaining the fire protection services within the territory, including repairs, fees, salaries, depreciation on all depreciable assets, rents, supplies, contingencies, and all other expenses lawfully incurred within the territory shall be paid. The purposes described in this subsection are the sole purposes of the fund, and money in the fund may not be used for any other expenses. Except as allowed in subsections (d) and (e) and section 8.5 of this chapter, the provider unit is not authorized to transfer money out of the fund at any time.

(b) The fund consists of the following:

- (1) All receipts from the tax imposed under this section.
- (2) Any money transferred to the fund by the provider unit as authorized under subsection (d).
- (3) Any receipts from a false alarm fee or service charge imposed by the participating units under IC 36-8-13-4.
- (4) Any money transferred to the fund by a participating unit under section 8.6 of this chapter.
- (5) Any receipts from a distribution made under ~~IC 6-3.6-6-8(d);~~

**IC 6-3.6-6-8(b)**, which shall be deposited in the fund.

(c) The provider unit, with the assistance of each of the other participating units, shall annually budget the necessary money to meet the expenses of operation and maintenance of the fire protection services within the territory. The provider unit may maintain a reasonable balance, not to exceed one hundred twenty percent (120%) of the budgeted expenses. Except as provided in IC 6-1.1-18.5-10.5, and subject to section 7(c) of this chapter, after estimating expenses and receipts of money, the provider unit shall establish the tax levy required to fund the estimated budget. Subject to IC 6-1.1-18.5-10.5(c), the amount budgeted under this subsection shall be considered a part of each of the participating unit's budget.

(d) If the amount levied in a particular year is insufficient to cover the costs incurred in providing fire protection services within the territory, the provider unit may transfer from available sources to the fire protection territory fund the money needed to cover those costs. In this case:

- (1) the levy in the following year shall be increased by the amount required to be transferred; and
- (2) the provider unit is entitled to transfer the amount described in subdivision (1) from the fund as reimbursement to the provider unit.

(e) If the amount levied in a particular year exceeds the amount necessary to cover the costs incurred in providing fire protection services within the territory, the levy in the following year shall be reduced by the amount of surplus money that is not transferred to the equipment replacement fund established under section 8.5 of this chapter. The amount that may be transferred to the equipment replacement fund may not exceed five percent (5%) of the levy for that fund for that year. Each participating unit must agree to the amount to be transferred by adopting an ordinance (if the unit is a county or municipality) or a resolution (if the unit is a township) that specifies an identical amount to be transferred.

(f) The tax under this section is subject to the tax levy limitations imposed under IC 6-1.1-18.5-10.5.

**SECTION 243. [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)] (a) IC 6-1.1-51.3, as added by this act, applies to property taxes imposed for assessment dates on or after January 1, 2025.**
